Testament Without Breath:

The Key To It All Guru Sri Shukla,2013-10-16 What is enlightenment What is the nature of the soul Much confusion exists around these subjects and practicality is all too often obscured by ill defined complex theory When I decided to create this course I wanted to avoid these shortcomings so often found in religious teachings To this end impracticality and dogma have been minimized as much as possible Since the subject of these lessons is the nature of the soul and how to care for it I first had to be specific about how I am characterizing the soul In Lesson One I show how throughout the history of religion the life energy body and the mind have been considered two aspects of the soul Once this is established it is a relatively easy process to determine how to care for the soul since religious teachers have taught for centuries how to care for the life energy body in systems such as Ayurveda and Traditional Chinese Medicine while advances in modern psychology have great practical application in caring for the mind
