influence can only be matched among his fellow Texas musicians by Buddy Holly Roy Orbison Janis Joplin and Stevie Ray Vaughan Texas Tornado vividly captures the energy and intensity of this musician whose life burned out too soon but whose music continues to rock Doug was like me maybe the only figure from that period of time that I connected with His was a big soul He had a hit record She s About a Mover and I had a hit record Like a Rolling Stone at the same time So we became buddies back then and we played the same kind of music We never really broke apart We always hooked up at certain intervals in our lives I d never met anyone who d played on stage with Hank Williams before let alone someone my own age Doug had a heavy frequency and it was in his nerves I miss Doug He got caught in the grind He should still be here Bob Dylan I once made the analogy that Doug was like St Sebastian pierced by 1 000 arrows but instead of blood talent coming out of every wound I really regard him as the best musician I ever knew because of his versatility and the range of his information and taste Jerry Wexler Atlantic Records producer Texas Tornado Louise Ballerstedt Raggio,2005 The authors received the 2004 Susan B Anthony Award given by the First United Methodist Church Council on the Status and Role of Women **Water-resources Investigations Report** ,1998 **Tiny Texas Tornado** Jaron Toliver,2022-08-17 Tiny Texas Tornado By Jaron Toliver As you go on this journey with Angel You will feel like he is in the center of a storm With nothing but problems swirling around him You will learn You have to step out of the storm Reassess the situation and come up with a solution to each problem Weather in Texas George W.
