The Marmot Drive:

The Marmot Drive John Hersey, 2019-09-04 *The Marmot Drive* a novel of extraordinary force and craftsmanship deals with certain events on two summer days in an out of the way Connecticut village The occasion is the decision of the villagers of Tunxis to launch their long debated drive to rid a nearby valley of an infestation of marmots But the drive is merely the catalyst Its tensions and rigors release a storm of impulses and long hidden traits in the people involved so that in the end the natural drama is engulfed by the human drama Marmot certain stout bodied shortlegged rodents They have coarse fur a short bushy tail and very small ears and live in burrows hibernating in winter The American species are called woodchucks ground hogs or whistlers

The Marmot Drive John Hersey, 1965

The Conspiracy John Hersey, 2019-09-04 Nero s secret police believe they have come on the first hints of a plot against the emperor s life Once promising and gifted friend of poets pupil of the great Seneca Nero has now bloodied himself and grown fat on power and he has turned his back on the men of intellect who used to be his chosen circle He has driven Seneca into retirement He has proscribed the writings of Lucan Rome s foremost poet Crass mediocre men the military and the secret police now have his ear and favor While he and his court give themselves to dreamlike pleasures and fetes the obsessed secret police close in on or do they foment or imagine the conspiracy of the men of letters

Here to Stay John Hersey, 2019-09-04 In *Here to Stay* John Hersey tells of episodes in the past twenty years in which Man has courageously risen above desperate situations and shown his determination to survive despite the threats of the nuclear age Mr Hersey first tells the story of an old lady marooned on a rooftop amidst floods caused by a hurricane He ends with his famous Hiroshima the story of the survivors of the first atomic bombing written from personal investigation with horrifying detail and compassionate indignation Between these two pieces we read of John Kennedy s heroism in rescuing the crew of his PT boat sunk by the Japanese seventeen years before he became President a Jew s suffering in Auschwitz a crippled G I s difficulties in adjusting himself to civilian life the rehabilitation of a soldier paralyzed with fright the adventures of two Poles who survived persecution and a most moving account of an escape from Hungary in 1956 All John Hersey s books have had a serious purpose A Bell for Adanodrew attention to Italy s plight *The Wall* studied the Polish Jews struggle against tyranny *The War Lover* exposed the war mentality *The Child Buyer* showed up the exploitation of talent *Here to Stay* is a stirring reminder of our inherent ability to meet the challenge of extinction which now faces the world

The Wall John Hersey, 2019-06-26 Riveting and compelling *The Wall* tells the inspiring story of forty men and women who escape the dehumanizing horror of the Warsaw ghetto John Hersey s novel documents the Warsaw ghetto both as an emblem of Nazi persecution and as a personal confrontation with torture starvation humiliation and cruelty a gripping and visceral story impossible to put down

The Military Novel Russell S. Spindler, 1964

Antonietta John Hersey, 2019-06-26 A saga of a magnificent violin Antonietta named after a beautiful woman who was the inspiration of Antonio Stradivari s later years As Hersey brings Mozart Berlioz and Stravinsky to life he

offers us a marvelous celebration of the changing character and eternal art and power of music **The Walnut Door** John Hersey, 2019-09-04 Writing at the height of his powers John Hersey has created a taut dazzling novel of suspense and revelation in which we watch mesmerized the fateful convergence of two lives A young woman having fled from her suddenly unbearable college life and from the place even the lover that were part of it comes alone to a strange city anxiously waiting for something new and important to begin A man breezy ponytailed beautiful stranded by the passing of the sixties whose excitements had nurtured and consumed him now lavishes his whole self on loving craftsmanship on the construction of simple perfect wooden doors on the mystery of locks and on the artful offering of security his locks and doors to women who are alone The meeting of these two and their love affair its choreography masterminded by one unsuspected by the other are hypnotically told in a novel that illumines the fearful and the fear makers in our decade **A Companion to the American Novel** Alfred Bendixen, 2014-11-17 Featuring 37 essays by distinguished literary scholars A Companion to the American Novel provides a comprehensive single volume treatment of the development of the novel in the United States from the late 18th century to the present day Represents the most comprehensive single volume introduction to this popular literary form currently available Features 37 contributions from a wide range of distinguished literary scholars Includes essays on topics and genres historical overviews and key individual works including The Scarlet Letter Moby Dick The Great Gatsby Beloved and many more **White Lotus** John Hersey, 2019-09-04 Not too far from now in a world very like our own the oppressors have changed places with the oppressed After their defeat in the Yellow War the white people of America are thrust into a brutally altered reality They are hunted like wild beasts and drive like cattle transported in reeking ships and sold to their conquerors as field hands and house slaves Robbed of their old names and their old language treated with a mixture of cruelty and condescension by their Chinese masters whites take on new identities and new strategies of survival Some like Nose plunge into dissipation Others like Top Man become imitation Yellows And some like White Lotus rebel In this mesmerizing book John Hersey creates an alternate history that casts a harsh radiance on our own It has some of the stateliness of Exodus along with the power of oral narratives of slavery It has heroes and victims and villains who turn out to be victims of another color At once a masterpiece of storytelling and a complex novel of ideas White Lotus compels us to reexamine our notions of race and racism freedom and oppression *The President* John Hersey, 2019-09-04 The President has given me permission to take a kind of voyage with him to watch him closely through a working week I will be with him most of the time hour in and hour out At 8 33 on a rainy Monday in March 1975 John Hersey sits down on a straight cane backed chair in the Oval Office to begin soaking up impressions of what happens in post Watergate Washington at the center of American power Through five and a half days he will stay close to the President observing him as he consults with his own staff with members of Congress with his Cabinet with Rockefeller watching him on the exercise bike at the barber s greeting Miss America absorbing his confidences as he talks after dinner in the private quarters of the White House about his

childhood and about his college years when it was difficult to make ends meet Following the President Hersey observes in detail all the important moments as well as the incidental ones that show what Gerald Ford is like on the job In this extraordinary book he builds a brilliant and revealing portrait letting the reader see Ford s strengths and limitations And so perceptively does Hersey draw significance from his observations that the insights seem to explode like time bombs I have seen all week that it is not easy for Gerald Ford to make what he refers to in the language of umpires as a tough call Yet once he has made such a decision he does not agonize he becomes convinced of its rightness and is stubborn in its defense In reading *The President* each of us emerges knowing more than ever before not only about this imperturbable iron man the first President we did not elect but also about how the Presidency really operates In John Hersey s report we come to understand the man and the things that persuade him And we come to sense how good it would be if in some way he could speak good listener that he is one to one with ordinary men and women his constituents from whom he has somehow drifted so far away

Mr. Straight Arrow Jeremy Treglown,2019-04-23 A monumental reevaluation of the career of John Hersey the author of *Hiroshima* Few are the books with as immediate an impact and as enduring a legacy as John Hersey s *Hiroshima* First published as an entire issue of *The New Yorker* in 1946 it was serialized in newspapers the world over and has never gone out of print By conveying plainly the experiences of six survivors of the 1945 atomic bombing and its aftermath Hersey brought to light the magnitude of nuclear war And in his adoption of novelistic techniques he prefigured the conventions of New Journalism But how did Hersey who was not Japanese not an eyewitness not a scientist come to be the first person to communicate the experience to a global audience In *Mr Straight Arrow* Jeremy Treglown answers that question and shows that *Hiroshima* was not an aberration but was emblematic of the author s lifework By the time of *Hiroshima* s publication Hersey was already a famed war writer and had won a Pulitzer Prize for Fiction He continued to publish journalism of immediate and pressing moral concern his reporting from the Freedom Summer and his expos s of the Detroit riots resonate all too loudly today But his obsessive doubts over the value of his work never ceased *Mr Straight Arrow* is an intimate exacting study of the achievements and contradictions of Hersey s career which reveals the powers of a writer tirelessly committed to truth and social change

The Call John Hersey,2019-09-04 An American missionary in China David Treadup is the protagonist of John Hersey s magnificent novel a novel whose richness of character color and incident both explores the evangelical impulse in this country the peculiarly American spirit of wanting to help others and reflects the whole complex history of China from 1900 to the aftermath of World War II *The Call* is the story of one man s spiritual odyssey as he strives to reconcile his commitment to God with his love of the struggling mass of Chinese humanity to whom he pledges his life It is

the story of an American family choosing to make a home for themselves in an alien world that is sometimes exhilarating sometimes overwhelming always surprising and periodically inundated by history famine war revolution It is the story of a marriage of abiding partnership of a wife at once strong and vulnerable struggling to be close to a husband whose awesome challenge to somehow make the world a better place for the Chinese people will always claim him Treadup s large adventure opens out from rural upstate New York where he is raised on a struggling isolated farm to the Syracuse campus where caught up in evangelical fervor he is struck by a blinding light through the voice of a Scottish rugby player and answers the Call to vast and turbulent China where he is sent by the Y M C A to save souls There in the face of this three thousand year old civilization the tall gregarious ambitious American becomes quickly aware of his own insufficiency But Treadup s astonishing resourcefulness who would think that a gyroscope could sway multitudes and his ever growing passion to penetrate to the heart of China to bring its yearning people into the twentieth century fire his energies again and again over the years of triumphs and frustrations of rekindled vision and lost hopes John Hersey himself the child of a missionary family in China brings to this deeply human story a profound and intimate knowledge of the life it encompasses giving us an extraordinary authenticity of place and feeling It is his crowning achievement
