**Foundations of Psychological Testing** Leslie A. Miller,Robert L. Lovler,2018-12-20 Foundations of Psychological Testing A Practical Approach by Leslie A Miller and Robert L Lovler presents a clear introduction to the basics of psychological testing as well as psychometrics and statistics Aligned with the 2014 Standards for Educational and Psychological Testing this practical book includes discussion of foundational concepts and issues using real life examples and situations that students will easily recognize relate to and find interesting A variety of pedagogical tools furthers the conceptual understanding needed for effective use of tests and test scores The Sixth Edition includes updated references and examples new In Greater Depth boxes for deeper coverage of complex topics and a streamlined organization for enhanced readability *On Critique* Luc Boltanski,2013-10-30 The relationship between sociology and social critique has haunted the discipline since its origins Does critique divert sociology from its scientific project Or is critique the ultimate goal of sociology without which the latter would be a futile activity disconnected from the concerns of ordinary people This issue has underpinned two divergent theoretical orientations that can be found in the discipline today the critical sociology that was developed in its most elaborate form by Pierre Bourdieu and the pragmatic sociology of critique developed by Luc Boltanski and his associates In critical sociology description in terms of power relations underscores the potency of mechanisms of oppression the way the oppressed passively endure them going so far in their alienation as to adopt the values that enslave them Pragmatic sociology by contrast describes the actions of human beings who rebel but who are endowed with reason It stresses their ability in certain historical conditions to rise up against their domination and construct new interpretations of reality in the service of critical activity In this major new book Boltanski develops a framework that makes it possible to reconcile these seemingly antagonistic approaches the one determinist and assigning the leading role to the enlightening

science of the sociologist the other concerned to stick as closely as possible to what people say and do This labour of unification leads him to rework central notions such as practice institution critique and finally social reality all with the aim of contributing to a contemporary renewal of practices of emancipation
