Álvarez, 2025-05-27 Searching propulsive and deeply spiritual Accordion Eulogies is an odyssey to repair a severed family lineage told through the surprising history of a musical instrument Growing up in Yakima Washington No Álvarez never knew his grandfather Stories swirled around this mythologized larger than life figure That he had abandoned his family and had

possibly done something awful that put a curse on his descendants About his grandfather young No was sure of only one thing That he had played the accordion Now an adult reckoning with the legacy of silence surrounding his family s migration from Mexico lvarez resolves both to take up the instrument and to journey into Mexico to discover the grandfather he never knew lvarez travels across the US with his accordion meeting makers and players in cities that range from San Antonio to Boston He uncovers the story of an instrument that s been central to classic American genres but also played a critical role in indigenous Mexican history Like the accordion itself lvarez feels trapped between his roots in Mexico and the U S As he tries to make sense of his place in the world as a father a son a musician he gets closer to uncovering the mystery of his origins
