found center By removing fears one by one each of us can transition from a place of fear into a place of love learning to live from the heart As we work towards this goal we isolate and identify the negative emotions that have been growing and harvesting within These negative emotions equate disease This book is your guide to help acknowledge these fears recognize and release them one by one creating a new you a lighter you We then experience a new energy a more evolved energy a higher vibrating energy as we invite the energy of excellent health and balance into our bodies It is here that The Smudging and Blessing Pack Jane Alexander,1999-04 Bring blessings and good fortune into your home and your life If you want fate on your side then the ancient Native American art of smudging may be just what you need With simple rituals and ceremonies it cleanses the environment of negative spiritual energy swiftly and dramatically Whether you re looking for love or a way to banish stress and boost your energy this will get you on the right path
