

Society For Old Testament Studylist 2003

Peter R. Ackroyd

Society For Old Testament Studylist 2003:

Old Testament Studies Society for Old Testament study (Londres), 19?? **Old Testament Theology** John Goldingay, 2010-02-09 In this third volume of his critically acclaimed Old Testament Theology John Goldingay explores the Old Testament vision of Israel's life before God The first volume focused on the story of God's dealings with Israel or Israel's gospel The second volume investigated the beliefs of Israel or Israel's faith Now the spotlight falls on the Old Testament's perspective on the life that Israel should live in its present and future including its worship prayer and spirituality as well as its practices attitudes and ethics before God The Old Testament and Modern Study; a Generation of Discovery and Research. Essays by Members of the Society for Old Testament Study. Edited by H.H. Rowley Harold Henry Rowley, 1961

Peoples of Old Testament Times Donald John Wiseman, 1975 **The Old Testament and Modern Study ... Edited by H.H. Rowley** Society for Old Testament Study, Harold Henry Rowley, 1961 **The Old Testament and Folklore Study** Patricia G. Kirkpatrick, 1988-01-01 Since Gunkel folklore studies have exercised a great influence upon theories of oral composition and transmission of the patriarchal narratives Dr Kirkpatrick subjects the underlying premises supporting many of these theories to a careful examination in the light of the most recent folklore research The Old Testament and Modern Study Society for Old Testament Study, 1956 Sex, Wives, and Warriors Philip Francis Esler, 2011-06-09 Why and how should we read Old Testament narrative This book provides fresh answers to these questions First it models possible readers of the Bible religious and nonreligious professional and nonprofessional and the reasons that might attract them to it Second with the aid of Mediterranean anthropology it sets out an approach that helps us to interpret a selection of narratives with a cultural understanding close to that of an ancient Israelite Powerful stories such as those of Tamar and Judah in Genesis 38 Hannah in 1 Samuel 1 2 Saul and David in 1 Samuel David and Bathsheba in 2 Samuel 10 12 and Judith burst into new light when understood in closer relation to their original audience Interpreted in this way these narratives allow us to refresh the memory that links us with pivotal stories in Jewish and Christian identities they disclose more ample possibilities for being human they foster our capacity for intercultural understanding and they provide aesthetic pleasure from their embodying plots of great imaginative power **The Old Testament and Modern Study, a Generation of Discovery and Research, Essays... Edited by H. H. Rowley** Society for old testament studies (Londres), 1951 *Early Old Testament Narratives* William Henry Lyon, 1894 **Early Old Testament Narratives** William Henry Lyon, 1903 **The Old Testament** Peter C. Craigie, 2019-04-15 This volume is an authoritative easy to read introduction to the literature history and theology of the Old Testament Sympathetic to all viewpoints The Old Testament places at one's fingertips a single source of comprehensive information along with maps charts and illustrations carefully designed to deepen the beginning student's understanding and insight **Exploring the Old Testament** Ernest C. Lucas, 2014-07-10 Ernest C Lucas provides an informed illuminating and interactive introduction to the ancient background the literary artistry and the varied and timeless messages of the

Psalms and Wisdom literature *Telling the Old Testament Story* Brad E. Kelle, 2017 While honoring the historical context and literary diversity of the Old Testament *Telling the Old Testament Story* is a thematic reading that construes the OT as a complex but coherent narrative Unlike standard introductory textbooks that only cover basic background and interpretive issues for each Old Testament book this introduction combines a thematic approach with careful exegetical attention to representative biblical texts ultimately telling the macro level story while drawing out the multiple nuances present within different texts and traditions The book works from the Protestant canonical arrangement of the Old Testament which understands the story of the Old Testament as the story of God and God's relationship with all creation in love and redemption a story that joins the New Testament to the Old Within this broader story the Old Testament presents the specific story of God and God's relationship with Israel as the people called created and formed to be God's covenant partner and instrument within creation The Old Testament begins by introducing God's mission in Genesis The story opens with the portrait of God's good intended creation of right relationships Gen 1:2 and the subsequent distortion of that good creation as a result of humanity's rebellion Gen 3:11 Genesis 12 and following introduce God's commitment to restore creation back to the right relationships and divine intentions with which it began Coming out of God's new covenant engagement with creation in Gen 9 this divine purpose begins with the calling of a people who turn out to be the manifold descendants of Abraham and Sarah to be God's instrument of blessing for all creation and thus to reverse the curse brought on by sin The diverse traditions that comprise the remainder of the Pentateuch then combine to portray the creation and formation of Israel as a people prepared to be God's instrument of restoration and blessing As the subsequent Old Testament books portray Israel's life in the land and journey into and out of exile the reader encounters complex perspectives on Israel's attempts to understand who God is who they are as God's people and how therefore they ought to live out their identity as God's people within God's mission in the world The final prophetic books that conclude the Protestant Old Testament ultimately give the story of God's mission and people an open ended quality suggesting that God's mission for God's people continues and leading Christian readers to consider the New Testament's story of the Church as an extension and expansion of the broader story of God introduced in the Old Testament The main methodological perspective that informs the book includes work on the phenomenological function of narrative especially story's function to shape the identity and practice of the reader as well as more recent so called missional approaches to reading Christian scripture Canonical criticism provides the primary means for relating the distinctive voices within the Old Testament texts that still honor the particularity and diversity of the discrete compositions Accessibly written this book invites readers to enter imaginatively into the biblical story and find the Old Testament's lively and enduring implications **The Old Testament Tradition** Peter R. Ackroyd, 1963

New Avenues in the Study of the Old Testament, 1942 **Old Testament Ethics for the People of God** Christopher J. H. Wright, 2013-01-30 Nothing confuses Christian ethics quite like the Old Testament Christopher Wright examines a

theological social and economic framework for Old Testament ethics exploring themes in relation to contemporary issues
economics the land and the poor politics and a world of nations law and justice society and culture and the way of the
individual The Heart of the Old Testament Ronald Youngblood, Ronald Fred Youngblood, 1998-09 Traces nine key
theological strands through the Hebrew Scriptures and shows how they link to the New Testament Highly accessible
profoundly insightful *Lessons in Old Testament History* Anthony Stocker Aglen, 1928 Early Old Testament Narratives
William Hanson Pulsford, 1898
