Lodes,2008 *American Cowboy* ,2002-07 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West **West of the Bighorns** Alex Stoffel,2001-01-11 Young David Knight kills two men in a gunfight he

did not avoid and so becomes exiled to his mother's people in England. From there to the Khyber Pass with the Lancers and Rifles he learns to survive. He returns to the West to begin again this time in his native land building a ranch and his life.

Cowboy Culture David Dary, 1989. A colorful account of five centuries of cowboy culture details the life, history, customs, status, job, equipment, and more of the cowboy from sixteenth-century Spanish Mexico to the present. **American Agency Bulletin**, 1922. **The American West** Dee Brown, 2010-05-11. Renowned storyteller Dee Brown, author of the bestselling *Bury My Heart at Wounded Knee*, recreates the struggles of Native Americans, settlers, and ranchers in this stunning volume that illuminates the history of the old West that's filled with maps and vintage photographs. Beginning with the demise of the Native Americans of the Plains, Brown depicts the onrush of the burgeoning cattle trade and the waves of immigrants who ultimately settled the land. In the retelling of this oft-told saga, Brown has demonstrated once again his abilities as a master storyteller and an entertaining popular historian. By turns heroic, tragic, and even humorous, *The American West* brings to life American tragedy and triumph in the years from 1840 to the turn of the century and a roster of characters both great and small: Red Cloud, Sitting Bull, Geronimo, Dull Knife, Crazy Horse, Captain Jack, John H. Tunstall, Billy the Kid, Pat Garrett, Wyatt Earp, the Hole in the Wall Gang, Wild Bill Hickok, Charles Goodnight, Oliver Loving, Buffalo Bill, and many others. *The American West* is about cattle and the railroads; it is about settlers who came to claim a land not originally their own and how they slowly imposed law and order on these wild and untamed places; and it is about the wanton destruction of the Native American way of life. This is epic history at its best and popular history at its most readable. This new work is culled from Dee Brown's highly acclaimed writings, which instantly established him as one of America's foremost Western authorities. Fully revised, rewritten, and edited into one seamless account of America's most famous frontier, this epic narrative, along with the introduction and a chronological table of events, etches an unforgettable and poignant portrait. *The American West* is at once a tribute to the West and a majestic new peak for a writer whose long and successful career has been synonymous with excellence in frontier history. **Prairie Gothic** John R. Erickson, 2005. John Erickson traces his family history, focusing on how his ancestors overcome the challenges of prairie life to settle in Texas and create a prosperous life for themselves.
