The Group Work Tradition and Social Work Practice

William Schwartz

The social work profession is one of the primary institutions designed to help people negotiate the complicated systems in which they live. Its efforts have followed three major impulses. The most prominent of these has been to deal with people individually, "case by case," working to remedy the psychological and social conditions that have brought their problems about. Theories of responsibility vary with the times—individual and social, moral, economic, and psychological—but in most instances those who seek help are seen as somehow personally inadequate, and the effort is made to render them more self-sufficient, psychologically stronger, less dependent on help from the outside. The worker-client relationship is intimate, confidential, and takes place on the professional's own ground. The client is carefully examined, and the condition "diagnosed"—in the adopted medical language—as a prelude to "treatment." The rationale for this thorough personal inquiry is today largely scientific, following the medical approach to illness. But the

Social Work Futures Essays Commemorating Twenty Five Years Of The Graduate School Work:

Social Work Futures Rutgers University. Graduate School of Social Work,1982-01-01 The Legacy of William Schwartz Alex Gitterman,Lawrence Shulman,2013-01-11 This fine volume celebrates William Schwartz s lasting contribution to teaching and scholarship and conveys the power of his ideas and their relevance to contemporary practice This volume serves as a tribute to William Schwartz whose writings have been a significant centerpiece in the literature of group work for many years The distinguished contributors celebrate his lasting contribution to teaching and scholarship A Quarter Century of Classics (1978-2004) Andrew Malekoff,Roselle Kurland,2005 A Quarter Century of Classics 1978 2004 presents the most compelling articles published in Social Work with Groups since the journal s inception in 1978 Culled from more than 100 issues the book captures the heart and spirit of group work and offers teachers and practitioners a solid foundation for group work theory and practice This best of the best collection includes seminal articles on group developmental theory the use of activities in group work group work with vulnerable populations differentiating group work from case work in a group and social action methods **Monthly Checklist of State Publications** Library of Congress. Exchange and Gift Division,1984 June and Dec issues contain listings of periodicals **Working from Strengths** David F. Fike,Barbara Rittner,1992 **Present and Future of Biblical Studies** Tat-siong Benny Liew,2018-07-17 What is the current state of the field known as biblical studies How will biblical studies continue to develop in this diverse globalized and digital age In this book a diverse group of scholars who are known for their innovative practice of biblical interpretation come together to celebrate the 25th anniversary of the critically acclaimed journal Biblical Interpretation by sharing their thoughts on and questions about the assumptions practices and parameters of biblical studies as well as their desires and fears about its disciplinary future Covering a wide range of topics geographical regions resources understandings and viewpoints this exceptional collection of essays will make you and help you rethink the conventions and convictions of biblical studies as an academic discipline **Bulletin of the Atomic Scientists** ,1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Bulletin of the Atomic Scientists** ,1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Unity** ,1889 Sociological Abstracts Leo P. Chall,1988 **What Democracy Is For** Stein Ringen,2009-03-09 In this provocative book Stein Ringen argues that the world s democracies are failing to live up to their ideals the United States and Great Britain most especially The core value of democracy he contends is freedom the freedom to live a good life according to one s own choosing Yet he shows that democracy s freedom is on the decline Citizens are increasingly distrustful of political systems weighted by money and they don t participate in political affairs as they once did

Ringen warns of the risks we face if this trend continues and puts forth an ambitious proposal for democratic reforms. The issues that concern him are ones that should concern us all. They include education, poverty, the social and economic roles of families, the lack of democracy in our economic lives, and the need to rejuvenate municipal democracy. Along the way, Ringen proposes policy solutions aimed at restoring democracy, such as universal vouchers for education, substituting the principle of individual insurance for social welfare pensions, and rethinking how we measure poverty in rich and poor countries. He calls for the revival of local democracy, a democratically grounded global economy, and the protection of political democracy from the transgressions of economic power. The way to protect democracy is not to cheer it but to reform it. What Democracy Is For offers a bold defense of democratic ideals grounded in real reforms. **The Chautauquan**, 1885 **The Christian Advocate**, 1904

Atlanta Magazine, 2003-03. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region. Ebony, 2006-09. EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American focused magazine. **Resources in Education**, 1998

The Future of Indian Universities. C. Raj Kumar, 2018-02-15. At a time of social, political, and economic shifts across the world, India is faced with the pivotal challenge of addressing the state of its universities. In a region that was home to the leading higher learning institutions during ancient times, the descent in the quality of higher education offered by modern India's universities is yet to create the desired impact. To be effective, universities will need to create institutional ecosystems that are reflective of the complex and interconnected worlds their graduates will live in. India's extraordinary demographic profile creates a compelling need for its universities to reimagine their roles. The contributors in this volume argue for fundamental reforms to bring about a renewed sense of purpose. The chapters are authored by leading scholars in the fields of law, management, educational theory, liberal arts, international relations, and science and technology, and reflect the multiple approaches necessary to address the most difficult challenges in our times. The volume provides international and comparative perspectives on higher education and will be immensely useful in highlighting issues being faced by Indian universities. *The Athenaeum*, 1871 *Athenaeum and London Literary Chronicle*, 1871 **New York Magazine**, 1995-11-13. New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made

a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
