Poole's Index to Periodical Literature ,1882 *Congressional Record* United States. Congress,2003 **Playthings** ,1955 **Poole's Index to Periodical Literature** William Frederick Poole,1893 **Poole's Index to Periodical Literature: pt. 2. K-Z, 1802-1881** William Frederick Poole,1882 **Poole's Index to Periodical Literature: Rev. ed., 1802-1881 (2 v.)** William Frederick Poole,1882 **Liturgical Feasts and Seasons** Thomas Merton,2022-11-09 This critical edition makes available for the first time Thomas Merton's novitiate conferences on liturgy Though dating from the period just before the liturgical reforms of Vatican II Merton's commentaries remain pertinent for their insights on his own commitment to this central dimension of Christian life on his work introducing students to the patterns that would mark their lives as monks and on the perennial meaning of the key events of the liturgical year The thoroughly annotated text is preceded by an extensive introduction situating this material in the context of Merton's lifelong writing on liturgy As Merton's former student Br Paul Quenon writes in his foreword Nowhere in all of Merton's writings can one find such an extended demonstration of the hermeneutical approach he took in commenting on Scripture This was focused intensely on finding the meaning Scripture had for our life in God These notes take us into one man's lifetime of reflection and seasoned experience of the Church Year Unity ,1901 Christ the Ideal of the Priest Blessed Marmion,2006 The highly acclaimed spiritual writer Blessed Columba Marmion wrote this classic work on the priesthood to show the great holiness that priests are called to and how that holiness can only be attained through close union with and imitation of Jesus Christ While aimed at the clergy this profound spiritual work will also be of immense inspiration for laity in coming to a deeper understanding of the true nature and calling of the priesthood Echoing the thought and writing of St Paul Marmion stresses that the priestly life must be dominated by Christ and in constant dependence on His merits His grace and His activity in the soul of the priest In this perspective the dignity of the priesthood and the work of the priest's sanctification are understood In all his actions in the sacred acts of worship the administration of the sacraments private prayer and devotions and serving the various needs of his flock Marmion says the priest must always see himself as the minister of the Saviour as *Alter Christus* Blessed Columba Marmion was a Benedictine priest in the first half of the twentieth century who wrote several works that are considered spiritual classics most notably his book *Christ the life of the Soul* also published by Gracewing in a new translation by Alan Bancroft **1 & 2 Timothy and Titus** Thomas G. Long,2016-01-28 Thomas G Long's insightful commentary on the Pastoral Epistles argues that these often neglected letters are urgently important for readers today Some of the issues faced by New Testament churches are ours as well the lure and peril of spirituality for Christians the character of authentic worship the qualities needed for sound leadership and the relationship between family life and the church Long's interpretations of these books consider contemporary exegetical and theological outlooks and are presented through his seasoned homiletical and pastoral perspectives Pastors will be strengthened by Long's view that the Pastoral Epistles can refresh our memory about

what really counts in the Christian community and how important trustworthy leaders are
