Social Work Practice Francis Joseph Turner,2002 Appropriate for social work courses at the university level or community services programs in colleges Social Work Practice A Canadian Perspective Second Edition is intended to complement Turner s book Social Welfare in Canada The collection presents a broad based introduction to the principles of social work practice with chapters written by expert practitioners and scholars from across Canada The following four new chapters have been added to the second edition Spirituality in Social Work Practice International and Globalization Factors in Canadian Social Work Practice Mediation in Social Work Practice and Record Keeping in Social Work Practice Twenty six of the original forty four chapters have also been revised and updated references have been added where possible Finally the text has been reorganized into ten new parts to emphasis the link between social work theory and practice **Canadian Perspectives on Community Development** Sarah Todd,Sébastien Savard,2020-03-03 Founded in a perspective that speaks to the diversity of contexts and processes used across Canada this work is nevertheless firmly grounded in theory offering an in depth analysis geared toward advanced study in community practice This depth is further strengthened by the diversity of topics represented in this collective work community work in various regions of the country exploring issues of poverty and environmental activism community work with immigrants and refugees and with trans communities feminist community organizing as well as organizing with persons with disabilities and with members of linguistic communities and finally artsbased community work with the elderly This book is published in English S il refl te une diversit de contextes et de processus mis en oeuvre partout au Canada cet ouvrage est toutefois fermement ancr dans la th orie convenant aux tudes avanc es en pratique communautaire La diversit des sujets que propose cet ouvrage collectif est d un int r t particulier qu il s agisse du travail communautaire dans diverses r gions du pays explorant les questions de la pauvret et de l activisme environnemental le travail communautaire aupr s des immigrants et des r fugi s et avec les communaut s de personnes trans l organisation de la communaut f ministe ainsi que celle des personnes handicap es ou celle des membres de communaut s linguistiques et enfin le travail communautaire ax sur les arts aupr s des personnes g es Ce livre est publi en anglais

Canadian Social Policy Anne Westhues,2006-09-20 The objective of this new edition is the same as that of previous editions to help students understand social policy from a Canadian perspective and to stir them to discussion and debate Part One provides a general overview of social policy and Part Two discusses the policy making processes from the international

factors that influence them to the ways in which a social worker can become part of this process Part Three focuses on current social policy issues and Part Four offers a look to the future Each chapter of this best selling book has been thoroughly updated for this new edition with regard to current policy debated issues and resources cited Three new chapters have been added including an overview of adult mental health policy and a critical look at risk assessment in child welfare There is also a discussion of current challenges to the Charter of Rights and Canadians increasing use of the justice system to shape social policy As a result the reader gains an informed perspective of policy development and evaluation Although designed primarily for use by social workers the book will benefit anyone who is involved in the policy making process

101 Social Work Clinical Techniques Francis J. Turner, 2013-06-06 This book addresses the concept of Technique and its place in contemporary practice of Social Work It does so by reviewing the concept of technique analyzing the necessary component parts of a definition formulating a definition then presenting a discussion of the nature and use of 101 Techniques for Clinical Social Work practice

The Evidence-Based Internship Barbara Thomlison, Kevin J. Corcoran, 2008 This book is intended for use in any professional program that has a practicum or internship Chief among those are social work criminal justice psychology and even psychiatry In addition the book is a supplementary text for field seminars practice methods courses or any course introducing students to the helping process The primary purpose of the book is to offer students an overview of the knowledge and skills needed to become competent and confident professional practitioners The evidence based framework of the book will teach students to apply science to real life problems in the practicum or internship The authors identify best practices for positive client outcomes and for a successful student practicum or internship experience by selecting essential knowledge and skills for learning The book is a resource guide with applied learning activities to assist students during the field experience

Social Work Practice in Remote Communities Glen Gerald Schmidt,

Animals in Social Work T. Ryan, 2014-10-09 This collection of essays articulates theoretical and philosophical arguments and advances practical applications as to why animals ought to matter to social work in and of themselves It serves as a persuasive corrective to the current invisibility of animals in contemporary social work practice and thought

Emerging Perspectives on Anti-oppressive Practice Canadian Association of Schools of Social Work. Meeting, Wes Shera, 2003 This book consists of 27 chapters developed from papers originally delivered at a recent conference at the University of Toronto on anti oppressive practice in social work Dr Shera has gathered expert contributors to discuss define and analyse theories of social work practice pedagogical issues fieldwork practice models of education of social work practitioners and current critical issues These selected conference papers lay the groundwork for anti oppressive practice in a way that will generate discussion and inspire researchers and practitioners

Encyclopedia of Social Welfare History in North America John M. Herrick, Paul H. Stuart, 2005 This encyclopedia provides readers with basic information about the history of social welfare in Canada Mexico and the United States The intent of the encyclopedia is to provide readers with

information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments

Doing Anti-Oppressive Practice, Third Edition Donna Baines, 2020-05-06T00:00:00Z This updated third edition of the immensely popular *Doing Anti Oppressive Practice* introduces students to anti oppressive social work its historical and theoretical roots and the specific contexts of anti oppressive social work practice Key to this practice is the understanding that the problems faced by an individual are rooted in the inequalities and oppression of the socio political structure of society rather than in personal characteristics or individual choices Moreover the contributors show that social justice and social change working against racism sexism and class oppression can and must be a key component of social work practice Drawing on concrete examples from specific practice contexts personal experience and case work including child welfare poverty mental health addictions and disability the contributors demonstrate how to translate social justice theory into everyday practice This new edition adds chapters on working with refugee immigrant and racialized families children older adults cognitive behavioural therapy and using social media as a tool for social change

Decolonizing Social Work Mel Gray, John Coates, Michael Yellow Bird, Tiani Hetherington, 2016-05-13 Riding on the success of *Indigenous Social Work Around the World* this book provides case studies to further scholarship on decolonization a major analytical and activist paradigm among many of the world's Indigenous Peoples including educators tribal leaders activists scholars politicians and citizens at the grassroots level Decolonization seeks to weaken the effects of colonialism and create opportunities to promote traditional practices in contemporary settings Establishing language and cultural programs honouring land claims teaching Indigenous history science and ways of knowing self esteem programs celebrating ceremonies restoring traditional parenting approaches tribal rites of passage traditional foods and helping and healing using tribal approaches are central to decolonization These insights are brought to the arena of international social work still dominated by western based approaches Decolonization draws attention to the effects of globalization and the universalization of education methods of practice and international development that fail to embrace and recognize local knowledges and methods In this volume Indigenous and non Indigenous social work scholars examine local cultures beliefs values and practices as central to decolonization Supported by a growing interest in spirituality and ecological awareness in international social work they interrogate trends issues and debates in Indigenous social work theory practice methods and education models including a section on Indigenous research approaches The diversity of perspectives decolonizing methodologies and the shared struggle to provide effective professional social work interventions is reflected in the international nature of the subject matter and in the mix of contributors who write from their contexts in different countries and cultures including Australia Canada Cuba Japan Jordan Mexico New Zealand South Africa and the USA

Spirituality and Social Work Dr. Veda C.V, Mrs. Anitha.S, 2021-06-10

One Hundred Years of Social Work Therese Jennissen, Colleen

Lundy, 2011-02-17 *One Hundred Years of Social Work* is the first comprehensive history of social work as a profession in English Canada. Organized chronologically, it provides a critical and compelling look at the internal struggles and debates in the social work profession over the course of a century and investigates the responses of social workers to several important events. A central theme in the book is the long-standing struggle of the professional association, the Canadian Association of Social Workers, and individual social workers to reconcile advancement of professional status with the promotion of social action. The book chronicles the early history of the secularization and professionalization of social work and examines social workers' roles during both world wars, the Depression, and in the era of postwar reconstruction. It includes sections on civil defence, the Cold War, unionization, social work education, regulation of the profession, and other key developments up to the end of the twentieth century. Drawing on extensive archival research as well as personal interviews and secondary literature, the authors provide strong academic evidence of a profession that has endured many important changes and continues to advocate for a just society and a responsive social welfare state. *One Hundred Years of Social Work* will be of interest to social workers, social work students and educators, social historians, professional associations, and anyone interested in understanding the complex nature of people and institutions.

Spirituality in Social Work and Education Janet Groen, Diana Coholic, John R. Graham, 2013-01-24 Over the past ten years, the fields of social work and education have grappled separately with definitions of spirituality, ways to integrate spirituality into the classroom, and the rendering of spirituality as a meaningful concept for practitioners, students, and researchers. Social work and education have many commonalities in areas of engagement with children, families, and communities. For the first time, this book brings together these two professional disciplines for interdisciplinary discussions that advance our knowledge in the broad area of spirituality. The book's three sections reflect broad topic areas created to facilitate dialogue between the contributors, all of whom have established expertise in exploring spirituality in education or social work. The first section of the book explores the historical and theoretical underpinnings of spirituality in education and social work. Examination of our respective heritages uncovers the religious roots within our professions and reveals a present understanding of spirituality that calls for active engagement in challenging oppression and working toward social justice. The second section shifts the focus to the pedagogical implications of incorporating spirituality into higher education classrooms. The varied level of acceptance and the tensions that come from including spirituality implicitly or explicitly in the programs and coursework in our respective faculties are illuminated by authors in both professions. The final section explores issues related to practising and teaching in the field from a spiritually sensitive perspective.

Enjoying the Track of Expression: An Psychological Symphony within **Social Work Practice A Canadian Perspective**

In a global taken by monitors and the ceaseless chatter of fast conversation, the melodic elegance and mental symphony produced by the published word often disappear into the backdrop, eclipsed by the persistent noise and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Social Work Practice A Canadian Perspective** a stunning literary prize filled with organic emotions, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, that captivating masterpiece conducts viewers on a mental journey, skillfully unraveling the hidden tunes and profound influence resonating within each carefully constructed phrase. Within the depths with this poignant analysis, we will explore the book is central harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
