Social Problems Notable American Authors:

Social Problems Henry George, 2013-03-01 Bonded Leather binding **A dictionary of American authors** Oscar Fay Adams, 2025-03-02 In *A Dictionary of American Authors* Oscar Fay Adams presents a comprehensive reference work that meticulously catalogues the lives and contributions of significant American writers from various genres and eras. The book is characterized by its scholarly rigor and accessible prose, making it an invaluable resource for students, educators, and literary enthusiasts alike. Adams's entries provide not only biographical details but also critical context on each author's works and influence, thereby situating them within the broader tapestry of American literary history. The dictionary reflects a diverse literary landscape encompassing both canonical figures and those marginalized in mainstream discourse, broadening the scope of American literature. Oscar Fay Adams was an accomplished author and critic deeply immersed in the literary culture of his time. His experiences and academic background informed his mission to document American literary figures accurately and comprehensively. Adams's own contributions to literature and criticism illuminate his desire to foster a greater appreciation for American authors, demonstrating a commitment to elevating diverse voices within the literary canon. This indispensable reference is highly recommended for anyone seeking to deepen their understanding of American literature. *A Dictionary of American Authors* serves not only as a foundational text for literary studies but also as a guide for readers wishing to explore the myriad voices that have shaped the American narrative. **Social Problems in a Free Society** Myles J. Kelleher, 2004-09-02 The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems. This book calls for the rethinking of the culture of social, political, and economic liberty to create a resurgence of a sociological agenda. *Social Problems in a Free Society* offers an original perspective on social problems such as violations of the principles of individual rights and the free market. This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory. **Social Problems and Social Movements** James DeFronzo, Jungyun Gill, 2019-03-20 Intended as the primary text for a social problems course, DeFronzo and Gill's *Social Problems and Social Movements* stresses the need for collective action and social movements to solve social problems. Both instructors and students will find this a useful framework in which to view today's most pressing social issues. Chapter 1 introduces the topic of social problems. Chapter 2 explains how social movements address social problems and describes sociological explanations for the development of social movements. Chapter 3 describes the power frameworks that participants in social movements must deal with in order to achieve success. Each following chapter presents overviews of social problems and provides examples of how working together can bring about positive change. Social Movements and Special Topics boxes provide information on aspects of specific social problems as well as how people organize and work together to solve them. **The American Elite and Sociologist** *Blue Book, Progressive Americans, Prominent in the Social, Industrial and Financial World* Thomas

William Herringshaw,1922 **Young Adult Fiction by African American Writers, 1968-1993** Deborah Kutenplon, Ellen Olmstead, 2014-04-08 Comprehensive and up to date The first contemporary publication to go beyond examining broad themes and trends in the field this timely volume looks closely at specific authors and texts The book is comprehensive and as current as possible covering works by African American authors for young adults published between 1968 1993 some 200 titles by close to 50 writers In addition to established authors and bestselling titles the coverage includes material overlooked by previous studies such as works from small presses and talented new authors Guidelines for evaluation An extensive introduction reviews important milestones in this body of literature and analyzes noteworthy bibliographical and critical publications about such writing It includes suggested guidelines for evaluating a work in terms of its direct and indirect treatment of such issues as race gender class ability age sexuality and sexual orientation The book also offers specific guidance for determining the appropriate readership for a work with regard to age and gender Unusually extensive annotations The main body of the book is an annotated bibliography alphabetical by author with the works arranged chronologically by publication date The annotations are much more extensive than those in other bibliographies Each annotation reads more like a full length book review and is from one to two pages long and explores themes plot and character development evaluates the quality of the writing judges the handling of issues of race class and gender and provides a readership recommendation Written in accessible language this user friendly book presents a wide range of factual information evaluations and analyses It is a valuable tool for all teachers librarians counselors and young adults

Who's who Among North American Authors ,1921 Covering the United States and Canada with their possessions and neighbors and containing the biographical and literary data of living authors whose birth or activities connect them with the continent of North America with a press section devoted to journalists and magazine writers varies slightly **Penal Exceptionalism?** Thomas Ugelvik, Jane Dullum, 2011-07-29 In the growing field of comparative criminal justice the Nordic countries are regularly used as exceptions to the global move towards growing rates of imprisonment and tougher less welfare oriented crime control policies Why are the Nordic penal institutions viewed as so different from a non Nordic vantage point Are Nordic prisons and penal policies in fact positive exceptions to the general rule If they are what exactly are the exceptional qualities and why are the Nordic societies lucky enough to have them Are there important overlooked examples of Nordic bad practice in the penal area Could there be a specifically Nordic way of doing prison research contributing to the gap between internal and external perspectives In considering among others the above questions this book explores and discusses the Nordic jurisdictions as contexts for the specific penal policies and practices that may or may not be described as exceptional Written by leading prison scholars from the Nordic countries as well as selected researchers from the English speaking world looking in this book will be particularly useful for students of criminology and practitioners across the Nordic countries but also of relevance in a wider geographical context *History of Humanity*

UNESCO,2008-12-31 This is the seventh and final volume in this comprehensive guide to the history of world cultures throughout historical times **New Jersey Library Bulletin** ,1911 **Standard Catalog for High School Libraries** ,1928 The 1st ed accompanied by a list of Library of Congress card numbers for books except fiction pamphlets etc which are included in the 1st ed and its supplement 1926 29 *Global Agenda for Social Justice 2* Glenn W. Muschert,Kristen M. Budd,Heather Dillaway,David C. Lane,Manjusha Nair,Jason A. Smith,2022-09-06 The *Global Agenda for Social Justice* provides accessible insights into some of the world s most pressing social problems and proposes practicable international public policy responses to those problems Written by a highly respected team of authors brought together by the Society for the Study of Social Problems SSSP chapters examine topics such as education violence discrimination substance abuse public health and environment The volume provides recommendations for action by governing officials policy makers and the public around key issues of social justice The book will be of interest to scholars practitioners advocates journalists and students interested in public sociology the study of social problems and the pursuit of social justice **Thinking About Social Problems** Donileen Loseke,2017-07-05 The new second edition of this distinctive and widely adopted textbook brings into the classroom an overview of how images of social problems can shape not only public policy and social services but also the ways in which we make sense of ourselves and others It introduces two primary changes First some attention is devoted to the new social movements that emphasize social change through identity transformation rather than through structural change Second the text now also looks more closely at the importance of emotions in constructing public consciousness of social problems When the first edition was published Teaching Sociology noted Loseke does a superb job explaining the relationship between sociology and social problems in a text that is very well research and engaging yet with tremendous attention to detail and accuracy W ould provide a solid base for any social problems class Contemporary Sociology wrote that the book is engagingly well written in a personal unpretentious style and well informed by the author s knowledge of the professional literature **The Publishers Weekly** ,1887 **King Arthur in America** Alan Lupack,Barbara Tapa Lupack,1999 *King Arthur in America* analyzes the tremendous appeal of the Arthurian legends in America by examining the ways that Americans have found to democratize the Matter of Britain and to incorporate aspects of it not only into America s own mythologies but also into literature film social history and popular culture **Inventing the Holy Land** Stephanie Stidham Rogers,2011-01-06 This book presents a historical study of the phenomenon of Holy Land tourism among American Protestants during the second half of the nineteenth century and the early twentieth century During this period overseas travel was newly available to the Protestant middle class due to the invention and steady popularization of steamship travel Protestants at home in America consumed vast quantities of printed literature via the popular medium of Holy Land pilgrimage narratives A new mental geography resulted in which Americans forged a fresh awareness of the Middle East and began to focus millennial hopes upon the political and social concept of a Jewish remnant of the last days in a Protestant

theological and historical framework Protestant support for Zionism was born What surfaces from the study of hundreds of pilgrimage narratives from this period is the emergence of Palestine as an iconic place for American Protestants Through pilgrimage narratives American Protestant s understanding of Palestinians biblical authority the power of the Protestant press the historicity of the Christian faith an millennial expectations were formed as the meaning of the Holy Land was constructed Findings from the pilgrimage narratives also indicate the importance of Palestine among Protestants as a fifth gospel written in stone The pilgrim s eastward gaze drew a distant biblical past into sharper focus and fueled the fires of premillennialism a movement that would leave an enduring stamp upon American religion and politics **New Generation**

,1924 **Polish American History before 1939** Adam Walaszek,2023-09-20 The history of private lives of the first and second generations of Polish immigrants in the United States is viewed from the perspective of migrants themselves What did the migrants do How did they behave How protagonists men women children with their own words presented their experience Their experience is compared with one of the other groups The book discusses migration processes formation of neighborhoods experiences at work daily and family lives functioning of parishes and tensions related to it and construction of people s identities and their constant reformulations Migrants created mutual aid societies which played not only economic but also ideological and political roles Experiences of immigrants children at home and at school are presented mostly in their own words and from their own perspective Cultural activities reflect constant changes of groups self identity The book also depicts the relations between the Polish migrants and members of other ethnic groups in the streets public spaces politics and within the Catholic church People lived in pluri cultural culturally diverse contexts and thus relations with the others were complex The panorama ended in the year 1939 when after the Great Depression the group entered into a new period of transformation during the war **America** ,1916 *Computer Supported Collaborative Learning 2005*

Timothy Koschmann,2017-10-03 The Computer Supported Collaborative Learning CSCL conference has become an internationally recognized forum for the exchange of research findings related to learning in the context of collaborative activity and the exploration of how such learning might be augmented through technology This text is the proceedings from CSCL 2005 held in Taipei Taiwan This conference marked the 10th anniversary of the first CSCL Conference held at Indiana University in 1995 Subsequent meetings have been held at the University of Toronto Stanford University University of Maastricht Netherlands University of Colorado at Boulder and the University of Bergen Norway Just as the first CSCL conference was instrumental in shaping the trajectory of the field in its first decade the conference in Taipei will play an important role in consolidating an increasingly international and interdisciplinary community and defining the direction of the field for the next 10 years This volume and the papers from which it is comprised will be an important resource for those active in this area of research and for others interested in fostering learning in settings of collaboration

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Social Problems Notable American Authors**

In some sort of inundated with screens and the cacophony of quick conversation, the profound energy and mental resonance of verbal artistry often diminish into obscurity, eclipsed by the continuous onslaught of noise and distractions. Yet, located within the musical pages of **Social Problems Notable American Authors**, a fascinating work of fictional elegance that pulses with organic feelings, lies an wonderful trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, this magical opus books readers on a mental odyssey, gently exposing the latent potential and profound influence embedded within the elaborate web of language. Within the heart-wrenching expanse of this evocative analysis, we will embark upon an introspective exploration of the book is key subjects, dissect their fascinating writing fashion, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
