Murder in the Manuscript Room Con Lehane, 2024-03-26 The second in Con Lehane's 42nd Street Library mystery series Murder in the Manuscript Room is a smart compelling mystery in which the characters themselves are at least as interesting as the striking sleuthing Not to be missed Megan Abbott A story utterly relevant to the real life horror story unfolding in America's immigration politics Sara Paretsky When a murder desecrates the somber book lined halls of New York City's iconic 42nd Street Library Raymond Ambler the library's curator of crime fiction has a personal interest in solving the crime His quest to solve the murder is complicated by personal entanglements involving his friend or perhaps more than friend Adele Morgan Not only does Adele's relationship with the young woman staffer who was murdered get in the way of Ambler's investigation more disturbing for him is Adele's growing interest in a darkly handsome Islamic scholar Soon the Intelligence Division of the New York Police Department takes over the case from NYPD homicide detective Mike Cosgrove Ambler's friend and sometimes partner in crime solving Ambler suspects that the murder of the young woman who'd been working at the library under an assumed name and the curious intervention of NYPD's intelligence division are connected The trail of intrigue leads to a seemingly unrelated murder in an upstate prison and a long ago murder of a trade union reformer No one else sees the connections Ambler is sure are there not an unusual state of affairs for Ambler But with the city's law enforcement establishment determined to stop his investigation the inquisitive and intrepid librarian faces challenges that may put his very life at risk

THE PATRICIDE After a fire the wealthy landowner Patrice Lafarge is found alone and dead in his bedroom locked from the inside Inspector Rimbaud reviews the case and counts on the help of his sharp witted Aunt Emilie What at first appears to be an accidental death is after the autopsy declared to be a homicide One of the children at home on Clos Saint Jacques to celebrate Patrice Lafarge s 75th birthday over a May weekend has to be the killer but who did it how was it done and for what reason This clever whodunit set in 1935 France introduces a winning pair of sleuths who probe the death behind a locked door of Patrice Lafarge whose heirs had gathered at his country estate to learn of a change to his will As in many Golden Age puzzle mysteries the plot is the key Readers who enjoy pitting their wits against that of the author will find themselves satisfied by the surprising solution The BookLife Prize in Fiction It s a very well written and edited book which I recommend for readers who enjoy classic mysteries and want to immerse themselves in the pleasures of a locked room murder challenge This is a competent example in the locked room mystery genre and a very entertaining one to boot

Onlinebookclub Reviews THE MURDERS ON THREE BRIDGES In need of a change of scenery Detective Inspector Arriaga boards *Stella Australis* for a trip around Tierra del Fuego Before the ship reaches Cape Horn the lone officer on the bridge is shot dead When others come rushing they find all doors leading to it locked from the inside With most passengers and crew ashore on an excursion to a glacier and the runaway ship headed for shipwreck on the rocky coast the captain is overwhelmed by the challenges The inspector narrows down the suspects to nine but how did the murderer escape with the doors locked from the inside Then he faces the explanations for murders that have taken place on not one but three different bridges including one that concerns his two fathers the one he has never met and the one he is litigating This thriller is well written and held my interest throughout and there are a plethora of clues to figure out the perpetrator of the crime fun for amateur detectives The author has created a surprise ending I ll be looking out for more stories by this author
