no nonsense companion for any animal owner *Shooter's Bible Guide to Concealed Carry, 2nd Edition* Brad Fitzpatrick, 2019-01-15 If you are one of the millions of Americans who chooses to exercise your Second Amendment Right but haven't quite mastered the proper technique with guns then this is the essential manual for you. It is your right to carry a firearm to protect yourself and your family. However, it is your responsibility to know how to operate that gun correctly and safely. Don't wait to be placed in a dangerous setting faced with an armed attacker. The updated second edition of the Shooter's Bible Guide to Concealed Carry is an all-encompassing resource that not only offers vital gun terminology but also suggests which gun is the right fit for you and how to efficiently use the device properly, be it in public or home. Firearm expert Brad Fitzpatrick examines how to practice, how to correct mistakes, and how to safely challenge yourself when you have achieved basic skills. Included within is a comprehensive chart describing the various calibers for concealed carry, suitable instructions for maintaining it, and most importantly, expert step-by-step instructions for shooting. Once again, renowned firearms expert Fitzpatrick delivers poignant tips and provides valuable information. The purpose of this book is to familiarize yourself with firearms and to gain the confidence you need to protect yourself in the worst of situations. My experience working with Skyhorse is always a positive collaboration. The editors are first-rate professionals, and my books receive top-shelf treatment. I truly appreciate our working relationship and hope it continues for years to come. David Fischer, author **Shooter's Bible Guide to AR-15s, 2nd Edition** Doug Howlett, Robb Manning, 2016-11-01 The most recent information and specs on the popular AR-15 rifle. There's no denying the popularity and intense fascination with AR-15s among firearms enthusiasts today. Interest has grown rapidly over the past decade, spurred by the versatility of modern sporting rifles in addition to increased performance. Here, inside the most comprehensive source to date in a newly updated second edition, is Doug Howlett's expert approach to everything from the intriguing history of the AR to breaking down the weapon piece by piece, choosing ammunition, and even building your own gun. In this complete book of AR-style firearms, you can peruse the products of all manufacturers, learn about the evolution of the AR from its uses in the military in the 1960s to its adaptation for law enforcement and civilian uses, and gain essential knowledge on the parts and functions of the rifle. Also included are chapters on customizing and accessorizing ARs with a special focus on builders in small gun shops and their unique and successful products. Look into the future of the AR straight from top-gun authorities. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home. *Distribution Data Guide*, 1960 Small Business Bibliography
