Radical Health Julie Avril Minich, 2023-09-25 In *Radical Health* Julie Avril Minich examines the potential of Latinx expressive culture to intervene in contemporary health politics elaborating how Latinx artists have critiqued ideologies of health that frame wellbeing in terms of personal behavior Within this framework poor health obesity asthma diabetes STIs addiction and high risk pregnancies is attributed to irresponsible lifestyle choices among the racialized poor Countering this Latinx writers and visual artists envision health not as individual duty but as communal responsibility Bringing a disability justice approach to questions of health access and equity Minich locates a concept of radical health within the work of Latinx artists including the poetry of Rafael Campo the music of Hurray for the Ruff Raff the fiction of Angie Cruz and the performance art of Virginia Grise Radical health operates as a modality that both challenges the stigma of unhealth and protests the social conditions that give rise to racial health disparities Elaborating on this modality Minich claims a critical role for Latinx artists in addressing the structural racism in public health *Body Problems* M.

Wolff, 2025-07-11 M Wolff offers a groundbreaking exploration of Sally Gross a South African intersex scholar priest activist and anti apartheid figure whose life and body were continuously policed and politicized **Losses in Later Life** R. Scott Sullender, 1999 *Losses in Later Life a New Way of Walking with God Second Edition* focuses on seven major losses loss of youth loss of family loss of parents loss of work loss of spouse loss of health and loss of identity The second edition has been reworked with new research to include updated information about the loss of independence and several additional losses not discussed in the previous edition You will explore the path to becoming a spiritually mature person who has faith and is able to grieve let go and release what is lost in order to live a mentally healthy and rewarding life [The Routledge Handbook of Law and Death](#) Marc Trabsky, Imogen Jones, 2024-10-01 *The Routledge Handbook of Law and Death* provides a

comprehensive survey of contemporary scholarship on the intersections of law and death in the 21st century It showcases how socio legal scholars have contributed to the critical turn in death studies and how the sociology of death has impacted upon the discipline of law In bringing together prominent academics and emerging experts from a diverse range of disciplines the Handbook shows how far from shunning questions of mortality legal institutions incessantly talk about death Touching upon the epistemologies and materialities of death and problems of contested deaths and posthumous harms the Handbook questions what is distinctive about the disciplinary alignment of law and death how law regulates and manages death in the everyday and how thinking with law can enrich our understandings of the presence of death in our lives In a time when the world is facing global inequalities in living and dying and legal institutions are increasingly interrogating their relationships to death this Handbook makes for essential reading for scholars students and practitioners in law humanities and the social sciences

Arming Asia Richard Bitzinger, 2016-12-19 Bitzinger examines the phenomenon of attempted self reliance in arms production within Asia and assesses the extent of success in balancing this independence with the growing requirements of next generation weapons systems He analyzes China India Japan South Korea and Southeast Asia The overarching question in the book is whether self reliance is a strategically viable solution for development and manufacturing of arms Given the ever changing dynamics and increasing demand for sophisticated next generation weaponry will these countries be able to individually sustain their domestic defense industries and constantly update their technologies This is the first book to analyze arms production from a regional perspective
