

The background of the entire image is a deep blue night sky filled with numerous small white stars. A prominent, bright star with a four-pointed diffraction pattern is located near the top center. Below it, a soft, glowing nebula in shades of blue and purple stretches across the middle of the frame. At the very bottom, the dark, silhouetted peaks of mountains are visible against the lighter sky.

Pendergast III,2008-12-23 With a history that of open marriages staggering divorce rates single parent homes shacking up with significant others and living together and often troubled blended families it seems that the option of a happy life long marriage no longer exists in todays secularized feminized world of radical individualism Yet hidden under this shabby veneer most persons still long for something still desire real meaning still feel the pull towards permanence a romantic ideal to be completed It just wont go away This ideal real marriage survives as a dream though this joyful state cannot be found in any of the alternatives available from a secular world thats devoid of absolutes and allows any unhappy permutation Is there any hope There is But it doesnt lie in constantly trying to redefine marriage and consistently failing to make anyones life better It lies in returning to what Sacred Marriage was always meant to be a sacrament of Life That however can only be found if we return to being what we ourselves were always meant to be spiritual beings that are larger than the material world and actually grasp what it means to love and risk loving Want to know how Look inside
