Social Work Practice With Minorities:

Social Work with Minority Groups Prospera Tadam, 2021-09-28 This book brings together several valuable papers from different parts of the world addressing social work with minorities in the areas of disability sexuality race and ethnicity Collectively these make an important contribution to developing theory and practice awareness of how social work education with minority groups is framed evidenced and experienced The perspectives and different strands of work presented within this book offer new insights and a better understanding of how a diverse set of social justice issues confronting social work education have led to the development of different types of interventions both in the classroom and in practice contexts The chapters in this book were originally published as a special issue of the journal Social Work Education Social Work Practice with African Americans in Urban Environments Halaevalu F.O. Vakalahi, Rhonda Wells-Wilbon, Anna R. McPhatter, 2015-09-08 The experiences of African Americans in urban communities are distinct from those of other ethnic groups and to be truly understood require an in depth appreciation of the interface between micro and macro level factors This sweeping text an outgrowth of a groundbreaking urban social work curriculum focuses exclusively on the African American experience through field education community engagement and practice It presents a framework for urban social work practice that encompasses a deep understanding of the challenges faced by this community From a perspective based on empowerment strengths and resilience cultural competence and multi culturalism the book delivers proven strategies for social work practice with the urban African American population It facilitates the development of creative thinking skills and the ability to meet people where they are skills that are often necessary for true transformation to take root The book describes an overarching framework for understanding and practicing urban social work including definitions and theories that have critical implications for working with people in such communities It encompasses the contributions of African American pioneers regarding a response to such challenges as poverty oppression and racism Focusing on the theory practice and policy aspects of urban social work the book examines specific subsets of the urban African American population including children adults families and older adults It addresses the challenges of urban social work in relation to public health health and mental health substance abuse criminal justice and violence prevention Additionally the book discusses how to navigate the urban built environment and the intersection between African Americans and other diverse groups Chapters include outcome measures of effectiveness case studies review questions suggested activities and supplemental readings Key Features Fills a void in the literature on urban social work practice with African Americans Presents the outgrowth of a renowned urban curriculum field education research community engagement and practice Fulfills the requirements of the CSWE in the Educational Policy and Accreditation Standards regarding diversity Synthesizes micro mezzo and macro content in each chapter Provides contributions from African American pioneers in urban social work practice Ethnicity and Social Work Practice Carole B. Cox, Paul H. Ephross, 1997-08-28 Ethnicity and Social Work Practice

offers a broad conceptual model of ethnic identity which enables social workers to practice effectively with clients of all ethnic and racial groups This book fills a major gap in the literature on social work and ethnicity It presents ethnicity in an innovative way focusing on its many dimensions in relation to social work practice It addresses all areas of social work individuals families groups and communities and includes separate chapters on social services health care and social planning and policy development

Social Work Practice with Minorities David R. Burgest,1989-11 This revised edition provides social work educators and students with the latest in theory and practice on social work with minorities updating the research and materials on race ethnicity and culture In almost thirty articles over twenty contributors represent varied racial and ethnic groups in America

Social Work and Minorities R.D. Johnson Mark, Haluk Soydan, Charlotte Williams,2002-01-31 Social Work and Minorities examines the new challenges presented to Social Workers throughout Europe by the complex problems occasioned by increased migration and settlement and the growing awareness of the specific needs of refugees and asylum seekers Contributors use illustrative examples from throughout Europe to examine key concepts such as globalization assimilation visibility multi culturalism racism marginalization and social exclusion Social Work and Minorities will be an essential resource for social work students practitioners and educators working with migrant communities throughout Europe

Multicultural Social Work Practice Derald Wing Sue, Mikal N. Rasheed, Janice Matthews Rasheed,2015-12-18 A thorough exploration of diversity and social justice within the field of social work Multicultural Social Work Practice A Competency Based Approach to Diversity and Social Justice 2nd Edition has been aligned with the Council on Social Work Education's 2015 Educational Policy and Standards and incorporates the National Association of Social Workers Standards of Cultural Competence New chapters focus on theoretical perspectives of critical race theory microaggressions and changing societal attitudes and evidence based practice on research supported approaches for understanding the influence of cultural differences on the social work practice The second edition includes an expanded discussion of religion and spirituality and addresses emerging issues affecting diverse populations such as women in the military Additionally Implications for Multicultural Social Work Practice at the end of each chapter assist you in applying the information you have learned Multicultural Social Work Practice 2nd Edition provides access to important guidance regarding culturally sensitive social work practice including the sociopolitical and social justice aspects of effective work in this field This thoroughly revised edition incorporates new content and pedagogical features including Theoretical frameworks for multicultural social work practice Microaggressions in social work practice Evidence based multicultural social work practice New chapter overviews learning objectives and reflection questions Multicultural Social Work Practice 2nd Edition is an integral guide for students and aspiring social workers who want to engage in diversity and difference

Social Work Practice & People of Color Doman Lum,1992 *Social Work Research with Minority and Oppressed Populations* Miriam Potocky, Antoinette Y Rodgers Farmer,2014-02-04 Learn the latest and most effective strategies and

ideas so you can accurately research oppressed and minority populations Social Work with Minority and Oppressed Populations Methodological Issues and Innovations provides social workers social work researchers and graduate students with new methodologies for researching topics related to minority and oppressed populations You will learn how to conduct research with such special populations as ethnic and racial minorities elders women and gay and bisexual men utilizing proven techniques that will yield more precise data and help retain participants in the research program A must for anyone involved in the field of social work Social Work with Minority and Oppressed Populations tackles the unique challenges you may face in conducting research with cross culture populations This valuable text offers innovative and practical techniques for this type of research including methodological issues addressed within the framework of operationalization and conceptualization measurement research design data collection and data analysis how using the anonymous enrollment technique can be applied to intervention research to engage and retain respondents in case studies how Rasch Analysis a statistical method may discern differences in the subjective experiences of members of different racial groups specific examples of how constituent involvement in research projects enhances access to respondents and increases the validity of data why social work practitioners as well as social work researchers must evaluate their knowledge attitudes and skills when dealing with cross cultural populations Discussions on ethical and political issues This compilation of research on methodological issues not only introduces you to new techniques for working with oppressed or minority populations but also creates new questions and areas of study such as how to develop culture specific instruments that better measure depression and its expression among African American and white populations Social Work with Minority and Oppressed Populations will provide you with the correct methods and strategies to research cross culture populations and enable you to address specific problems that different ethnic groups and minorities face

Encyclopedia of Canadian Social Work Francis J.

Turner, 2009-07-23 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The Encyclopedia of Canadian Social Work fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries The Encyclopedia of Canadian Social Work will be an important source of information both to Canadians and to interested groups around the world The Encyclopedia of Canadian Social Work is available in e book version by subscription

or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary

Transformative Social Work Practice Erik M.P. Schott, Eugenia L. Weiss, 2015-08-24 Transformative Social Work Practice presents an innovative and integrative approach towards critically reflective practice with an interweaving of micro mezzo and macro applications to real world demands The authors explore issues commonly addressed by social workers including health mental health addictions schools and family and community violence while challenging assumptions and promoting ethically driven evidence based practice perspectives to advocate for social justice and reduce disparities The book is about redefining social work practice to meet the current and complex needs of diverse and vulnerable individuals families and communities in order to enhance their strengths in an era of unprecedented technological growth globalization and change
