Cann, 2024-12-04 Kevin Cann s book is about understanding God ideas vs Good ideas God gives each person His ideas The difficult part is determining if the idea is from our Spirit or Soul I want to help the Body of Christ find their God idea and share it with the world *Missbenj* J L Dominek, 2017-02-07 Beautiful Jeanie had resigned herself to knowing that the cancer had spread and there was nothing more they could do She knew the signs and understood her life on earth was drawing to an end All earthly matters were dealt with including re homing arrangements for her beloved little dogs Everything had been settled and all was in order Then as she sat in the doctors office waiting for her final appointment something completely unexpected happens She meets an oddly familiar stranger who reaches out to her with an expression of charity and generosity He offers her a place to stay that would provide her with the comfort and solitude that she longed for so she could peacefully pass through her final days At the time Jeanie accepted the strangers offer she did not know that there was more to come In a matter of days she had a reason to hope Her health was improving Perhaps it was a miracle She had to know more about this wonderful stranger and as the story unfolds we learn that Jeanie is about to live an extraordinary life *Who Thought This Was a Good Idea?* Alyssa Mastromonaco, 2017-03-21 If your funny older sister were the former deputy chief of staff to President Barack Obama her behind the scenes political memoir would look something like this Alyssa Mastromonaco worked for Barack Obama for almost a decade and long before his run for president From the then senator s early days in Congress to his years in the Oval Office she made Hope and Change happen through blood sweat tears and lots of briefing binders But for every historic occasion meeting the queen at Buckingham Palace bursting in on secret climate talks or nailing a campaign speech in a hailstorm there were dozens of less than perfect moments when it was up to Alyssa to save the day Like the time she learned the hard way that there aren t nearly enough bathrooms at the Vatican Full of hilarious never before told stories *Who Thought This*

Was a Good Idea is an intimate portrait of a president a book about how to get stuff done and the story of how one woman challenged again and again what a White House official is supposed to look like Here Alyssa shares the strategies that made her successful in politics and beyond including the importance of confidence the value of not being a jerk and why ultimately everything comes down to hard work and always carrying a spare tampon Told in a smart original voice and topped off with a couple of really good cat stories Who Thought This Was a Good Idea is a promising debut from a savvy political star
