Sociolegal Control Of Homosexuality A Multi Nation Comparison:

Sociolegal Control of Homosexuality Donald J. West, Richard Green, 2006-04-11 Despite the gains made by gay rights movements throughout the world there are still areas in which homosexuals and their relationships are targeted as immoral and criminal Sociolegal Control of Homosexuality a comprehensive up to date examination of governmental and religious reaction to issues of sexual orientation in regions such as Asia and the Middle East not often covered in English language publications includes a sampling of international legislation both proscriptive and liberal the effects of fundamentalist religious movements new scientific information concerning the origin of sexual orientation and much more LIST

Protection of Sexual Minorities since Stonewall Phil C.W. Chan, 2013-09-13 The Stonewall Riot in New York in 1969 marked the birth of the sexual minority rights movement worldwide In the subsequent four decades equality and related rights on grounds of sexual orientation and gender identity have been enshrined in many African Asian Australasian European and North American countries thanks to better informed discourses of the natures of sexual orientation gender identity equality and rights that systematic scientific and socio legal research has generated Discrimination harassment and persecution on grounds of a person s sexual orientation or gender identity however continue to pervade the laws and social norms in all developed and developing countries In tribute to the courage of those who participated in the Stonewall Riot this book examines the progress and stalemate in various countries on five continents as well as in the development of international law concerning the rights of persons belonging to sexual minorities This book covers issues including homophobic bullying and gay straight alliances in schools the merits and problems that legislation prohibiting hate speech on grounds of sexual orientation presents criminal justice systems in relation to male rape victims and to criminalisation of HIV exposure and transmission the development of sexual minority rights from historical and socio legal perspectives in Hong Kong Japan Singapore and Zimbabwe the lives of transgender persons in Asian countries the evolution operation and impact of international and domestic refugee laws on sexual orientation and gender identity as grounds for refugee status and asylum and the conflicts between law religion and sexual minority equality rights that inhere in the same sex marriage debate in Ireland This book was previously published as a special double issue of The International Journal of Human Rights

The Age of Consent M. Waites, 2005-08-10 The Age of Consent Young People Sexuality and Citizenship addresses the contentious issue of how children s sexual behaviour should be regulated The text includes A unique history of age of consent laws in the UK analysed via contemporary social theory A global comparative survey of age of consent laws and relevant international human rights law A critical analysis of how protectionist agendas shaped new age of consent laws in England and Wales in the Sexual Offences Act 2003 In depth theoretical discussion of the rationale for age of consent laws An original proposal to reduce the age of consent to 14 for young people who are less than two years apart in age Responding to contemporary concerns about young people s sexual behaviour sexual abuse and paedophilia this book will engage readers in

law and socio legal studies sociology history politics social policy youth and childhood studies and gender and sexuality studies and professionals and practitioners working with young people The Politics of Gender Culture under State Socialism Hana Havelková,Libora Oates-Indruchová,2014-02-03 Though there has been much research on the incomplete emancipation project of state socialism in East and Central Europe very little has been published on how the state and its institutions conceived of gender as a concept This book seeks to understand if and how this conceptualization developed in the second half of the twentieth century and what impact it had on everyday life and on culture This study moves beyond the dichotomous gender perspectives and towards a nuanced understanding of the diverse discursive negotiations agendas actors and agency involved in state socialist gender practices Including a detailed case study on Czechoslovakia contributors explore these issues in a series of independent but collaboratively developed studies placing their research in the context of other East Central European countries The studies collected in the volume bring to light fresh material and consider it from the combined perspective of current gender theory and internal ideological dynamics of state socialism breaking new ground in gender theory cultural theory and studies of state socialism This book will be of interest to students and scholars of gender studies socialism Cold War politics and Eastern European politics and culture Male Homosexuality in Modern Japan Mark J. McLelland,2000 This book is the first to look at the wide range of contrasting images of the gay male body in Japanese popular culture both mainstream and gay and relate these images to the experience of an interview sample of Japanese gay men In so doing it touches on a number of important issues including whether there can be a universal gay identity and whether or not strategies developed for increasing gay and lesbian visibility in western countries are appropriate to the social situation in Japan **Queer Encounters with Communist Power** Věra Sokolová,2021-12-01 How did the Communist regime in Czechoslovakia approach non heterosexuality How did young girls and boys come to realize their queer desires and identities within a state known for repressing individuality What did they do with that self awareness and later on as adults what strategies did they employ in their everyday dealings with a state that defined homosexuality as a medical diagnosis Queer Encounters with Communist Power answers these questions as it interweaves groundbreaking queer oral history with meticulous archival research into the discourses on homosexuality and transsexuality in Czechoslovakia from 1948 to 1989 *Social dilemmas, institutions, and the evolution of cooperation* Ben Jann,Wojtek Przepiorka,2017-09-11 The question of how cooperation and social order can evolve from a Hobbesian state of nature of a war of all against all has always been at the core of social scientific inquiry Social dilemmas are the main analytical paradigm used by social scientists to explain competition cooperation and conflict in human groups The formal analysis of social dilemmas allows for identifying the conditions under which cooperation evolves or unravels This knowledge informs the design of institutions that promote cooperative behavior Yet to gain practical relevance in policymaking and institutional design predictions derived from the analysis of social dilemmas must be put to an empirical test The collection of articles in this book gives an overview of state

of the art research on social dilemmas institutions and the evolution of cooperation It covers theoretical contributions and offers a broad range of examples on how theoretical insights can be empirically verified and applied to cooperation problems in everyday life By bringing together a group of distinguished scholars the book fills an important gap in sociological scholarship and addresses some of the most interesting questions of human sociality Older Lesbian, Gay and Bisexual Adults Andrew King, 2016-06-03 Andrew King is Senior Lecturer in Sociology at the University of Surrey UK and co editor of Sociological Objects Reconfigurations of Social Theory **Who's Who in Contemporary Gay and Lesbian History Vol.2** Robert Aldrich, Garry Wotherspoon, 2005-07-25 Who's Who in Contemporary Gay and Lesbian History From World War II to the Present Day provides a comprehensive modern biographical survey of homosexuality in the Western world Among those included are Controversial political activists Peter Tatchell Guy Hocquenghem Harvey Milk Pop icons David Bowie k d lang Boy George Groundbreaking artists writers and filmmakers Pier Paolo Pasolini Derek Jarman David Hockney Intellectuals who have shaped and changed the modern understanding of sexuality Michel Foucault Simone de Beauvoir Alfred Kinsey Over 500 entries clear informative and enjoyable to read build up a superbly thorough overview of gay and lesbian life in our time **Equality in Asia-Pacific** Phil C. W. Chan, 2014-02-04 In 1948 the United Nations General Assembly proclaimed the Universal Declaration of Human Rights stating every human being's right of equality in dignity and right However notwithstanding recognition by the international community of its importance and codification in numerous national and sub national constitutions and legislation reinforced by various multilateral and regional human rights treaties the right of equality continues to be unable to take complete firm hold in all regions and countries Evidence as presented by the insightful papers in this collection published initially as a Special Double Issue of The International Journal of Human Rights dedicated to exploring the place of equality in Asia Pacific societies suggests that although progress is being made the right of equality has not yet fully materialized both in law and in reality in the world's most populous region Many factors particularly entrenched cultural heritage and practices the lingering effects of colonialism and newly found independence and above all pervasive ignorance and prejudices continue to impede the recognition development and protection of equality in this region Of course equality a normative right and entitlement by virtue of our humanity has neither been fully achieved in societies outside the region Such neo colonial thinking in fact perpetuates and assists in the subjugation of the right of equality in the Asia Pacific Region as a matter of relevance and concern only to Western countries Accordingly we hope that our discussions will also be able to shed light and generate reflections on realities outside the region as interlinked with our aim The Editor's book fee has been donated to the UNICEF Tsunami Fund This book was previously published as a special issue of The International Journal of Human Rights Chinese Male Homosexualities Travis Kong, 2010-07-13 This book presents a groundbreaking exploration of masculinities and homosexualities amongst Chinese gay men It provides a sociological account of masculinity desire sexuality identity and citizenship in contemporary Chinese societies and within the

constellation of global culture Kong reports the results of an extensive ethnographic study of contemporary Chinese gay men in a wide range of different locations including mainland China Hong Kong and the Chinese overseas community in London showing how Chinese gay men live their everyday lives Relating Chinese male homosexuality to the extensive social and cultural theories on gender sexuality and the body postcolonialism and globalisation the book examines the idea of queer space and numerous queer flows of capital bodies ideas images and commodities around the world The book concludes that different gay male identities such as the conspicuously consuming memba in Hong Kong the urban tongzhi the money boy in China and the feminised golden boy in London emerge in different locations and are all caught up in the transnational flow of queer cultures which are at once local and global

Women as Essential Citizens in the Czech National Movement

Dáša Francíková, 2017-05-31 This study uses the Czech national movement in the Austrian Empire between the late 1820s and the late 1850s to examine the complex set of social physical physiological and moral requirements through which women became crucial social and political actors responsible for the existence of modern national communities Situated within the larger frameworks of public and private spheres contemporary Czech discussions of the positionality of women and an understanding of the categories of gender and woman as fluid concepts this book analyzes how Czech nationalists in relation to and in comparison with other nineteenth century nationalist movements proposed that women become the central agents of the process to guarantee the continuity of the nation
