Terrier Town Summer Of 49:

Terrier Town David Menary, 2006-01-01 Debate still rages on about who invented baseball But one thing is certain it was alive and fractious in southwestern Ontario in the summer of 1949 It was a remarkable summer For Charlie Hodge just finishing his last year of high school the summer of 1949 begins with great fanfare and excitement He has made the Galt Terriers roster and will be riding the bench with a star studded team many of whom had played with the major leagues When those seasoned pros arrive in town big things are expected and they don't disappoint There is the towering home run that Goody Rosen hits into the Grand River the frozen baseball scheme that backfires and the busload of promotional cooking oil hijacked just before game time It all comes down to Game 7 in the Terriers semi final series with the Brantford Red Sox when a convicted gambler playing centre field that night makes one of the most controversial plays ever seen at Dickson Park Based on exhaustive research and extensive interviews David Menary recreates that post war season in Terrier Town through the eyes of Charlie Hodge While Charlie is a fictional character the other players are not This is a story that will resonate with young and old alike baseball fans or not This is a team that became a vital part of the town and the town an elemental part of the team This is a time rapidly fading from memory a summer of myths and legends This is a story of how life could be in the small southwestern town of Galt And all this is our heritage **The River and the Railroad** David Menary, 2007

Baseball Without Borders George Gmelch, 2006-01-01 A televised baseball game from Puerto Rico Japan or even Cuba might look a lot like the North American game Beneath the outward similarities however the uniforms and equipment and basic rules there is usually a very different history and culture influencing the nuances of the sport These differences are what interest the authors of *Baseball without Borders* a book about America's national pastime going global and undergoing instructive entertaining and sometimes curious changes in the process The contributors leading authorities on baseball in the fourteen nations under consideration look at how the game was imported how it took hold and developed how it is organized played and followed and what these local and regional trends and features say about the sport's place in particular cultures Organized by region Asia the Americas Europe and the Pacific and written by journalists historians anthropologists and English professors these original essays reflect diverse perspectives and range across a refreshingly wide array of subjects from high school baseball in Japan and Little League in Taiwan to fan behavior in Cuba and the politics of baseball in China and Korea **Brothers of the Wind** David Menary, 2014-09-19 *Brothers of the Wind* portrays the epic quest of three Canadian speed skaters close friends and fierce competitors to win Olympic gold in the 1990s This story chronicles their successes and setbacks from their early days as promising teenagers beginning in 1990 to become world class skaters It's a story that was more than 10 years in the making and culminates at the 1998 Nagano Winter Olympics Woven into the fabric of this tale are revealing threads of insight into the sport of speed skating both long track and short track The sport has resulted in more Olympic medals for Canada than almost any other sport Follow these incredible young men from their

formative teenage years as they grow into world class athletes The brotherhood they form along the way accompanied by their mastery of the ice and an unshakable confidence instilled fear among their competitors But as much as they were feared on the ice these Brothers of the Wind were admired by friends and foes alike **Canadian Books in Print. Author and Title Index** ,1975 *The Journal of Commonwealth Literature* ,2005 One number each year includes Annual bibliography of Commonwealth literature **Terrier Town** David Menary,2014-08-21 Debate still rages on about who invented baseball But one thing is certain it was alive and fractious in southwestern Ontario in the summer of 1949 It was a remarkable summer For Charlie Hodge just finishing his last year of high school the summer of 1949 begins with great fanfare and excitement He has made the Galt Terriers roster and will be riding the bench with a star studded team many of whom had played with the major leagues When those seasoned pros arrive in town big things are expected and they don't disappoint There is the towering home run that Goody Rosen hits into the Grand River the frozen baseball scheme that backfires and the busload of promotional cooking oil hijacked just before game time It all comes down to Game 7 in the Terriers semi final series with the Brantford Red Sox when a convicted gambler playing centre field that night makes one of the most controversial plays ever seen at Dickson Park Based on exhaustive research and extensive interviews David Menary recreates that post war season in Terrier Town through the eyes of Charlie Hodge While Charlie is a fictional character the other players are not This is a story that will resonate with young and old alike baseball fans or not This is a team that became a vital part of the town and the town an elemental part of the team This is a time rapidly fading from memory a summer of myths and legends This is a story of how life could be in the small southwestern town of Galt And all this is our heritage **University of Toronto Quarterly** University of Toronto,1895 **The British National Bibliography** Arthur James Wells,2009 *Bowker's Guide to Characters in Fiction 2007* ,2008-02 *Choice* ,2003 [The Baseball Bibliography](#) Myron J.
