Texas Sheriff:

The Texas Sheriff Thad Sitton, 2006-01-20 The Texas Sheriff takes a fresh colorful and insightful look at Texas law enforcement during the decades before 1960 In the first half of the twentieth century rural Texas was a strange often violent and complicated place Nineteenth century lifestyles persisted blood relationships made a difference and racial apartheid was still rigidly enforced Citizens expected their county sheriff to uphold local customs as well as state laws He had to help constituents with their personal problems which often had little or nothing to do with law enforcement The rural sheriff served as his county's Mr Fixit its resident good old boy and the lord of an intricate rural society Basing his interpretations on primary sources and extensive interviews Thad Sitton explores the dual nature of Texas sheriffs demonstrating their far reaching power both to do good and to abuse the law **Tarrant County Sheriff's Office**, 2004 **The Sheriff's Son** Wayne Skarka, Donald "Butch" Campsey, 2013-05-10 Before Crime Scene The Texas Killing Fields on Netflix there was The Sheriff's Son a potential suspect for the League City murders This true story begins on Valentine's Day 1961 14 years old Claudette Carolyn Covey went missing from Hondo Texas On Halloween evening 1961 Claudette's remains were discovered eight miles from town in a field She had been shot twice in the head From the beginning town folks believed that she was murdered by the corrupt sheriff or his 18 year old son whom she was dating Because of the corrupt sheriff's influence no one was ever charged with the murder The story follows the life of the sheriff's son from 1961 to his death in 1998 The son was on the edges of many similar murders of young girls in the Houston and Galveston areas but he was never charged After 1961 the sheriff's son was arrested twice for the rape of 12 year old girls essentially walking away from these charges due to the connections of his father After the deaths of the father and son former wives and step children no longer terrified came forward They tell a horrific story of brutality rape incest and murder at the hands of the son Our novel connects the dots and makes the case that a serial killer went to his grave never charged with his many crimes against young women Criminal Justice Agencies in Region 6 United States.
