Eiland Jr., 2010-05-22 This little book has a selected number of truthful anecdotes of some early supernatural experiences I went through beginning in October 72 during my graduate work in Social Work at Our Lady Of The Lake University here in my beautiful hometown San Antone some good folks call it San Antonio as part of a pre Destined much larger spiritual Training that ended up stretching out some 33 years and which I feel I am supposed to share with all you good people But this is not about me we ALL have Gifts as Jesus repeatedly taught and Demonstrated whether we yet know it or not and the Training has been HARSH so I am bold in my Testimony not being na ve about the dangers inherent in provoking controversy This is emboldened admittedly Testimony of the Guidance and Power and Love of my best Friend and Buddy since 72 my beloved Lord Jesus the coming Messiah and true King of the Mother Earth Her peoples and all of Nature IN OUR LIFETIMES ACCORDING TO MY TRAINING AND GIFTS AND THE SIGNS NOW INCREASINGLY OBVIOUS ALL AROUND US There is an obvious progression of events that occurred during the Training according to my Lord Jesus far seeing purposes so I have attempted to share that in a scientific way if you would how one incident led to another way down the road of linear time but perfectly connected in God s timing Such is the case with THE STORIES BEHIND THE PICTURE with 13 of the early supernatural occurrences over a nine year period 72 to 81 that led up to the picture The Three Wood Dragons and Power Rock Briefly I have been close to my beloved Nature all my life with both sides of my Family being solid wonderful country folk with deep spiritual values raised in deep wilderness areas in south and east Texas and all my young days my three

cousins and I spent hunting and fishing running through all those woods and creeks just sitting watching listening to and appreciating all manner of wildlife and the powerful silent Music of God out there As soon as I learned to pray ironically through a beautiful 12th century Japanese Buddhist technique explained in the book please see A CHRISTIAN ADAPTATION OF THE NICHIREN SHOSHU JAPANESE BUDDHIST PRAYER CONSIDERATIONS I went before my Lord Jesus on Nature s behalf and She has rewarded me according to the Nagual Don Juan s terminology see the entire Carlos Castaneda works in countless exquisite ways including the FOUR PHYSICAL OBJECTS GIVEN FROM SUPERNATURAL BEINGS THE POWER ROCK AND THE THREE WOOD DRAGONS given by the Astral Shaman and the Serpent Seraphim as the Bible calls the supernatural Spirit Animals well known by the Native Americans before their genocide at the hands of the invading Europeans I have created this little book a larger one is still ahead with more detailed Testimony about 250 pages most now handwritten from a website and added some special pieces from the larger manuscript Some is deadly serious but a lot of the pieces are definitely NOT serious as you will see Ya gotta keep a sense of humor all the time do you not Huckleberry Finn and Tom Sawyer were my heroes they made a Party out of everything just as an aging Hippie is obliged to do I must stress that the Jesus Whom I have known since 1975 as my Savior best Buddy and Confidante is NOT the Jesus portrayed through the centuries through evil people and organized religion who have given Him a bad name among our Spiritual Families all over this planet As the Testimony details Jesus brought me to Himself through a beautiful twelfth century Japanese Buddhist prayer technique all prayers to the Creator are techniques Nichiren Shoshu which brought my first answered prayer in 1974 a full year before I learned Jesus was behind my Training On the contrary He has taught me since the beginning that ANYONE WHO CALLS **The University of Texas Record** ,1904 **On the Edge of a Dream: A South Texas Story** Mary Mijares,2005-04-29 font face Verdana font size 2 On the Edge of a Dream is a story about my grandparents journey by train from Sabinas Hidalgo Nuevo Leon Mexico to Nuevo Laredo Tamaulipas Mexico Laredo Texas and on to South Texas to claim a home in America They courageously faced the unknown seeking to make a better life for their families here in the United States believing they had greater opportunities to realize their dreams Dad was seven years old at that time As he grew older he faced greater challenges in achieving these opportunities It was my dad s dream of writing a book about his family s struggles to make their American dream a reality that inspired me to write this book After arriving in South Texas my grandparents first had to find work in order to make a living for their families They weren t afraid of work They were unskilled workers so they found work in farms or ranches working with cattle horses or plowing in the fields When cotton harvesting season came they weren t afraid of picking cotton though it was hard backbreaking work to say nothing of carrying large cotton sacks on their shoulders My paternal grandfather died on January 1 1921 when my dad the oldest child was almost thirteen years old leaving Grandma a widow with five children Grandma faced this challenge by working as a housekeeper for the farm owners Dad found what hard work was at the early age of thirteen years When he was not working

in the fields in the hot and humid Texas climate he worked in the dairy farms When I was two years old my maternal grandparents returned to Mexico when they found that Mexico had land grants for those wishing to return home Quite possibly they decided they wanted to own their piece of land to farm it in order to make more money My mom s two oldest brothers stayed in America and raised their families in South Texas Hard work was not the only thing my parents faced They also had to learn a new language if they wanted to understand their employers Learning the English language was hard Surrounded by Spanish speaking family member it was easier to speak Spanish to them instead of speaking English Eventually Dad learned enough English to make himself understood Another challenge my grandparents faced was a lack of education which would have made life easier and maybe more profitable They only had the minimal education they could get in Mexico but they taught their children to read and write in Spanish Though my parents were very young when they journeyed to America they lived in farms far from schools Since they had no transportation to get to school they could not attend even if they wanted to do so They saw the importance of an education early in their lives because they were unable to get that education themselves In 1930 my parents met and married Two years later I was born in Gregory Texas while my brother was born two years after me and my younger sister seven years after my brother My parents never lost sight of what an education could do By the time we were old enough to begin school they did everything possible to get us there Also by then transportation was available Busses took us to and from school Mom and Dad made sure we had what we needed to be successful students Getting our college degrees after we graduated was an almost impossible dream Dad did not make much so when I graduated I could only afford to go to business school It was much later when I earned my Bachelor of Arts and Master s of Arts degrees My younger sister and my brother both received Bachelor of Science degrees My dad s dream of writing to tell of his family s journey to America inspired me to write this book It took boldness to travel to a new country strength to make a living by performing backbreaking work and perseverance from us his chil
