Calvin Today Michael Welker, Ulrich Möller, Michael Weinrich, 2011-10-13 Distinguished scholars discuss Calvin and his surprisingly up to date relevance addressing three central current issues faith ecumenism and public responsibility

The Politics of Yahweh John C. Nugent, 2011-11-08 John Howard Yoder is most famous for arguing in The Politics of Jesus that a sound reading of the New Testament demonstrates the abiding relevance of Jesus to social ethics However it is seldom acknowledged that Yoder makes essentially the same argument with regard to the Old Testament Throughout his extensive writings Yoder offers a provocative interpretation of the Old Testament that culminates in the way of Jesus and establishes the ethical ecclesiological and historiographical continuity of the entire biblical canon In The Politics of Yahweh presented as a prequel to The Politics of Jesus John C Nugent makes Yoder's complete Old Testament interpretation accessible in one place for the first time Nugent does not view Yoder's interpretation as flawless Rather Nugent moves beyond summary to offer honest critique and substantial revision His constructive proposal which stands in fundamental continuity with the work of Yoder is likely to provoke thought from theologians biblical scholars and ethicists Even at points where readers disagree with some of his and Yoder's interpretations they will be challenged to explore new perspectives and rethink common assumptions concerning the diverse and often confusing issues that arise from sustained reflection on the Old Testament

Faith Seeking Understanding Daniel L. Migliore, 2004-06-14 Daniel Migliore's Faith Seeking Understanding has been a standard introduction to Christian theology for more than a decade The book's presentation of traditional doctrine in freshly contemporary ways its concern to hear and critically engage new voices in theology and its creative and accessible style have kept it one of the most stimulating balanced and readable guides to theology available This second edition of Faith Seeking Understanding features improvements from cover to cover Besides updating and expanding the entire text of the book Migliore has added two completely new chapters The first Confessing Jesus Christ in Context explores the unique contributions to Christian theology made by recent theologians working in the African American Asian American Latin American Hispanic feminist womanist and mujerista traditions The second new chapter The Finality of Jesus Christ and Religious Pluralism addresses the growing interest in the relationship of Christianity to other religions and their adherents Migliore's three delightful theological dialogues are followed by a new appendix an extensive glossary of theological terms making the book even more useful to students seeking to understand the history themes and challenges of Christian belief

Mission on the Road to Emmaus Cathy Ross, Steve Bevens, 2015-01-31 Cathy Ross and Steve Bevens are two of the biggest names in the study of mission and missiology worldwide Cathy is director of

OxCEPT at Ripon College Cuddesdon and Steve Bevans is teaching missiology at the Catholic Theological Union in Chicago. The contributors in the book consider mission through the lens of prophetic dialogue. The book consciously tries to bring a fresh approach introducing some newer themes: identity, creation, migration, and bringing a different perspective on some older themes by grouping them in this way. It is theological rather than issues based and involves both older and newer contributors. The book is aimed at scholars and students of missiology in the UK, the US, and worldwide. It is also a contribution to the study of world Christianity and contextual theology. Contributors include Jonny Baker, Kirsteen Kim, Gavin d Costa, Emma Wild, Wood Robert Schreiter, and S Mark Heim.

Freedom of Religion A. van de Beek, Eduardus van der Borght, Bernardus Vermeulen, 2010-10-15. The idea of freedom of religion was developed in Europe in the 16th and 17th century in the context of religious diversity as an alternative for religious wars. The concept requires reconsideration in the current globalized culture: religious plurality has increased as has the awareness of the religious potential for social cohesion and for sectarian division and violence. In this volume, legal experts, sociologists, theologians, and philosophers clarify the historical development of the concept and analyze the present situation in various countries with religious tensions. They propose possible models and solutions and discuss the fundamental question of whether the Western model of human rights with its separation of religion and state and freedom of religion can be conceived as universal.
