Smooth Stone Biblical Prophecy In Historical Perspective

David Arthur

Smooth Stone Biblical Prophecy In Historical Perspective:

A Smooth Stone David Arthur, 2001 A Smooth Stone is a historical survey of the Hebrew prophets focusing on the development of a radical theological iconoclasm Beginning with the preclassical seers the book traces the expanding scope of prophetic polemic over a period of six hundred years as it escalates from sporadic attacks on individual sin to a comprehensive assault against religion itself culminating in a total rejection of the traditional picture of God Slaves of the Most High God Timothy Cochrell, 2018-07-15 Slaves of the Most High God provides a rigorous exegetical historical and theological analysis of the slave metaphor in Luke Acts **The Hebrew Prophets**, 2004 Now you can experience the empowering words of the Hebrew prophets even if you have no previous knowledge of the Hebrew Bible or Judaism This Skylight Illuminations edition presents selections from the Hebrew prophets with insightful yet unobtrusive commentary that conveys the prophetic call for humankind to fulfill the promise to renew harmony and unity and to engage life with a sense of holiness and wholeness BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Control, Coercion, and Constraint Wolfram Kinzig, Barbara Loose, 2024-12-30 This volume is based on a lecture series that was held during the academic year 2021/2022 at the University of Bonn Its contributors explore the role of religion in overcoming and creating structures of dependency from different disciplines and academic backgrounds The question of the role of religion in justifying perpetuating modifying and abolishing slavery and other forms of strong asymmetrical dependency is still a much debated topic within historical and social sciences The equality of all human beings before God gods or the divine is deeply rooted in religious thought Conversion to one or another religion has therefore often led to critique transformation and even abolition of existing social structures institutions and their corresponding dependencies Yet religious discourse has also been used to justify the subjection of individuals and whole peoples In addition throughout history religious institutions themselves have often mirrored the social hierarchies and inequalities of the surrounding societies Concomitantly practitioners of these religious traditions have created systems of dependency within their own institutional social legal and spiritual structures This volume makes clear that not even the metaphysical world is free of dependencies influential strands of almost all major religious traditions envisage hierarchies of gods angels demons and other metaphysical beings

Gilgamesh and the World of Assyria Joseph Azize, Noel Weeks, 2007 In July 2004 a number of scholars gathered for a conference on Gilgamesh and the World of Assyria at The University of Sydney This volume of conference papers features contributions by Andrew George the key note speaker and established scholars such as J D Forest V A Hurowitz G A Rendsburg N Weeks and I M Young together with those of other local scholars The chief theme is the Gilgamesh epic but interesting suggestions are made concerning the importance of that epic for biblical studies and Assyriology in general **Encyclopedia of Judaism** Sara E. Karesh, Mitchell M. Hurvitz, 2005 An illustrated A to Z reference containing over 800 entries providing information on the theology people historical events institutions and

movements related to the religion of Judaism **Standing for Orthodoxy** Carl R. Trueman, Joel R. Beeke, Michael A. G. Haykin, Jared Hood, 2025-07-22 Standing for Orthodoxy celebrates the life and legacy of Peter Barnes aptly described as one of Australia's ablest defenders of theological orthodoxy whose tireless dedication to Scripture pastoral care and historical theology has profoundly impacted generations within the global Reformed community Spanning pastoral historical biblical and systematic theology the essays within this volume reflect the diverse yet unified commitment of Barnes's ministry to uphold biblical orthodoxy in a changing world Contributions from esteemed Australian and international scholars and pastors such as Joel R Beeke Michael A G Haykin Jared Hood John McClean Carl R Trueman Geoffrey Thomas and Rowland S Ward engage crucial questions of pastoral care confessional integrity historical interpretation and theological fidelity From discussions on the Early Church Fathers and John Calvin to explorations of Abraham Kuyper A W Pink and contemporary issues facing the church today these essays illustrate the rich interplay between historical depth and practical pastoral insight This volume serves as both a tribute and an urgent call reminding readers of the enduring necessity of standing firmly for biblical truth the power of historical theology to inform contemporary challenges and the essential role of the pastor scholar in guiding God's people toward faithfulness in every generation *Persepolis and Jerusalem* Jason M. Silverman, 2012-10-10 Persepolis and Jerusalem reconsiders Iranian influence upon Jewish apocalyptic and offers grounds upon which such study may proceed After describing the history of scholarship on the question of Iranian influence and on Jewish apocalyptic Jason M Silverman reformulates the methodology for understanding apocalyptic and influence Two chapters set the discussion firmly in the Achaemenid Empire describing the sources for Iranian religion the issues involved in attempting a historical reconstruction the methodology by which one can date the various texts and ideas and the potential loci for Iranian Judaeon interaction The historical context is expanded through media contextualization particularly Oral Theory and critiques the standard text centric method of current Biblical Scholarship With this background pericopes from Ezekiel Daniel and 1 Enoch are analyzed for Iranian influence The study then brings together the contexts and analyses to argue for an Apocalyptic Hermeneutic which relates the phenomena of apocalypticism apocalypse and millenarianism seeing the hermeneutic as a dialectical thread holding them all together as well as apart and posits this as the best place to understand Iranian influences **The Walls of Babylon** David Arthur, 2019-08-22 The Walls of Babylon is a radically revisionist reading of the Revelation to John offering startling insights into the historical roots of Gnosticism the social dynamics of early Christianity and the shattering impact of apocalyptic eschatology Based on a careful analysis of the text David Arthur argues that the motivating circumstance for Revelation was provided not by external Roman oppression but by a fierce internal dispute between gnostic and proto orthodox factions within the early church In the ensuing controversy John did not side with ecclesiastical officials as might be expected but instead took up the cause of the persecuted outcasts Following the precedent of the classical prophets he speaks as a champion for the downtrodden and dispossessed

represented for him by the gnostic heretics The book he has left us presents a fiery symbolic rebuke of proto orthodox Christianity and by extension challenges normative religious paradigms at every level of belief and praxis **Toronto**
Journal of Theology ,2003

Recognizing the mannerism ways to get this book **Smooth Stone Biblical Prophecy In Historical Perspective** is additionally useful.
