organizations debated golf's symbolism and whether or not to pursue the game's integration black players and caddies took matters into their own hands and helped shape its subculture while UGA participants forged one of the most durable black sporting organizations in American history as they fought to join the white Professional Golfers Association PGA From George F Grant's invention of the golf tee in 1899 to the dominance of superstar Tiger Woods in the 1990s this revelatory and comprehensive work challenges stereotypes and indeed the fundamental story of race and golf in American culture
