Small Salvations:

Salvation's Kiss Kathryn Jayne, 2022-02-10 For Conrad moving to Overton was the promise of a fresh start a way to escape the pain and ridicule and leave behind the hateful words that reminded him every day he was a monster He would not make the same mistake again He would keep his other self hidden his heart shielded Or that had been his intention The moment his gaze met Ashley s his resolve faltered With a single disarming glance she became all he could think about an infatuation he knew must be shed But she was human incompatible with his kind To love her would be to one day watch her burn He had thought wrestling with his heart was his biggest concern but his new friends harbour a secret They hold the answers to one of the most burning questions of their time But how much is Conrad willing to sacrifice to get those answers This book contains graphic sex and is not suitable for readers under the age of 18 [Twenty-Four Short Sermons On the Doctrine of Universal Salvation](#) John Bovee, 2020-07-17 Reproduction of the original *Twenty Four Short Sermons On the Doctrine of Universal Salvation* by John Bovee *For Salvation's Sake* Jason Moralee, 2004-03-01 This book breaks new ground in the study of cultural unity in the Near East from pre Roman to early Islamic times first century BC eighth century AD Based on a thorough study of nearly 400 Greek and Latin inscriptions from Syria Lebanon Jordan and Israel this book shows how the formula for salvation s sake hyper soterias pro salute was fundamental to the political social and religious lives of hundreds of civic and military elites in the Near East Initially an expression of ancient indigenous religion this formula expressed loyalty to the central authority at Rome while profiling social status and piety With the arrival of Christianity and Islam the formula lost its political importance but persisted in its social and religious applications among Christian and Jewish communities in Late Antiquity Presenting a new body of evidence Jason Moralee provides a fresh look at how Romans used the inscriptions to secure the loyalty of their subjects for centuries This analysis of material culture through several periods redefines notions of political loyalty in the Middle East from antiquity through the Middle Ages raising new questions about life in the Roman provinces *The Psalms (Volume 2, Psalms 42 to 106)* James Johnston, 2025-01-14 Volume 2 of *Preaching the Word s Reader Friendly Commentary on the Psalms* Explores Chapters 42 106 The Psalms is one of the most widely loved books of the Bible A source of instruction for our prayers inspiration for our songs and consolation for our tears these biblical poems resound with the whole spectrum of human emotion and teach us to hope in God each and every day In the second volume of a 3 part commentary on the Psalms pastor James Johnston walks readers through chapters 42 106 offering exegetical and pastoral insights along the way Edited by R Kent Hughes the *Preaching the Word* expository series is an essential resource for anyone interested in studying teaching or preaching the Bible Expository Commentary on the Psalms In depth study explores more than 60 individual psalms and explains how they fit together in Scripture Reader Friendly Written by pastors for pastors this commentary is also an accessible resource for students and laypeople Part of the *Preaching the Word* Series This is volume 2 of a 3 part commentary on the Psalms volumes

Salvation of the Soul and Islamic Devotion M. A. Quasem,2023-05-31 First Published in 1983 Salvation of the Soul and Islamic Devotion demonstrates that salvation is a central concept of the religion of Islam even though its meaning causes and results according to Islam may differ from what is taught by Christianity and other world religions The first chapter of the book presents the Islamic doctrine of salvation as set forth in the Quran and prophetic tradition The meaning of salvation is explored and the means to it on both human and divine sides are considered with special emphasis upon Islamic devotions The remaining eight chapters deal with both obligatory and supererogatory devotions prescribed by Islam concentrating on the methods of their correct performance on which salvation is largely dependent The material used in this book has been derived entirely from the original Islamic sources written in Arabic Efforts are made to make the book useful to both Muslim and non Muslim readers of English interested in the Islamic theory of salvation and acts of devotion

Science and Salvation Aileen Fyfe, 2011-04-15 Threatened by the proliferation of cheap mass produced publications the Religious Tract Society issued a series of publications on popular science during the 1840s The books were intended to counter the developing notion that science and faith were mutually exclusive and the Society's authors employed a full repertoire of evangelical techniques low prices simple language carefully structured narratives to convert their readers The application of such techniques to popular science resulted in one of the most widely available sources of information on the sciences in the Victorian era A fascinating study of the tenuous relationship between science and religion in evangelical publishing Science and Salvation examines questions of practice and faith from a fresh perspective Rather than highlighting works by expert men of science Aileen Fyfe instead considers a group of relatively undistinguished authors who used thinly veiled Christian rhetoric to educate first but to convert as well This important volume is destined to become essential reading for historians of science religion and publishing alike *"Things that Accompany Salvation:" in Nineteen Sermons ... Things, 1858*
