Gelfand,2009-09-15 Since 1845 the United States Naval Academy has prepared professional military leaders at its Annapolis Maryland campus Although it remains steeped in a culture of tradition and discipline the Academy is not impervious to change Dispelling the myth that the Academy is a bastion of tradition unmarked by progress H Michael Gelfand examines challenges to the Naval Academy s culture from both inside and outside the Academy s walls between 1949 and 2000 an era of dramatic social change in American history Drawing on more than two hundred oral histories extensive archival research and his own participatory observation at the Academy Gelfand demonstrates that events at Annapolis reflect the transformation of American culture and society at large in the Cold War and post Cold War periods In eight chapters he discusses recruiting and minority midshipmen the end of mandatory attendance at religious services women s experiences as they sought and achieved admission and later served as midshipmen and the responses of multiple generations of midshipmen to societal changes particularly during the Vietnam War era This cultural history not only sheds light on events at the Naval Academy but also offers a novel perspective on democratic ideals in the United States *Testimonies: Volume 2* J. Rendel Harris,2009-02-25 "And Scripture Cannot Be Broken" Martin C. Albl,2014-04-09 This work argues that many early Christian quotations of the Old Testament derive not from scriptural manuscripts but rather from authoritative written testimonia collections developed to support basic Christian beliefs Combining recent patristic studies notably on Justin and Barnabas and evidence from Qumran with detailed examination of quotations in the New Testament the book builds a fresh case for a neglected scholarly hypothesis After reviewing the scholarly literature and analogous Jewish and Greco Roman literary collections the book presents a comprehensive overview of extant testimonia traditions from the second to the fourth century C E The final chapters argue for the use of written testimonia collections in the New Testament This study offers solid evidence for a remarkably unified early Christian scriptural tradition that extended throughout the Mediterranean world *The use of the Old Testament in St. Matthew's Gospel* Gundry,2014-04-09 Preliminary Material Robert Horton Gundry Introduction Robert Horton Gundry Chapter One Examination of the Text Form Robert Horton Gundry Chapter Two Explanation of the Text Form Robert Horton Gundry Chapter Three The Question Of Historicity Robert Horton Gundry Chapter Four The Problem of Legitimacy Robert Horton Gundry Bibliography Robert Horton Gundry Author Index Robert Horton Gundry Index of Scripture References Robert Horton Gundry The Use of the Old Testament in Hebrews Susan E. **Decisions and Reports** United States. Securities and Exchange Commission,2006      *Paul's Use of the Old Testament* E. Earle Ellis,2003-03-18 The use of the Old Testament in the New has long been recognized as an important field of research writes the author Too often however the emphasis placed upon rabbinic and Hellenistic influences has tended to subordinate and obscure the unique place of the Old Testament in the minds and theology of the early Christian writers The purpose of this volume is to discover the rationale underlying the Pauline usage both in its textual manifestation and in its theological application The author concludes that while rabbinic Judaism has influenced the mechanics of Pauline citation one must look to the apostolic Church and to Christ Himself to find the primary source of the apostle s understanding and use of the Old Testament
