Romantics

A unique insight into the minds of the leading painters of the Romantic age.

ROBERT UPSTONE

Sketchbooks Of The Romantics

Chip Sullivan

Sketchbooks Of The Romantics:

Sketchbooks of the Romantics Robert Upstone, 1993 Sketchbooks from the Romantic period contain an abundance of beautiful drawings many of which are little known Not only are they a rich source of aesthetic pleasure but also a means of understanding the concerns of the artists of that time The Romantics believed it was important to record their immediate responses to the world around them often traveling to exotic lands for inspiration They also used their sketchbooks to record visions and to explore new experiences and sensations Leading artists of the period with examples ranging from David and Delacroix to Fuseli Gova and Turner BOOK JACKET **Sketchbooks of the Romantics** Robert Upstone,1991 Analyzes the sketchbooks of the leading artists of the Romanticism period and the artists themselves **Sketchbooks of the Romantics** The Visual and Verbal Sketch in British Romanticism Richard C. Sha, 2016-11-11 With their broken Robert Upstone, 1991 lines and hasty brushwork sketches acquired enormous ideological and aesthetic power during the Romantic period in England Whether publicly displayed or serving as the basis of a written genre these rough drawings played a central role in the cultural ferment of the age by persuading audiences that less is more The Visual and Verbal Sketch in British Romanticism investigates the varied implications of sketching in late eighteenth and early nineteenth century culture Calling on a wide range of literary and visual genres Richard C Sha examines the shifting economic and aesthetic value of the sketch in sources ranging from auction catalogs and sketching manuals to novels that employed scenes of sketching and courtship He especially shows how sketching became a double edged accomplishment for women when used to define proper femininity Sha s work offers fresh readings of Austen Gilpin Wordsworth and Byron as well as less familiar writers and provides sophisticated interpretations of visual sketches As the first full length work about sketching during the Romantic era this volume is a rich interdisciplinary study of both representation and gender Sketchbooks of the Romantics/Robert <u>Upstone</u> Robert Upstone,1991 Engaged Romanticism Mark Lussier, Bruce Matsunaga, 2009-05-27 In November 2006 the International Conference on Romanticism convened for its annual conference on the campus of Arizona State University and explored a wide range of work identified as engaged romantic as a mode and a practice rather than simply as a literary historical period defined by a specific temporal spectrum c 1750 1850 As the introduction to the volume suggests most writers during the period were actively engaged in the cultural articulation of the aesthetics criticism ethics poetics and politics of the age and a large number of writers deployed their talents to help transform the public sphere whether shaping responses to the practices of slavery or resisting the emergence of a crystallized form of Newtonianism at the foundation of Enlightenment epistemology The intellectual and disciplinary range of the essays included in this volume pay tribute to this often neglected aspect of the revolutionary dictates of what has come to be called Romanticism and the following critical essays offered by both thoroughly established and relatively new voices within Romantic Studies examine virtually every aspect of this approach to Romantic thought and writing Whether focused on the formal and intellectual practices at the

foundation of the novel the philosophical resonance of William Wordsworth within emergent forms of eco criticism the play of the transatlantic Romantic imagination the aesthetic commitments of Romantic art and music or the current process of pedagogical engagements the essays sound the depths of what engaged practice can accomplish both in the age of Romanticism itself as well as our own moment Encyclopedia of the Romantic Era, 1760-1850 Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism The Oxford Handbook of British Romantic Prose Robert Morrison, 2024-04-03 The Oxford Handbook of British Romantic Prose is a full length essay collection devoted entirely to British Romantic nonfiction prose Organized into eight parts each containing between five and nine chapters arranged alphabetically the Handbook weaves together familiar and unfamiliar texts events and authors and invites readers to draw comparisons reimagine connections and disconnections and confront frequently stark contradictions within British Romantic nonfiction prose but also in its relationship to British Romanticism more generally and to the literary practices and cultural contexts of other periods and countries The Handbook builds on previous scholarship in the field considers emerging trends and evolving methodologies and suggests future areas of study Throughout the emphasis is on lucid expression rather than gnomic declaration and on chapters that offer not a dutiful survey but evaluative assessments that keep an eye on the bigger picture yet also dwell meaningfully on specific paradoxes and the most telling examples Taken as a whole the volume demonstrates the energy originality and diversity at the crux of British Romantic nonfiction prose It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers From the Sketchbooks of the Great Artists Claude Marks, 1972 Field Sketching for **Environmental Designers** Chip Sullivan, 2023-11-16 This graphic sketchbook is a primer for sparking imagination and creativity in landscape architecture and urban design drawing Field Sketching for Environmental Designers is an ideal guide and companion for both beginning and advanced drawing enthusiasts The text is profusely illustrated and loaded with fun and enlightening examples of work from a plethora of experienced artists designers planners and naturalists from around the world Each chapter provides easy to follow instructions on a wide variety of techniques for field sketching and plein air painting The exercises are designed to help readers progressively build a set of skills that will help them construct meaning and gain knowledge from on site field observation City of the Soul John A. Pinto, 2016-06-07 Romantic Rome the Eternal

City in word and image from Goethe and Byron to James from etching and watercolor to photograph Reader's Guide to *Music* Murray Steib, 2013-12-02 The Reader's Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology The Romantics Reviewed Donald H. Reiman, 2016-10-04 First published in 1972 this volume contains contemporary British periodical reviews of Shelley Keats and London Radical Writers including William Godwin Leigh Hunt and Mary Shelley in publications from Gentleman's Magazine to the Theological Inquirer Introductions to each periodical provide brief sketches of each publication as well as names dates and bibliographical information Headnotes offer bibliographical data of the reviews and suggested approaches to studying them This book will be of interest to those studying the Romantics and English literature The Romantics Reviewed Donald Reiman, 2016-10-04 First published in 1972 this volume contains contemporary British periodical reviews of Lord Byron and Regency Society Poets including Rogers Campbell and Moore in publications from the Literary Gazette to the Monthly Review Introductions to each periodical provide brief sketches of each publication as well as names dates and bibliographical information Headnotes offer bibliographical data of the reviews and suggested approaches to studying them This book will be of interest to those studying the Romantics and English literature **Romanticism** Susie Brooks, 2019-08 First published in Great Britain in 2018 by Wayland Verso Musicology and Performance Frieder Lang, Paul Henry Lang, Professor George I Buelow, 1997-01-01 Arriving in the United States at age twenty seven Hungarian born Paul Henry Lang 1901 1991 went on to exert a powerful influence on musical life and scholarship in his adopted country for more than six decades As professor of musicology at Columbia University editor of the Musical Quarterly a founder of the American Musicological Society and chief music critic of the New York Herald Tribune Lang became one of Americas foremost musical scholars and commentators This anthology of his previously uncollected writings includes essays written throughout his career on a full array of musical subjects as well as unpublished chapters of the book on performance practice that he was writing at the time of his death Lang was concerned above all with safeguarding the purity of musical knowledge as reflected in both scholarship and performance Whether addressing his fellow musicologists or the general public he expressed a broadly humanistic conception of musicology in his erudite and entertaining writings on such diverse subjects as Bach and Handel the historical veracity of the film Amadeus Marxist theory and music and the controversial issue of authenticity in performance The **Romantics** Stephen Prickett, 2016-04-20 First published in 1981 This book aims to show Romanticism as a response to certain questions in literature art religion philosophy and politics that were being asked increasingly towards the end of the

eighteenth century The essays focus on growth and change in society and the individual nature feeling and reason and subjectivism examining how these questions arose why they were felt to be important and the kinds of answers that consciously or unconsciously the Romantics provided This title will be of interest to students of literature history and philosophy Turner Michael Bockemühl, Joseph Mallord William Turner, 2000 William Turner 1775 1851 was simultaneously a romantic and a realist and yet he transcended both styles This book opens up Turner s paintings demonstrating that he was not simply illustrating nature but that his pictures speak directly to the eye as nature does itself

Mark Rothko James E. B. Breslin, 2012-08-13 The first full length biography of Mark Rothko one of the greatest artists of the 20th century tells the story of a life in art and the convergence of genius and ego culture and commerce that defined the New York art scene of the 1930s 40s and 50s 21 color plates
