March 21: Unlocking the Secrets of Your Birthdate Robert J Dornan, 2025-09-29 What if your birthday was more than a date on the calendar what if it was a map This isn't your grandmother's astrology book and it's not a recycled one size fits all horoscope either Each day of the year gets its own deep dive written in plainspoken funny and emotionally honest language designed to feel like a conversation with your smartest and slightly sarcastic friend Whether you're reading about yourself someone you love or just snooping on your crush's birthday you'll find insights that actually make sense in the real world Inside you'll discover Life Path numbers and destiny breakdowns that are finally accurate no recycled math mistakes here Creative and career guidance written for people who live in the 21st century not the Middle Ages Relationships and compatibility chapters that trade clichés for real life dynamics you'll actually recognize Colors stones and scents with fascinating history from Cleopatra's amethyst to why frankincense still feels grounding after thousands of years Past life echoes and lunar cycle insights that turn déjà vu and timing into something you can work with Luck legacy and growth practices explained with wit warmth and a little bite because inspiration lands better when it doesn't sound like a motivational poster Every chapter blends ancient traditions with modern humor historical facts with clever storytelling and cosmic symbolism with grounded advice The result is a guide that feels timeless and surprisingly personal Whether you dip into your own birthday check out friends and family's dates or just binge through for fun you'll find patterns stories and insights that stick with you long after you've closed the book Here's the truth your birthday isn't just the day you showed up it's a mirror a rhythm and a reminder And this book It's here to make sure you see it all laugh at it and maybe even use it to live a little better

Ruth Ellis: My Sister's Secret Life Muriel Jakubait, Monica Weller, 2012-11-01 The secret double life of Ruth Ellis and the Establishment cover up that led to her unjust hanging Ruth Ellis the last woman to be hanged in Britain was convicted fifty years ago for shooting her lover David Blakely The case became a notorious part of British criminal history and was turned into the film *Dance with a Stranger* The story that has been perpetuated ever since is that of a peroxide tart who killed in a fit of passion Yet crucial questions were left unasked in the original trial Ruth Ellis's sister Muriel Jakubait knew her longest of all She has never given up her search for justice Now after fifty years she has decided to reveal the hard facts about their shared upbringing and seek to piece together the full true story of her sister As she is at pains to point out the jealous killer tag has never been substantiated This is a story of power espionage lies loyalty poverty sex and betrayal It suggests a third man may have pulled the trigger for the fatal shots And that he belonged to a web of espionage into which Ruth Ellis fell long before the shooting Above all it indicates that Ruth was being run by Stephen Ward at least a decade before his name became public in the Profumo Scandal Muriel's motive is about more than proving her sister Ruth's innocence It's about reclaiming the right to tell the story of her own family stripped bare of the many tabloid myths that have accrued over the decades She shows that Ruth was somebody damaged at a very early age who strove to
