Michael Seilmaier

Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence:

Arguments and Structure Teun Hoekstra, R. P. E. Sybesma, 2004 Review text this collection of Hoekstra's writing seems not only interesting but also useful reading for contemporary researchers since both the problems and ideas discussed in this volume are very far from being outdated Pavel Grashchenkov in *Linguist List* 16 2534 Arguments and Structure Teun Hoekstra, 2008-08-22 This book contains 14 articles by Teun Hoekstra 1953 1998 on core issues in syntactic theory Some articles focus on the structure of DP others on the structure of the sentence as a whole while others still deal explicitly with the parallels between the two The papers are distributed over four sections Argument structure T chains The morpho syntax of verbal and nominal projections and Small clauses More than half of the articles in this book are published here for the first time or appear for the first time in English Hoekstra's work is characterized by a fundamental interest in the central questions of syntactic theory most notably the relation between argument structure and X bar structure This concentrated interest led to a deep understanding of the notion of transitivity with respect to both the status of the external argument and that of the internal argument where status refers to both the content and the licensing In this collection of papers Hoekstra reports on his insights in these matters As far as content and licensing of the external argument is concerned this collection contains papers on the relation between passives and their active counterparts the parallels between possessives and transitives and the differences and similarities between past participles and infinitives As to the internal argument we find papers addressing sentential complementation verbal affixation and resultatives And there is a whole section on tense and its role in keeping the sentence together One of the papers in this collection is Hoekstra's classic but hitherto unpublished Small clauses everywhere more than 70 pages which summarizes Hoekstra's views on such issues as resultatives particle verbs and double object constructions **Romance Linguistics 2006** José Camacho, Nydia Flores-Ferrán, Liliana Sánchez, Viviane Déprez, María José Cabrera, 2007-11-21 This volume presents selected papers from the 36th LSRL conference held at Rutgers University in 2006 It contains twenty two articles of current approaches to the study of Romance linguistics Well known researchers present their findings in areas such as of syntax and semantics phonology psycholinguistics sociolinguistics The volume contains scholarly research in areas such as parenthetical null topic construction expletives number and language change performative verbs in colonial court Spanish aspect shift palatalization in Romanian melodic contours in Majorcan Catalan variation in verb type and position and deviance in early child bilingualism among many others It is a well rounded selection of research topics that will enrich and widen our understanding of Romance languages **The Wiley Blackwell Companion to Syntax, 8 Volume Set** Martin Everaert, Henk Van Riemsdijk, 2017-12-26 An invaluable reference tool for students and researchers in theoretical linguistics The Wiley Blackwell Companion to Syntax Second Edition has been updated to incorporate the last 10 years of syntactic research and expanded to include a wider array of important case studies in the syntax of a broad array of languages A revised and expanded edition of this invaluable reference tool for

students and researchers in linguistics now incorporating the last 10 years of syntactic research Contains over 120 chapters that explain analyze and contextualize important empirical studies within syntax over the last 50 years Charts the development and historiography of syntactic theory with coverage of the most important subdomains of syntax Brings together cutting edge contributions from a global group of linguists under the editorship of two esteemed syntacticians Provides an essential and unparalleled collection of research within the field of syntax available both online and across 8 print volumes This work is also available as an online resource at www.companiontosyntax.com

The Syntax of Dutch Jan-Wouter Zwart, 2011-09-15 Dutch is a West Germanic language closely related to English and German but its special properties have long aroused interest and debate among students of syntax This is an informative guide to the syntax of Dutch offering an extensive survey of both the phenomena of Dutch syntax and their theoretical analyses over the years In particular the book discusses those aspects of Dutch syntax that have played an important role in the development of syntactic theory in recent decades Presupposing only a basic knowledge of syntax and complete with an extensive bibliography this survey will be an important tool for students and linguists of all theoretical persuasions and for anyone working in Germanic linguistics linguistic typology and linguistic theory

Dependency and Directionality Marcel den Dikken, 2018-07-05 The direction in which the structure of sentences and filler gap dependencies are built is a topic of fundamental importance to linguistic theory and its applications This book develops an integrated understanding of structure building movement and locality embedded in a syntactic theory that argues for a top down approach presenting an explicit counterweight to the bottom up derivations pervading the Chomskian mainstream It combines a compact and comprehensive historical perspective on structure building the cycle and movement with detailed discussions of island effects the typology of long distance filler gap dependencies and the special problems posed by the subject in clausal syntax Providing introductions to the main issues reviewing extant arguments for bottom up and top down approaches and presenting several case studies in its development of a new theory this book should be of interest to all students and scholars of language interested in syntactic structures and the dependencies inside them

Subordination in English Elena Seoane, Carlos Acuña-Fariña, Ignacio Palacios-Martínez, 2018-07-09 This book provides a collection of articles on subordination in English framed from both a synchronic and a diachronic perspective It covers ample areas of the history of the major subordinated structures of English and their recent development in various native and non native varieties Most contributions are based on large electronic databases and corpora of written and spoken texts The book focuses on the continuum that links subordinated and coordinated structures in a fluid way shows their permanent state of flux and sheds light on the whole system s dynamic essence by discussing a large number of explanatory principles at work in shaping it Many of these are well known from the grammaticalization and the Construction Grammar theories such as the concepts of attractor multi sourcing inheritance categorial incursion metaphorization or exaptation This volume represents the latest trends in the field

by some of its most prestigious specialists Nonfinite Inquiries Alain Rouveret, 2023-03-06 This study aims at developing a unified perspective on nonfiniteness encompassing its morphological syntactic and semantic aspects It puts the emphasis on clause types distinct from standard infinitives gerund clauses Celtic verbo nominal structures Portuguese inflected infinitives Latin dominant participle constructions and takes advantage of the most recent developments in syntactic theory The notions of defectiveness and completeness the inheritance hypothesis the labeling requirement the syntactic definition of lexical categories once combined together appear to make accessible tighter and more elegant analyses than previous accounts

The Underspecification of Past Participles Dennis Wegner, 2019-02-19 Are the past participial forms that occur in passive and perfect periphrases substantially identical or should they rather be distinguished into accidentally homophonous passive and perfective participles This book discusses the long standing mystery of past participial non identity on the basis of a broad range of synchronic data from Germanic and Romance eventually focussing on German and English as these draw the most relevant distinctions e g auxiliary alternation a passive auxiliary that is not BE Together with some contrastive insights from Slavic as well as the diachrony of passive and perfect periphrases this clearly points to an identity view The novel approach that is laid out suggests that past participles conflate diathetic and aspectual properties The former cause the suppression of an external argument whereas the latter impose event structure sensitive perfectivity which only induces the completion of a situation if the underlying eventuality denotes a simple change of state An approach along these lines sheds light on the intricate properties of past participles and the auxiliaries they occur with the determinants of auxiliary selection as well as the interplay of argument and event structure The Non-verbal Type of Small Clauses in English and Lithuanian Judita Giparaite, 2009-12-14 The study The Non verbal Type of Small Clauses in English and Lithuanian is one of the first attempts to apply the methods of generative grammar to the analysis of a fragment of Lithuanian grammar i e constructions with secondary predicates of the type V NP1 NP2 and V NP1 AP the sub strings NP1 NP2 and NP1 AP of which in generative works are usually called small clauses The investigation is contrastive the evidence of Lithuanian is compared with that of English Whereas the syntactic study of secondary predicates in English has a certain tradition traditional Lithuanian grammar does not have a single notion to what is known elsewhere as secondary predicates In Lithuanian traditional grammar secondary predicates are usually referred to as a part of compound nominal predicates predicative attributes a part of complex objects and are not singled out as a distinct category but are given different often contradictory treatments Thus the research can be considered pioneering work as far as Lithuanian is concerned It not only contributes to the theoretical discussion about the adequate way of dealing with secondary predicates in Government and Binding framework but can also be considered instrumental in propagating modern methods of syntactic analysis in tradition ridden Lithuanian grammar The present work addresses an important problem whether the Lithuanian and English constructions under investigation express a subject predicate relationship and form a constituent and can be described as having the syntactic function of a clause For

this purpose the syntactic and semantic as well as clausal properties of the sequences NP1 NP2 and NP1 AP in the two languages under consideration are discussed The clausal properties of the sub strings NP1 NP2 and NP1 AP are investigated on the basis of the presence of agreement features sentence negation the resemblance to full clauses theta role assignment word order and applying sentence constituency tests Relators and Linkers Marcel den Dikken,2006 Presents a syntax of predication and Predicate Inversion that emphasizes meaningless elements called RELATORS and LINKERS that play an essential role in the establishment and syntactic manipulation of predication relationships **The Syntax of Compound Tenses in Slavic** Krzysztof Marek Migdalski,2006 **Spanish Clitics on the Move** Elisabeth Mayer,2017-04-10 This volume explores the complex relationship between primary agreement by means of object marking or differential object marking DOM and secondary agreement through clitics in non standardized variation data from Lime o Spanish contact varieties LSCV As such it is concerned with diachronic as well as synchronic morphosyntactic variation of the third person object pronoun paradigm so called clitics as used in Standard Spanish and non standardized Spanish contact dialects The argumentation as well as the data presented cross diachronic and synchronic boundaries **Czech in generative grammar** Mojmir Dočekal,Petr Karlík,Jana Zmrzliková,2007 "Haben" als Vollverb Martin Businger,2011 In dieser Studie wird sorgf ltig begr ndet dass Konstruktionen von haben als Vollverb in der syntaktischen Analyse systematisch in Beziehung zu absoluten mit Konstruktionen vgl Mit den F en auf dem Tisch erwartete ich meine Schwiegereltern zu setzen sind Auf dieser Grundlage erweist sich eine einheitliche Modellierung der unterschiedlichen syntaktischen Verwendungsweisen von haben als Vollverb als theoretisch wie empirisch angemessen In weiterer Perspektive bietet die Arbeit Evidenz f r die Annahme dass f r die Beschreibung von Ph nomenen an der Syntax Semantik Schnittstelle auf das Konzept verletzbarer Beschr nkungen im Sinne der Optimalit stheorie zur ckzugreifen ist Ein Ergebnis in Bezug auf die Syntax und Semantik von Adjektiven ist dass syntaktisch die attributive Realisierung als unmarkiert zu gelten hat semantisch jedoch die Interpretation von Adjektiven als Pr dikate nicht als Attribute pr feriert ist **Language** George Melville Bolling,Bernard Bloch,2005 **American Book Publishing Record** ,2005 International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,2006 **2006/2007** ,2011-09-15 Die seit 1971 wieder erscheinende interdisziplin re internationale Rezensionsbibliographie IBR ist eine einmalige Informationsquelle Die Datenbank weist ber 1 1 Millionen vornehmlich die Geistes und Sozialwissenschaften ber cksichtigende Buchrezensionen in 6 000 vorwiegend europ ischen wissenschaftlichen Zeitschriften nach 60 000 Eintragungen kommen jedes Jahr hinzu bieten dem Benutzer Daten zum rezensierten Werk und zur Rezension **Why Agree? Why Move?** Shigeru Miyagawa,2009-10-30 An argument that not only do movement and agreement occur in every language they also work in tandem to imbue natural language with enormous expressive power An unusual property of human language is the existence of movement operations Modern syntactic theory from its inception has dealt with the puzzle of why movement should occur In this monograph

Shigeru Miyagawa combines this question with another that of the occurrence of agreement systems. Using data from a wide range of languages, he argues that movement and agreement work in tandem to achieve a specific goal: to imbue natural language with enormous expressive power. Without movement and agreement, he contends, human language would be merely a shadow of itself, with severe limitations on what can be expressed. Miyagawa investigates a variety of languages, including English, Japanese, Bantu languages, Romance languages, Finnish, and Chinese. He finds that every language manifests some kind of agreement, some in the form of the familiar person-number-gender system and others in the form of what Katalin Kiss calls discourse configurational features, such as topic and focus. A key proposal of his argument is that the computational system in syntax deals with the wide range of agreement types uniformly, as if there were just one system, and an integral part of this computation turns out to be movement. Why Agree? Why Move? is unique in proposing a unified system for movement and agreement across language groups that are vastly diverse: Bantu languages, East Asian languages, Indo-European languages, and others.

Thank you for downloading **Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence**. As you may know, people have search hundreds times for their chosen novels like this Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence, but end up in malicious downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they are facing with some malicious bugs inside their desktop computer.

Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence is universally compatible with any devices to read

Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore

some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence Books

What is a Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence PDF?

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs?

Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam:

Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I

compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill

out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow

you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working

with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
