Smooth Talking Texan:

SMOOTH-TALKING TEXAN Yuki Mizusawa, CANDACE CAMP, 2022-08-12 I have to be careful not to fall under love's magical spell Lisa a lawyer goes to a small town jail to help a boy who has been wrongfully imprisoned There she finds sexy Sheriff Quinn waiting for her and she can't help but feel like she's been put under a spell The more they talk the closer they get and Lisa is thrilled when he asks her to be his girlfriend But when she learns that the boy she is representing was arrested by Quinn she's afraid she won't be able to keep work and love separate *Smooth Talking Texan* Katherine Garbera, 2022-05-05 He's her best friend but she wants so much more Barrel racer Colby Tucker has never said no to her best friend and secret crush Olivier Rossi When the handsome and charming rodeo clown asks her to attend his brother's wedding as his pretend fiancée she reluctantly says yes This might be her last chance to either nudge Olivier into falling in love with her or finally get him out of her system Olivier's proposition to Colby was impulsive But she's the one person in his life he could count on and unlike his family Colby never judges But from the moment they begin practicing their parts Olivier knows he's in trouble Suddenly Olivier wants more than a fake relationship But is Colby only playing a part or are her feelings as real as his Find out in the latest Rossis of Whiskey River novel by USA Today bestselling author Katherine Garbera Smooth-Talking Texan Candace Camp, 2009-08-06 For temporarily relocated from Dallas hotshot defense attorney Lisa Mendoza a year working for the public defender's office in tiny Angel Eye Texas was just a slight detour off the path she'd mapped out for her life Then she ran smack dab into handsome Quinn Sutton and the map started looking more and more muddy For despite her misgivings about getting involved with the town sheriff she found him infuriatingly irresistible And what of said Sheriff Quinn He too felt the pull of attraction and the strings of hesitation Because once before he'd known the pain of falling fast for a woman who had made it clear she'd follow her head and not her heart Only this time with Lisa he wondered if his heart might follow as well *Lobbying America* Benjamin C. Waterhouse, 2015-11-24 Lobbying America tells the story of the political mobilization of American business in the 1970s and 1980s Benjamin Waterhouse traces the rise and ultimate fragmentation of a broad based effort to unify the business community and promote a fiscally conservative antiregulatory and market oriented policy agenda to Congress and the country at large Arguing that business's political involvement was historically distinctive during this period Waterhouse illustrates the changing power and goals of America's top corporate leaders Examining the rise of the Business Roundtable and the revitalization of older business associations such as the National Association of Manufacturers and the U S Chamber of Commerce Waterhouse takes readers inside the mind set of the powerful CEOs who responded to the crises of inflation recession and declining industrial productivity by organizing an effective and disciplined lobbying force By the mid 1970s that coalition transformed the economic power of the capitalist class into a broad reaching political movement with real policy consequences Ironically the cohesion that characterized organized business failed to survive the ascent of conservative politics during the 1980s and

many of the coalition's top goals on regulatory and fiscal policies remained unfulfilled The industrial CEOs who fancied themselves the voice of business found themselves one voice among many vying for influence in an increasingly turbulent and unsettled economic landscape Complicating assumptions that wealthy business leaders naturally get their way in Washington Lobbying America shows how economic and political powers interact in the American democratic system
