FBI On August 10 1941 the Germans sent Popov to the United States to construct a spy network and gather information on Pearl Harbor He successfully made contact with the FBI in an attempt to warn the country but J Edgar Hoover blew his cover Later MI5 desperately needed Popov to deceive the Abwehr about the D Day invasion but they assured him that a return to the German Secret Service Headquarters in Lisbon would result in torture and execution He went anyway Into the Lion's Mouth is a globe trotting account of a man's entanglement with espionage murder assassins and lovers including enemy spies and a Hollywood starlet It is a story of subterfuge seduction patriotism and cold blooded courage It is the story of Dusko Popov the inspiration for James Bond **Bodies, Symbols and Organizational Practice** Agnes Bolsø, Stine Svendsen, Siri Sørensen, 2017-10-06

Despite all the efforts to promote change power and authority still seem to be permanently associated with the white the straight and the masculine both symbolically and in the everyday world of organizations As the intricate relationship between the symbolic and the everyday remains under researched this anthology proposes a transdisciplinary feminist perspective drawing on the humanities in order to explore the complex nature of the gendered politics of organizations Indeed analyzing how images narratives symbols and bodies are all part of how power and gender are constructed in organizations through a broad and international range of empirical studies **Bodies Symbols and Organizational Practice** explores issues at the interstices of the humanities and social sciences combining theoretical and analytical perspectives from both areas Providing a radical analysis of the gendered dynamics of power as well as petitioning for radical intervention into those dynamics this timely volume will appeal to postgraduate students and postdoctoral researchers interested in fields such as Organization and Management Studies Gender studies Feminist theory and Sociology of Work Industry *Why Rape Culture is a Dangerous Myth* Luke Gittos, 2015-09-01 Today it is often said that we live in a rape culture Panicked headlines tell us that rape is on the increase and that the police are failing to deal with it Our courts are said to be incapable of delivering justice in rape cases with the rate of convictions remaining consistently low Sexism and misogyny in wider society have created a culture in which rape is pervasive under reported and often ignored by an uncaring public But these claims are built on myths and misunderstandings This book argues that the belief in a rape culture is seriously distorting our discussion of sexual violence It explains how the laws around rape have expanded significantly in recent decades giving the state a far greater say in the most intimate areas of our lives The drive to prosecute more and more people has damaging implications for our legal rights and basic freedoms and our ability to live intimately with one another If we are to have a serious discussion about rape it's time to dispel the dangerous myth of rape culture
