## **Texas Tracker:**

Longarm and the Diamond Sisters Tabor Evans, 2008 EVANS DIAMOND SISTERS VOL 356      **Tracking the Texas Rangers** Bruce A Glasrud, Harold J. Weiss Jr., 2013-09-15 Tracking the Texas Rangers The Twentieth Century is an anthology of fifteen previously published articles and chapter excerpts covering key topics of the Texas Rangers during the twentieth century The task of determining the role of the Rangers as the state evolved and what they actually accomplished for the benefit of the state is a difficult challenge The actions of the Rangers fit no easy description There is a dark side to the story of the Rangers during the Mexican Revolution for example some murdered with impunity Others sought to restore order in the border communities as well as in the remainder of Texas It is not lack of interest that complicates the unveiling of the mythical force With the possible exception of the Alamo probably more has been written about the Texas Rangers than any other aspect of Texas history Tracking the Texas Rangers covers leaders such as Captains Bill McDonald Lone Wolf Gonzauillas and Barry Caver accomplished Rangers like Joaquin Jackson and Arthur Hill and the use of Rangers in the Mexican Revolution Chapters discuss their role in the oil fields in riots and in capturing outlaws Most important the Rangers of the twentieth century experienced changes in investigative techniques strategy and intelligence gathering Tracking looks at the use of Rangers in labor disputes in race issues and in the Tejano civil rights movement The selections cover critical aspects of those experiences organization leadership cultural implications rural and urban life and violence In their introduction editors Bruce A Glasrud and Harold J Weiss Jr discuss various themes and controversies surrounding the twentieth century Rangers and their treatment by historians over the years They also have added annotations to the essays to explain where new research has shed additional light on an event to update or correct the original article text      *Tracking the Texas Ranger Historians* Bruce A. Glasrud, Harold J. Weiss Jr, 2024-10-15 The first systematic inquiry into the Texas Rangers did not begin until 1935 with Walter Prescott Webb s publication The Texas Rangers Since then numerous works have appeared on the Rangers but no volume has been published before that covers the various historians of the Rangers and their approaches to the topic Editors Bruce A Glasrud and Harold J Weiss Jr gather essays that profile individual historians of the Texas Rangers explore themes and issues in Ranger history and comprise archival research biographies and autobiographies Several approaches in Texas historiography have influenced the writings on the Texas Rangers and serve to organize the chapters in the volume Traditionalists Chuck Parsons Stephen L Moore and Bob Alexander stress the revered happenings in the nineteenth century that brought about the Lone Star state and its empire building Ranger force To these historical writers the Texas Rangers were part of a golden age Revisionists Robert M Utley Louis R Sadler and Charles H Harris pull back from this adulation emphasize the importance of overlooked ethnic and racial groups and point out misbehavior on the part of Rangers They also want to separate fact from fiction Some Ranger historians Frederick Wilkins and Mike Cox straddle both traditional and revisionist approaches in their works The final group Cultural Constructionalists

Gary Clayton Anderson Am rico Paredes and Monica Mu oz Martinez continue the work of Revisionists and focus on an interconnected past that includes theoretical approaches and the study of memory and regional identities Several themes emerge throughout the book One is how the Rangers changed from unorganized mounted militia dragoons in the modern sense to organized cavalry forces with six shooter firepower who served as a military arm of the state and nation A second is how the dichotomous views of the Rangers as either patriot warriors or bloody avengers left their imprint on Anglo and Hispanic society This divergent examination especially derived from incidents in the US Mexican War the period from 1910 to 1920 and the lower Rio Grande valley in the 1960s And yet another theme is how the Rangers first resisted and fought against yet ultimately absorbed all creeds and colors into their ranks over two hundred years as they evolved into police officers Anglo Black Hispanic Indian and women Rangers

*Tracker's Sin* Sarah McCarty,2011-10-25 Before his trade became his name Tracker Ochoa was a scrawny mestizo runaway Now as fearsome as he once was frightened he s joined the notorious Hell s Eight and they have a job for him He must rescue kidnapped heiress Ari Blake and deliver her safely to the Hell s Eight compound by any means necessary Turns out that includes marrying her if he means to escort her and her infant daughter across the Texas territory Tracker hadn t bargained on a wife especially such a fair blue eyed beauty But the pleasures of the marriage bed more than make up for the surprise Tracker s well muscled body and dark dangerous eyes are far more exciting than any of Ari s former debutante dreams In the light of day though his deep scars and brooding intensity terrify her But with the frontier against them and mercenary bandits at their heels her fearsome husband may be the only protection she s got
