Pakistan Shahid Javed Burki, 2018-02-23 Although it achieved independence in 1947 Pakistan still has not succeeded in integrating its diverse peoples into a nation as its short

yet turbulent history vividly demonstrates The nation's search for stability is traced in this revised and updated introduction to Pakistan's political economic and social development New chapters detail political developments since 1991 including the elections of 1993 and 1996 Economic changes including the financial crisis that led to the fall of Benazir Bhutto's government in 1996 are given particular attention Also included is an extensive analysis of the nuclear arms race between India and Pakistan an issue of global concern

Civil Society and Pakistan's Economy Fayyaz Baqir, 2023-03-17 This book analyses the paradoxes of Pakistan's economy meritocratic domestic policy and the role of the state and the civil society It argues that the transition in the country's foreign policy from geo politics to geo economic depends on a fundamental domestic policy transition from kleptocracy to meritocracy Civil Society and Pakistan's Economy discusses how the prevalence of rent seeking practices has undermined merit based practices by increasing the cost of doing business and converting public loss into private profit by awarding inappropriate subsidies and imposing regressive taxes The analyses are supported by describing the instruments and mechanisms used for rent seeking practices and the creation of public awareness of options available to change these practices through citizen's action and civil society engagement The book also shows the path of transformation and the role of participation and argues that aspiring for and capturing power is not the only way to transform Pakistan A novel analysis depicting macro micro linkages of encroachment of socio economic space by the power elites and effective strategies used for its reappropriation by the people the book will be of interest to academics researching South Asian Studies in particular South Asian economics and politics

Pakistan C. Christine Fair, 2010 Describing Pakistan's likely future course this book seeks to inform U S efforts to achieve an effective foreign policy strategy toward the country The book forms an empirical analysis of developments in Pakistan and an assessment of the effectiveness of U S policy as of August 2009 Drawing on interviews of elites polling data and statistical data on Pakistan's armed forces the book presents a political and political military analysis Primary data and analyses from Pakistanis and international economic organizations are used in the book's demographic and economic analyses The book assesses Pakistan's own policies based on similar sources on government documents and on the author's close reading of the assessments of several outside observers The book also discusses U S policy regarding Pakistan which was based on interviews with U S policymakers and on U S policy documents The policy recommendations are based on an assessment of the findings in all these areas The book concludes with a number of recommendations for the U S government and the U S Air Force concerning how the United States could forge a broad yet effective relationship with this complicated state Publisher description

Labour Administration Asian and Pacific Regional Centre for Labour Administration, 1988 Pakistan: From the Rhetoric of Democracy to the Rise of Militancy Ravi Kalia, 2012-08-21 The essays in this volume address the central theme of Pakistan's enduring yet elusive quest for democracy The book charts Pakistan's struggle from its very inception at least in the political rhetoric provided by both civilian and military leaders for democracy liberalism freedom of expression

inclusiveness of minorities and even secularism At the same time it demonstrates how in practice the country has continued to drift towards increasingly brittle authoritarianism religious extremism and intolerance of minorities both Muslim and non Muslim This chasm between animated political rhetoric and grim political reality has baffled the world as much as Pakistanis themselves In this volume scholars and practitioners of statecraft from around the world have sought to explain the dichotomy that exists between the rhetoric and the reality Crucial areas such as Pakistan s troubled status as a theocracy its relationship with the US the position of women and their quest for empowerment the Mujahir Qaumi movement the sharp class divide that has led to an elitist political culture and finally an erudite discussion of the popular topic Jinnah s vision of Pakistan are the focus of this book This volume will be of interest to scholars of history political science international relations sociology anthropology and urban planning policy makers and think tanks as well as the wider reading public curious about South Asia The Political Economy of the China-Pakistan Economic Corridor Bai Gao,Zhihong

Zhen,2023-04-23 This book explores the political economy of China Pakistan economic corridor a major pilot project for China s One Belt One Road initiatives Pakistan will provide China with not only a pathway access to the Indian Ocean Middle East and Africa but also vital connections to the Trans Asia railway network that links Southeast Asia South Asia and West Asia This book analyzes how domestic factors in Pakistan will affect China s 46 billion investments It will be of interest to scholars policymakers and journalists **Developing Sustainable Agriculture in Pakistan** Iqrar Ahmad

Khan,Muhammad Sarwar Khan,2018-04-17 Agriculture plays a pivotal role in the economy and development of Pakistan providing food to consumers raw materials to industries and a market for industrial goods Unfortunately agricultural production is stagnant due to several barriers including a fixed cropping pattern reliance on a few major crops a narrow genetic pool poor seed quality and a changing climate In addition the high cost of production weak phytosanitary compliance mechanisms and a lack of cold chain facilities makes Pakistan agriculturally uncompetitive in export markets Despite all these issues agriculture is the primary industry in Pakistan and small farmers continue to dominate the business Small farmers grow crops for subsistence under a fixed cropping pattern and a holistic approach is required to develop agriculture to improve the livelihoods of the rural populace This book presents an exhaustive look at agriculture in Pakistan Chapters provide critical analyses of present trends inadequacies in agriculture strategic planning improvement programs and policies while keeping in view the natural resources plant and animal related agricultural production technologies input supplies population planning migration and poverty and balanced policies on finance credit marketing and trade **The State and**

NGOs Shinichi Shigetomi,2002 This volume examines the state NGO relationships in fifteen Asian countries **Changing Roles of NGOs in the Creation, Storage, and Dissemination of Information in Developing Countries** Steve W. Witt,2006 Non governmental organizations NGOs are growing exponentially In 1993 the Yearbook of International Organizations listed 16 000 internationally recognized NGOs By 2004 this number was 63 000 With this increase comes a

staggering growth in the activities and intellectual output of NGOs working on a local and international level As the mission of both libraries and NGOs increasingly intersect these organizations must collaborate to provide essential services that revolve around the creation dissemination and storage of information This volume s eight essays focus on collaborative work between NGOs and libraries in the study and resolution of global issues ranging from AIDS to food security and social transformation State & NGOs Shinichi Shigetomi,2003-08-01 There is already much literature on the significance of NGOs in the development process However there has been little discussion on why the NGOs take on different forms in different countries This volume examines the state NGO relationships in fifteen countries It is not however a pot pourri of country reports All the contributors use the same analytical framework and focus on the key concept of e economic and political spacee for NGOs Readers will find that the analysis of the various NGO forms is well synthesized in this volume
