Testimonial To Grace And Reflections On A Theological Journey:

A Testimonial to Grace Avery Dulles, 1996-09 DullesO account written in 1946 of his conversion to the Catholic Church This special 50th Anniversary Edition contains a newly penned OafterwordO in which the author details his fifty year journey from conversion to priesthood to theologian Dulles describes the mentors and the experiences that shaped his perspective as a theologian *Forming the Church in the Modern World* Thomas A. Baima, 2019 This book examines and comments on various aspects of the theology of Avery Cardinal Dulles SJ It demonstrates how important his ideas were in forming our current understanding of church and theology *The Survival of Dulles* Michael M. Canaris, 2021-08-17 This collection marking the centenary of Avery Dulles s birth makes an entirely distinctive contribution to contemporary theological discourse as we approach the second century of the cardinal s influence and the twenty first of Christian witness in the world Moving beyond a festschrift the volume offers both historical analyses of Dulles s contributions and applications of his insights and methodologies to current issues like immigration exclusion and digital culture It includes essays by Dulles s students colleagues and peers as well as by emerging scholars who have been and continue to be indebted to his theological vision and encyclopedic fluency in the ecclesiological developments of the post conciliar Church Though focused more on Catholic and ecumenical affairs than interreligious ones the volume is intentionally outward facing and strives to make clear the diverse and pluralistic contours of the cardinal s nearly unrivaled impact on the North American Church which truly crossed ideological denominational and generational boundaries While critically recognizing the limits and lacunae of his historical moment it serves as one among a multitude of testaments to the notion that the ripples of Avery Dulles s influence continue to widen toward intellectually distant shores **Saving Wisdom** Brian W. Hughes, 2011-02-07 Is theology possible within a Christian university Beneath the emphasis of contextual philosophical and ecclesial pluralism what is its academic nature Further who can participate in it Recent debates and discussions by theologians that touch upon these questions seem to run in circles theology is an academic specialty enjoying academic freedom theology must bolster ecclesial identity become more catechetical and serve the church theology must contribute to and shape public policy Though such positions recur they overlook latent but interrelated characteristics embedded within the nature and place of theology within the Christian university that affect them all Upon analysis of four major theologians Friedrich Schleiermacher John Henry Newman Avery Cardinal Dulles S J and Edward Farley I argue that there are two major patterns at work First theology is more a sapientia or wisdom than a traditional academic discipline Second all descriptions of theology in the university possess an inclusive or exclusive soteriological character These patterns pervade diverse topics the relationship of theology to the church authority a theologian s ecclesial and academic commitments the preconditions of faith for theological understanding participation in a religious symbol system theology as wisdom and the difference between religion and theology How one implicitly defines Christian salvation regarding the place of theology in the Christian university opens or

closes the practice of theology to those who teach and learn it **Introducing Theological Method** Mary M. Veeneman, 2017-11-07 Sound theological method is a necessary prerequisite for good theological work This accessible introduction surveys contemporary theological methodology by presenting leading thinkers of the 20th and 21st centuries as models The book presents the strengths and weaknesses in each of the major options Rather than favoring one specific position it helps students of theology think critically so they can understand and develop their own theological method **A Church of Passion and Hope** Gill K. Goulding CJ, 2015-11-19 Jesuits have contributed to the life and theological development of the Church for many generations culminating in Pope Francis the first Jesuit Pope Ignatius Loyola called his men and all those inspired by the Ignatian Spiritual Exercises to a certain ecclesial disposition a way of thinking judging and feeling with the Church Gill Goulding discusses the key texts from St Ignatius life and work to identify the Ignatian ecclesial disposition that is centered on Christ It is fuelled by a Trinitarian horizon and with a clear emphasis on the dignity of every human person Goulding introduces and examines key historical figures such as St Pierre Favre and Mary Ward as well as two of the major 20th century theologians Henri de Lubac and Avery Dulles Finally Goulding highlights the Ignatian ecclesial disposition in the highest authority of the contemporary Roman Catholic Church in the background to the pontificates of John Paul II Benedict XVI and Francis focusing on the centrality of Christ and the work of the New Evangelization This book raises the key questions of the relationship between Christ and the Church as the body of Christ It indicates the importance of maintaining a Trinitarian horizon in theological vision and raises the pertinent if difficult question of the meaning of Christian obedience Goulding also underlines the importance of the integration of spirituality and theology which has ramifications for all Christian denominations and possibilities for ongoing inter faith dialogue *Our Lady of the World's Fair* Ruth D. Nelson, 2024-09-15 Our Lady of the World s Fair reveals the remarkable story of how two of New York s most influential leaders persuaded the Vatican to allow one of the world s greatest works of art to leave Europe for the first and only time Driven by different motives Robert Moses and Francis Cardinal Spellman had the same vision to display Michelangelo s masterpiece the Piet in the Vatican s pavilion at the 1964 World s Fair in New York City As Ruth D Nelson gracefully showcases Moses believed this blockbuster would guarantee the fair s financial success At the same time Spellman Cardinal of New York and the spiritual leader of Cold War America s Catholic community hoped that at a time of domestic strife and global conflict the Piet s presence would have a positive spiritual impact on the nation Although the fair did not turn out to be the financial bonanza that Moses expected the Piet drew record crowds of the faithful art lovers and the curious Nelson s fascinating uncovering of the intensive planning that went into designing the pavilion transporting the art piece across the Atlantic and coordinating Pope Paul VI s visit to New York in 1965 the first papal visit to the Western Hemisphere demonstrates the sheer scale and opportunity of the two men s endeavors Our Lady of the World s Fair depicts the skepticism and fierce criticism that faced the two New York power brokers Rather than letting the negative weigh them down

they united and called on every resource at their disposal to make this unlikely cultural coup possible **Psychosemiotic Cycles and the Liturgical Year** Andrew Wilson, 2008 *Papal Infallibility* Mark E. Powell, 2009-01-27 The dogma of papal infallibility has become increasingly problematic for Roman Catholics and it is a major point of division in Christian ecumenical dialogue arguably the key issue separating Catholics and other Christians today Mark Powell here contends that papal infallibility has inevitable shortcomings as a way to secure religious certainty After introducing the doctrine he illustrates those limitations in the life and writings of four prominent Catholic theologians Henry Edward Cardinal Manning John Henry Cardinal Newman Avery Cardinal Dulles and Hans Kung Book Jacket **Exploring Catholic Theology** Robert Barron, 2015-07-14 Robert Barron is one of the Catholic Church's premier theologians and author of the influential *The Priority of Christ* In this volume Barron sets forth a thoroughgoing vision for an evangelical catholic theology that is steeped in the tradition and engaged with the contemporary world Striking a balance between academic rigor and accessibility the book covers issues of perennial interest in the twenty first century church who God is how to rightly worship him and how his followers engage contemporary culture Topics include the doctrine of God Catholic theology philosophy liturgy and evangelizing the culture This work will be of special interest to readers concerned about the so called new atheism **The Newman-Scotus Reader** Edward J. Ondrako, 2015-05-13 Drawing from the inaugural Newman Scotus Symposium this edited volume presents principles that converge with striking similarities in the thought patterns of Bl John Duns Scotus and Bl John Henry Newman With contributions from prominent philosophers and theologians this book argues in detail that Newman was overall sympathetic to many of the major themes characteristic of Scotus metaphysics and furthermore would be cautious about simply substituting historical dimensions and new hermeneutics for a sound metaphysical approach The more metaphysical approach of Scotus uncovers the implicit notional foundations of Newman's thought while the more phenomenological style of Newman assists the reader in grasping the realism and profound spirituality lying behind the more abstract presentation of Scotus Topics range from the Franciscan Scotistic motive of the Incarnation the Scotistic position of sacramental theology to intuition and certitude scientific form and real assent uncoupling Scotus from Kant the will as the power to self determine as the essential characteristic of the will with love as its object and its relationship to the intellect as moved by its object the truth and more Features of this edited work include A unique text that offers connections and contexts between Newman and Scotus including a genuine unity of approach and substantially identical convictions concerning the nature of theology and how to conduct it Contributions from prominent philosophers and theologians such as John T Ford Timothy P Noone Cyril O Regan Peter D Fehlner Olivier Boulnois Edward J Ondrako Bishop Geoffrey Rowell Mary Beth Ingham Patricia Hutchison and Robert C Christie and includes the first hand account from Deacon Jack Sullivan of the miracle that led to Newman's beatification End of chapter study questions This book is intended for upper level undergraduate and graduate students professors and interested persons intuiting modern sensitivity to freedom in its

relationship to the will and intellect Scotus and Newman provide an indispensable basis for grasping the profound insights of the Church in the Modern World *Gaudium et Spes* **God's Wider Presence** Robert K. Johnston, 2014-10-14 What are we to make of those occasional yet illuminating experiences of God's presence that occur outside both church and Scripture We may encounter God's revelatory presence as we experience a beautiful sunset the birth of a child or a work of art music or literature While theologians have tended to describe such experiences abstractly as mere traces or echoes those involved often recognize such moments of transcendence as transformative Here senior theologian Robert Johnston explores how Christians should think theologically about God's wider revelatory presence that is mediated outside the church through creation conscience and culture The book offers a robust constructive biblical theology of general revelation rooting its insights in the broader Trinitarian work of the Spirit Drawing in part from the author's theological engagement with film and the arts the book helps Christians understand personal moments of experiencing God's transcendence and accounts for revelatory experiences of those outside the believing community It also shows how God's revelatory presence can impact our interaction with nonbelievers and those of other faiths Practicing Catholic James Carroll, 2010-04-02 A personal examination of the Catholic faith its leaders and its complicated history by a National Book Award winning New York Times bestselling author James Carroll turns to the notion of practice both as a way to learn and a means of improvement as a lens for this thoughtful and frank look at what it means to be Catholic He acknowledges the slow and steady transformation of the Church from its darker medieval roots to a more pluralist and inclusive institution charting along the way stories of powerful Catholic leaders Pope John XXIII Thomas Merton John F Kennedy and historical milestones like Vatican II These individuals and events represent progress for Carroll a former priest and as he considers the new meaning of belief in a world that is increasingly as secular as it is fundamentalist he shows why the world needs a Church that is committed to faith and renewal Carroll a former Catholic priest who wrote of his conflict with his father over the Vietnam War in *An American Requiem* revisits and expands on that tension in this spiritual memoir infused with church history Readers who like Carroll remain Catholic but wrestle with their church's positions on moral issues will most appreciate his story Publishers Weekly Thought provoking San Francisco Chronicle An engrossing faith memoir a page turner Kirkus Reviews **Avery Cardinal Dulles, SJ** Patrick W. Carey, 2010 A religious and intellectual biography of the foremost American Catholic theologian of the post Vatican II era Cardinal Avery Dulles SJ **A Testimonial to Grace** Avery Dulles, 1946 Describes Avery Dulles experience with divine grace and how it led to his conversion to Catholicism **Nova Et Vetera** , 2008 U.S. Catholic Historian , 2005

The Contemporary Theologians , 2006 This work is an attempt to learn about and learn from fifty prominent contemporary theologians tracing trends and discerning directions in today's theological landscape The new priests of St Joseph Pontifical Seminary Alwaye of the year 2006 2007 are the primary contributors to this volume **Subject Guide to Books in Print** , 1997 The Legacy of Avery Cardinal Dulles, S.J.
