Sisters With Power:

A Sister's Power Cydney Rax, 2019-10-29 In the face of shocking challenges nothing is more important to the Reeves women than keeping their bond tight and their communication flowing But honesty isn't so clear cut when it could blow up everything they've fought to build Already reeling from betrayal middle sister Coco is fed up with lies including her own If she has her way someone else's neck needs to be on the line for a change But soon Coco's in deep trouble with the law her future hanging in the balance Now the only thing that can save her is revealing one last devastating truth Struggling with unthinkable loss Coco's sister Burgundy finds comfort in a colleague's arms But her eight year old daughter wants no part of him She wants the life she enjoyed when her father was alive As Burgundy fights to move on from the shocking tragedy of her marriage she seeks a silver lining And against all odds she wants herself and all four of her sisters to win In spite of secrets lies deception and hurt she will do whatever it takes to support and empower her family Even if it means risking everything that's important to her Now between revenge grief and forgiveness these women will challenge themselves and all they think they know about each other in a showdown that may leave them united or cause them to forever fall apart Praise for A Sister's Secret Clever Compelling Captivating RT Book Reviews

Women, Power, and Political Change

Bonnie G. Mani, 2007-01-01 Women Power and Political Change analyzes the lives of fourteen American women who facilitated social and political changes since America's founding Bonnie G Mani describes the social and political context of each time period and uncovers how women can influence public policy without holding elected office and without personal wealth

The Transforming Power of the Nuns Mary Peckham Magray, 1998-06-04 Mary Peckham Magray argues that the Irish Catholic cultural revolution in the nineteenth century was effected not only by male elites as previous scholarship has claimed but also by the most overlooked and underestimated women in Ireland the nuns Once thought to be merely passive servants of the male clerical hierarchy women's religious orders were in fact at the very center of the creation of a devout Catholic culture in Ireland Often well educated articulate and evangelical nuns were much more social and ambitious than traditional stereotypical views have held They used their wealth and their authority to effect changes in both the religious practices and daily activity of the larger Irish Catholic population and by doing so Magray argues deserve a far larger place in the Irish historical record than they have previously been accorded Magray's innovative work challenges some of the most widely held assumptions of social history in nineteenth century Ireland It will be of interest to scholars and students of Irish history religious history women's studies and sociology

The Black Power Movement Peniel E. Joseph, 2013-08-21 The Black Power Movement remains an enigma Often misunderstood and ill defined this radical movement is now beginning to receive sustained and serious scholarly attention Peniel Joseph has collected the freshest and most impressive list of contributors around to write original essays on the Black Power Movement Taken together they provide a critical and much needed historical overview of the Black Power era Offering important examples of undocumented histories of black liberation
