Thats My Crowd:

That's My Crowd! Shelton L. Smith, 2004 In the religious climate of today it is important to know what God says our crowd should be Through the use of well over two hundred passages of scripture Dr Shelton Smith defines the fundamental crowd for us Evaluating our crowd by the standard of the Word of God may sometimes cost us some friends and they may accuse us of abandoning them But our separation from them will not be because the Bible has changed It will be because they have hoisted anchor and drifted with the winds Make sure you are sailing in safe waters with the right crowd

Speaking Truth to Power Anita Hill, 1998-10-20 Twenty six years before the metoo movement Anita Hill sparked a national conversation about sexual harassment in the workplace After her astonishing testimony in the Clarence Thomas hearings Anita Hill ceased to be a private citizen and became a public figure at the white hot center of an intense national debate on how men and women

relate to each other in the workplace That debate led to ground breaking court decisions and major shifts in corporate policies that have had a profound effect on our lives and on Anita Hill s life Now with remarkable insight and total candor Anita Hill reflects on events before during and after the hearings offering for the first time a complete account that sheds startling new light on this watershed event Only after reading her moving recollection of her childhood on her family s Oklahoma farm can we fully appreciate the values that enabled her to withstand the harsh scrutiny she endured during the hearings and for years afterward Only after reading her detailed narrative of the Senate Judiciary proceedings do we reach a new understanding of how Washington and the media rush to judgment And only after discovering the personal toll of this wrenching ordeal and how Hill copes do we gain new respect for this extraordinary woman Here is a vitally important work that allows us to understand why Anita Hill did what she did and thereby brings resolution to one of the most controversial episodes in our nation s history **Hawkie** William Cameron,1888
