Elementary and Junior High/middle School Social Studies Curriculum, Activities, and

Materials James L. Barth, 1991 This book provides for teacher educators curriculum directors and classroom teachers a clear image of the field of social studies The image includes a rationale and definition goal skill objectives and content that one would practice with students K through 8 Teachers of special students particularly those working with multicultural and gifted and talented will find a variety of activities to fit special needs A chapter is included for each grade level with objectives activities and materials spiraled through expanding horizons *Content Matters* Leif Fearn, Eric Fearn, 2013-06-26 A critical question in social studies education is not whether teachers develop and teach units of study but what is in the units of study teachers develop and teach Curricular planning and instruction must focus on what we teach in the social studies classroom It is not uncommon for students to experience fine units about the westward movement and exit the fifth grade with little or no geographic literacy Most students leave middle school grades unable to name even one person who made a difference in the history of Indian people in the United States After three to five years of history classes high school students routinely self report that history is boring And it is the rare middle school graduate who knows how to use a free enterprise economy for his or her benefit This book explains the content of nine areas in social studies If teachers know what history biographical studies and the United States Constitution mean for instruction they can increase the probability of better focused content in their social studies instruction Social Studies for the Twenty-First Century Jack Zevin, 2013-08-21 Social Studies for the Twenty First Century Third Edition weaves theory curriculum methods and assessment into a comprehensive model to guide middle and secondary teachers in setting objectives planning lessons units and courses choosing classroom strategies and constructing tests for some of the field s most popular and enduring programs It offers practical interesting exciting ways to teach social studies and a multitude of instructional and professional resources for teachers The text includes separate chapters on teaching each of the major areas of the social studies curriculum Its reflective and integrative framework emphasizes building imagination insight and critical thinking into everyday classrooms encourages problem solving attitudes and behavior and provokes analysis reflection and debate Throughout the text all aspects of curriculum and instruction are viewed from a tripartite perspective that divides social studies instruction into didactic factual reflective analytical and affective judgmental components These three components are seen as supporting one another building the groundwork for taking stands on issues past and present At the center is the author s belief that the heart and soul of social studies instruction perhaps all teaching lies in stimulating the production of ideas looking at knowledge from others viewpoints and formulating for oneself a set of goals values and beliefs that can be explained and justified in open discussion New in the Third Edition Summaries of recent research particularly in history education that have been published since the last edition Increased attention to social studies standards as well as those for civics economics and history An enriched view of teaching history and social studies with a wide array of sources ranging from material objects through primary sources on to art music and literature Tightening of the text to make it shorter and more pointed including a

few provocative new ideas More and better organized ideas for classroom group and individual activities and cooperative learning Expanded appendices on instructional resources include the rapidly growing use of websites New visuals that are better integrated into the text and which teachers can use in their classrooms as lessons in visual literacy and Continued efforts to inject a bit of humor and self criticism into a field of education most students view as a sizeable trunk of dead and deadly facts Social Studies for the Twenty First Century Third Edition is a primary text for secondary and middle social studies methods courses *A Practical Guide to Middle and Secondary Social Studies* June R. Chapin, 2007 Following in the vein of her best selling elementary book June Chapin focuses on key topics that are critical to the teaching of social studies in the middle and secondary classrooms This brief practical book enables readers to concentrate on the crucial relevant strategies and content to become effective social studies teachers who will be able to teach in a wide diversity of classrooms The goal for the reader is to teach social studies creatively and thoughtfully so that their students become knowledgeable and responsible citizens acting on core values and beliefs **Assessing Middle and High School Social Studies & English** Sheryn Spencer-Waterman, 2013-10-02 For middle and high school teachers teachers of social studies and English this book is filled with examples of instructional strategies that address students readiness levels interests and learning preferences It shows teachers how to formatively assess their students by addressing differentiated learning targets Included are detailed examples of differentiated formative assessment schedules plus tips on how to collaborate with others to improve assessment processes Teachers will learn how to adjust instruction for the whole class for small groups and for individuals They will also uncover step by step procedures for creating their own lessons infused with opportunities to formatively assess students who participate in differentiated learning activities **Bring Learning Alive!** Ava Hayes, Sherry Owens, 2010 *Social Studies for Secondary Schools* Alan J. Singer, 2003-04-02 Social Studies for Secondary Schools Teaching to Learn Learning to Teach Second Edition integrates discussions of educational goals and the nature of history and social studies with practical ideas for organizing social studies curricula units lessons projects and activities A major theme woven throughout the text is that what we choose to teach and the way we teach reflect our broader understanding of society history and the purposes of social studies education Each chapter opens with a broad question about social studies education provides many examples of lessons including lesson ideas developed by new and experienced middle school and high school social studies teachers features a rich variety of teaching learning and classroom activities designed to provoke discussion and illustrate different approaches to teaching social studies and concludes with essays about related social studies topics Part I focuses on philosophical issues social studies goals and standards and the design of social studies curricula Part II examines and offers examples of strategies for planning units and lessons Part III explores topics such as thematic and interdisciplinary teaching a project approach to social studies as well as assesses student learning and one s own performance as a teacher and provides a guide to social studies resource materials and organizations New in the Second

Edition Every chapter has been updated and includes a number of new lesson ideas The lesson ideas are designed especially to help beginning teachers address learning standards work in inclusive settings and promote literacy and the use of technology in social studies classrooms Sample activities developed with members of the Hofstra New Teachers Network reflect the current focus on document based instruction and assessment and can serve as tools for assessing student learning Increased attention is given to project based social studies instruction and to multicultural education Intended as a text for undergraduate and graduate preservice social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice
