Thank God, It's Monday Or How to Prevent Success from Ruining Your Marriage Pierre Mornell,1986 *Thank God, It's Monday, Or, How to Prevent Success from Ruining Your Marriage* Pierre Mornell,1985 *The Failure of Success* Lawrence R. Samuel,2020-06-04 This history of success in the United States illustrates the degree to which personal and professional accomplishments have determined overall life satisfaction Beyond serving as a guide to the past present and future of success in America especially that found in the business world this book poses a provocative argument the standard practice of employing outer directed measures of success notably wealth power and fame has worked to the psychological disadvantage of many Americans More specifically it shows that a comparative and competitive view of success has made a significant number of individuals feel less successful than if more inner directed measures were used Ironically then the traditional model of success in the United States has been largely a failure This work offers historians practitioners and general readers of non fiction a blueprint for how to adopt a more meaningful and positive model of success in their everyday lives
