How Does God Really Feel About Females? Joanne White Ferdinando, 2019-02-21 In the very beginning God made the male and female equal in gender and power so how did the female become secondary to the male This book comprehensively reviews the initial gender equality of the sexes how it was lost and why it should be reclaimed Accurate translation evidence is provided for words like desire rule head and submission words that have unnecessarily held back all females especially Christian females for thousands of years Clear analysis of male female brain functions biblical languages patriarchy ancient law codes complementarianism slavery rape marriage and verses like Genesis 3 16 and 1 Tim 2 12 should satisfy most skeptics that it was never God's intention for the female to be second to the male on a human totem pole They were made to stand together on the same rung of creation's hierarchical ladder and to freely use all of their talents and abilities Females are now and always have been equally loved in the sight of God and needed in the Church and world

Hawaiian National Bibliography, 1780-1900 David W. Forbes, 2003-02-28 The fourth and final volume of the Hawaiian National Bibliography 1780 1900 records the most volatile period in Hawaii's history American business interests and the desire for a constitutional monarchy were pitted against the desire of the monarchs King Kalikau and Queen Liliuokalani to strengthen the power of the throne The convulsions of the 1887 and 1889 revolutions were succeeded by the overthrow of the monarchy on January 17 1893 Documents revealing the struggle over annexation beginning in 1893 and the counterrevolution of 1895 are an important component of this volume Annexation in 1898 was followed by a two year period during which functions of government and laws were altered to conform to those of the United States After the organic act became effective in 1900 vestiges of monarchical Hawaii disappeared and the history of the Territory of Hawaii unfolded As with the previous volumes Volume 4 is a record of printed works touching on some aspect of the political religious cultural or social history of the Hawaiian Islands A valuable component of this series is the inclusion of newspaper and periodical accounts and single sheet publications such as broadsides circulars playbills and handbills Entries are extensively annotated and also provided for each are exact title date of publication size of volume collation of pages number and type of plates and maps references and location of copies

Jeremiah Joyce John Issitt, 2017-11-30 Jeremiah Joyce was one of the accused in the famous Treason Trials of 1794 which marked the suppression of radical agitation in Britain for the ensuing twenty years He was a political radical who imbibed the traditions of the commonwealthman and actively campaigned for a more democratic and representative state Through the early 1790s he acted as the metropolitan political agent for his patron the Earl of Stanhope and he liaised between radical groups whilst also distributing radical

literature including Tom Paine's Rights of Man. He was one of the very few artisans at the end of the eighteenth century adopted by the literary and scientific intelligentsia and was unique in training to become a Unitarian minister at the age of 23 after serving a seven year trade apprenticeship and having worked as a journeyman. This work traces the legacies, traditions and visions of the English Enlightenment as they are expressed through Joyce's life and literary production. It explores the evolution of these traditions against the threatening background of the French revolution and the developing imperatives for education in general and science education in particular. By tracing the linkages between political, educational, scientific and publishing cultures, it reflects on the issues of late eighteenth century patronage, the literary forms of popular science and the evolution of the metropolitan book trade. In so doing, the book recovers the life of a hitherto much neglected science writer and political activist and contributes to the histories of politics, education, science and the developing discipline of book history.

Studies on the Intersection of Text, Paratext, and Reception, 2021-05-12. *Studies on the Intersection of Text, Paratext and Reception* brings together thirteen contributions from leading scholars in the fields of textual criticism, manuscript, paratextual research and reception history. These fields have tended to operate in isolation but recent years have seen a rise in valuable research being done at their multiple points of intersection. The contributors to this volume show the potential of such crossover work through, for example, exploring how paratextual features of papyrus and minuscules give insight into their text, probing how scribal behaviors illumine textual transmission, restoration and examining how colometry, inner biblical references and early church reading cultures may contribute to understanding canon formation. These essays reflect the contours of the scholarship of Dr Charles E Hill to whom the volume is dedicated.

Majestic Mirror or Mind-Bending Mirage Jens Bruun Kofoed, 2025-03-13. Discover the profound insights on gender identity and sexuality through a biblical lens in this compelling book. Delving into the Old Testament, the author critiques modern gender theories, tracing their evolution through feminist movements, existentialism and social constructivism. By contrasting these with a biblical perspective rooted in the creation story, the book offers a thoughtful examination of today's complex gender discussions, including identity expression and orientation. Explore historical and theological views from ancient Mesopotamian cultures, focusing on the worship of Inanna/Ishtar and the shifting gender roles and sexual norms of the time. The author defends a traditional biblical view, challenging modern secular ideologies and arguing for a consistent understanding of the body, sexuality and gender. This book also provides valuable guidance for church leaders and pastors on navigating these sensitive topics in today's world. Engage with a perspective that reconnects biological and theological truths, offering a robust critique of contemporary feminist and transgender movements.
