## **Terrorist Myths:**

Terrorist Myths Peter C. Sederberg, 1989      *From the Terrorists' Point of View* Fathali M. Moghaddam, 2006-06-30

Presenting a picture of the world giving rise to Islamic terrorism *From the Terrorists' Point of View* argues that terrorism arises from a deep and pervasive identity crisis in Islamic societies The account presented in these 10 chapters is shaped by the author's first hand experiences of life in the Islamic world as well as his more than quarter century of research on the psychology of conflict and radicalism Moghaddam shows us why individuals who are recruited into terrorist organizations are convinced it is the only viable alternative They believe there are no effective legal means of expressing their grievances and participating in decision making so they become socialized to see terrorist organizations as legitimate The organizations they join train them to adopt an us vs them categorical view seeing all members outside their group including civilians as among the evil enemy ranks Looking at the perspective of the terrorist groups themselves Moghaddam explains why current U S policy focusing almost exclusively on individual terrorists and their eradication will achieve only short term gains He argues that the more effective long term policy against terrorism is prevention That he writes requires cultivation and nourishment of contextualized democracy through culturally appropriate avenues Only allowing people a greater voice and creating mobility opportunities for them will ensure that they do not feel a need to climb the staircase to terrorism      Essentials of Terrorism Gus Martin, 2021-12-19 Captivating concise and accessible *Essentials of Terrorism Concepts and Controversies* covers key foundational topics by defining terrorism and introducing its history and causes Author Gus Martin introduces readers to the modern landscape of terrorism and discusses terrorist environments domestic international religious etc as well as tactics targets and counterterrorism Included in the Sixth Edition is an added focus on U S hate crimes and homeland security in addition to new introductory discussions information and data throughout each chapter      The Politics of Terrorism, Third Edition, Michael Stohl, 2020-08-18 This book provides the reader with an introduction to the concept and practice of terrorism embedded within a firm understanding of politics and social structure It explores the major theories typologies strategies ideologies practices and responses to contemporary political terrorism      **Understanding Terrorism** Gus Martin, 2017-09-05 Gus Martin has expertly curated the most important topics and sources in the field and put them together in an ideal manner to assist students in understanding the breadth and complexity of modern day terrorism Coupled with the instructor and student resources this text is a perfect introduction to the field Ryan Vogel Director of National Security Studies Utah Valley University *Understanding Terrorism Challenges Perspectives and Issues* offers a multidisciplinary comprehensive exploration of domestic and international terrorism that helps students develop the knowledge and skills needed to critically assess the expressions and underlying causes of terrorism The Sixth Edition has been updated with new information on terrorist attacks and organizations as well as key topics such as failed states the lone wolf model state terrorism human rights violations and cyberterrorism Discussion of policies and counterterrorism has been

augmented to help students understand the challenges perspectives and issues relevant to terrorism today Give your students the SAGE edge SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review study and further exploration keeping both instructors and students on the cutting edge of teaching and learning Learn more at [edge.sagepub.com](http://edge.sagepub.com) martin6e [Understanding Terrorism](#) , **The Irrational Terrorist** Darren Hudson,Arie Perliger,Riley J. Post,Zachary Hohman,2020 Opinion surveys show that what the public assumes it knows about terrorism is at best a badly distorted view Recalling the Flat Earth phenomenon early misconceptions have become solidified despite new evidence refuting them The authors of The Irrational Terrorist discredit these popular myths and misconceptions providing an accessible overview of the key theoretical explanations of terrorism and liberally illustrating their analysis with case studies Ranging from the religious and economic backgrounds of individual terrorists to the nature and outreach of terrorist organizations they offer fact based cutting edge explanations of the motivations and behavior of terrorist groups

**Terror and Taboo** Joseba Zulaika,William Douglass,2016-04-22 Terror and Taboo is about the mythology of terrorism it is an exploration of the ways we talk about terrorism It offers incontestable evidence to support the idea that we give power to terrorism by the way we write and talk about it According to Zulaika and Douglass we make terrorism worse by the way we represent it in the media and in everyday conversation Through their examination of terrorism they propose to remove the taboos surrounding terrorism Terror and Taboo is full of examples to ground the authors premise ranging from specific examples such as tendency to talk more about where Timothy McVeigh shopped for weapons than about the international traffic in arms by legitimate nations to more theoretical interpretations that will be familiar to readers of cultural studies books [Democratic Responses to International Terrorism](#) David A. Charters,2023-11-27 Here is an interdisciplinary approach to the problems of terrorism featuring a variety of perspectives and effective responses The authors examine the phenomenon of terrorism from different angles noting its implications for democratic states and thoroughly explore various aspects of response from policy and planning to specific counter measures Published under the Transnational Publishers imprint **Facing the Mob** Benjamin Browning,2022-02-25 Whether you are reading the story of Pilate s encounter with angry crowds during the trial of Jesus or reading one of the numerous accounts of mob violence in the book of Acts you will find that the threat of crowd violence is a common theme in the New Testament particularly in the Gospels and Acts In Facing the Mob Benjamin Browning provides a thorough examination of how government officials in the early Roman Empire responded to civil unrest He then uses these insights from the ancient world to provide readers of the New Testament with tools that will help them to interpret civil unrest passages more effectively [Encyclopedia of Terrorism, Revised Edition](#) Cindy C. Combs,Martin W. Slann,2007 Presents a reference guide to terrorism throughout the world including history terrorist groups and notorious acts of terrorism *Political Terrorism* Jeffrey Ian Ross,2006 The salient feature of this book is its comprehensive but concise approach to the field of terrorism particularly its causes and effects and the application of

this information to selected case studies Political Terrorism An Interdisciplinary Approach is easy to read and designed to answer common questions asked by undergraduate and graduate students without prior exposure to the study of terrorism This book is accessible to practitioners those individuals working or aspiring to work in the fields of criminal justice and national security and policymakers in the counterterrorism field as well as members of the mass media covering stories on terrorism Political Terrorism is sensitive to the global ramifications of terrorism and the responses to it This book maintains a balance between realism and sensationalism and offers a more comprehensive understanding of the causes and effects of terrorism than do most other texts Political Terrorism integrates scholarly analysis with current events by relying on recent media accounts and information gathered by responsible news outlets The text features end of chapter questions as well as exhibit boxes that provide background details on items of interest to students and instructors

**Terrorism and Homeland Security** Gus Martin,2010-07-29 With an emphasis on current theories and today's political and social environment Terrorism and Homeland Security concisely and clearly explains the multifaceted subject of terrorism and its impact on homeland security in the United States today This versatile text grounds the discussion within a historical legal administrative and intellectual framework The book focuses on providing readers with an understanding of the central challenges perspectives and issues in the field through four Parts a conceptual review of terrorism and its causes terrorist environments such as religious or international terrorism the terrorist trade including the role of the mass media and a fourth section that discusses domestic terrorism in the United States and investigates homeland security from both theoretical and organizational perspectives

**Will Terrorism End?** Jeffrey Ian Ross,William Lee Eubank,2006 The September 11 2001 terrorist attacks on the United States brought the issue of terrorism to the forefront of American attention and controversy To determine how to prevent further destruction it is necessary to understand the shadowy phenomenon that causes it Who are the terrorists What are their motives What are the roots of this form of violence and will it come to an end What exactly is terrorism

*Understanding Lone Wolf Terrorism* Ramon Spaaij,2011-12-08 What drives the lone wolf terrorist to commit mass violence What are their ideologies and motivations How do they plan and carry out their attacks and who do they target How can lone wolf terrorism be effectively countered One of the first in depth analyses of lone wolf terrorism this publication sets out to answer these questions Drawing on extensive international data and qualitative case studies it examines the global patterns in and key features of lone wolf terrorism over the past four decades This engaging text will be essential reading for students and researchers on terrorism and violent conflict and offers unique and invaluable insights to those working to prevent or minimize the effects of terrorism and political violence

*Understanding Homeland Security* Gus Martin,2016-07-15 Dr Gus Martin's Understanding Homeland Security Second Edition is a thoroughly updated textbook offering much needed insight into the complex nature of issues addressed by the homeland security enterprise This comprehensive textbook addresses such subject areas as emergency management

terrorism criminal justice administration intelligence armed conflict and social environments Martin's pedagogical approach is designed to stimulate critical thinking in readers allowing them to not only comprehend the fundamentals but also evolve with the very dynamic nature of homeland security The Second Edition introduces readers to homeland security in the modern era focusing particularly on the post September 11 2001 world Reviewing theories agency missions laws and regulations governing the homeland security enterprise this book keeps readers on the forefront of homeland security
