El Terrible: Life and Labor in Pueblonuevo, 1887-1939 Patricia A. Schechter, 2024-07-12

This book is a biography of Pueblonuevo del Terrible a mining town located in Andalusia Spain Based on previously unexamined sources the study paints a fresh portrait of industrial workers and their families in Córdoba province enriching our understanding of this mostly agricultural region Previous studies of laboring communities in Spain have identified radical workers miners among them as a destabilizing element due to their insurgent protest activity including lethal violence This study by contrast describes both worker activism and cross class organizing as constructive not destructive and aimed at integration into Spanish society Economically the mining zone was dominated by a French company in the Rothschild portfolio But by running their own city waging peaceful labor strikes raising a church building housing and honoring their dead residents turned a quasi colonial outpost into a pueblo worth defending and they rallied in defense of the Republic at the outbreak of the Spanish Civil War In the making of Pueblonuevo del Terrible Spanish men and women contended with the perils of mine work the jolts of industrial capitalism creeping fascism and civil war As such this book tells a village scale story of global events that defined the twentieth century *The Spanish Conquest in America and Its Relation to the History of Slavery and to the Government of Colonies* Arthur Helps, 1857 **Historia de la guerra del Peloponeso.**

Libros I-II Tucídides, 2016-08-05 Con Tucídides comienza la historia política y crítica una historia austera y analítica en contraste con la perspectiva más amplia y coloreada de Heródoto La Historia de la guerra del Peloponeso se convierte pronto en el paradigma del relato histórico que pretende narrar con precisión los sucesos de una guerra que sacudió el mundo griego y las conmociones políticas del propio tiempo y luego inferir sus causas y consecuencias en un plano profundo La visión histórica de Tucídides su análisis y su reflexión son un documento inolvidable clásico en el sentido más riguroso del término Esta es la primera entrega de las cuatro que constituyen esta cuidada versión de su obra que refleja bien el estilo tucidídeo y su minuciosidad Publicado originalmente en la BCG con el número 149 este volumen presenta la traducción de los libros I-II de la Historia de la guerra del Peloponeso de Tucídides realizada por Juan José Torres Esbarranch Juan Carlos Iglesias Zoido Universidad de Extremadura ha redactado una nueva introducción para esta edición **Historia de la aparición de la Sma. Argentina Lauren Rea, 2023-11-08 Argentina's Billiken was the world's longest running children's magazine publishing 5144
 issues over one hundred years. It educated and entertained generations of schoolchildren and came to occupy a central role
 in Argentine cultural life. This volume offers the first academic history of the whole lifespan of Billiken as a print magazine
 through to its transition into a digital brand. As an editorial project founded at the time of the massification of print culture,
 Billiken was in the business of creating future citizens. From its transnational and literary beginnings, Billiken quickly became
 organised around the school year, offering valuable extra-curricular material aligned to the patriotic drivers of state schooling.
 Billiken told the story of the Argentine nation cyclically and repeatedly, gaining such momentum that it became part of the
 nation's story itself. This volume adopts a multi-disciplinary approach to take account of the many different facets of Billiken's
 content, born from a combination of ideological, commercial, political and cultural drivers. This history of Billiken examines the
 changes, contradictions and continuities in the magazine over time as it responded to political events, adapted to new
 commercial realities and made use of technological advances. It explores how Billiken magazine not only reflected society but
 shaped it through its influence on childhoods, children's culture and education, and provides an alternative window onto the
 history and politics of a tumultuous hundred years for Argentina **Historia militar de la República Argentina**
