Thats Revolting Queer Strategies For Resisting Abimilation:

That's Revolting! Mattilda Bernstein Sycamore, 2008-04-22 As the gay mainstream prioritizes the attainment of straight privilege over all else it drains queer identity of any meaning relevance or cultural value writes Matt Bernstein Sycamore aka Mattilda editor of *That's Revolting* This timely collection shows what the new queer resistance looks like Intended as a fistful of rocks to throw at the glass house of Gaylandia the book challenges the commercialized commodified and hyperobjectified view of gay queer identity projected by the mainstream straight and gay media by exploring queer struggles to transform gender revolutionize sexuality and build community family outside of traditional models Essays include Dr Laura Sit on My Face Gay Art Guerrillas Legalized Sodomy Is Political Foreplay and Queer Parents An Oxymoron or Just Plain Moronic

That's Revolting! Pasha Malla, 2010-11 Ten years ago one might not have imagined the largest national gay rights lobbying group Human Rights Campaign endorsing a right wing Republican Senatorial candidate Al D Amato in New York or the San Francisco Pride parade adopting the Budweiser advertising slogan as its official theme 2002 As an assimilationist gay mainstream wields increasing power the focus of gay struggle has become limited to marriage military service and adoption The gay mainstream presents a sanitized straight friendly version of gay identity which makes it safe for Richard Chamberlain or Rosie O'Donnell to come out and still rake in the bucks By the twisted priorities of this gay mainstream it's okay to oppose a queer youth shelter because it might interfere with property values or to fight against the inclusion of transgendered people under hate crimes legislation because this might not appeal to straight voters As the gay mainstream ironically prioritizes the attainment of straight privilege over all else it drains queer identity of any meaning relevance or cultural value and calls this progress *That's Revolting* shows us what the new queer resistance looks like The collection is a fistful of rocks to throw at the glass house of Gaylandia *That's Revolting* uses queer identity and struggle as a starting point from which to reframe reclaim and re shape the world *The Ashgate Research Companion to Lesbian and Gay Activism* David Paternotte, Manon Tremblay, 2016-03-03 The Ashgate Research Companion to Lesbian and Gay Activism provides scholars and students with a comprehensive and authoritative state of the art review of the current research in this subject Each of the 22 specially commissioned chapters develops and summarises their key issue or debate in relation to activism that is the claims strategies and mobilisations including internal debates and divisions impediments and state responses of the lesbian and gay movement By drawing together leading scholars from political science sociology anthropology and history this companion provides an up to the minute snapshot of current scholarship as well as signposting several fruitful avenues for future research This book is both an invaluable resource for scholars and an indispensable teaching tool for use in the classroom **Marxism and Education beyond Identity** F. Agostinone-Wilson, 2010-10-11 This book seeks to revive dialectical materialist interpretations of sexuality relevant to K 12 settings and society Issues addressed include sexuality and the curriculum theories of the family critiques of postmodernism socialist feminism and activist tactics strategies for

organizing in K 12 settings *Therapeutic Conversations with Queer Youth* Julie Tilsen,2013-03-22 This is the first therapy book that focuses on clinical work with youth who construct queer identities as differentiated from essentialized gay or lesbian identities It s also the first practice based book that draws on queer theory constructionist philosophy and cultural studies to inform and guide therapeutic work with queer youth As such it offers fresh critical and hopeful resources for therapists committed to culturally responsive work with youth It also helps to make ideas from queer theory and cultural studies accessible to clinicians and widely applicable in therapeutic practice This book presents the perspicacious and provocative comments of the Q Squad five queer youth who served as cultural consultants to the research and writing of this book By bridging the gaps that exist between social science scholarship and therapeutic practice and between queer theory and the lived experiences of queer youth *Therapeutic Conversations with Queer Youth* breaks new ground in the conceptualization and practice of therapy with queer youth *Queer Retrosexualities* Nishant Shahani,2012 *Queer Retrosexuality The Politics of Reparative Return* analyzes the cultural theoretical and political value of thinking about retrospection in conjunction with queerness It historically grounds and exemplifies the call for a more reparatively informed queer theory in its contextualization of reparation through the return to the 1950s The book thus contributes and furthers some of the dynamic conversations around the politics of queer temporality and historiography *Safe Space* Christina B. Hanhardt,2013-12-04 Winner 2014 Lambda Literary Award in LGBT Studies Since the 1970s a key goal of lesbian and gay activists has been protection against street violence especially in gay neighborhoods During the same time policymakers and private developers declared the containment of urban violence to be a top priority In this important book Christina B Hanhardt examines how LGBT calls for safe space have been shaped by broader public safety initiatives that have sought solutions in policing and privatization and have had devastating effects along race and class lines Drawing on extensive archival and ethnographic research in New York City and San Francisco Hanhardt traces the entwined histories of LGBT activism urban development and U S policy in relation to poverty and crime over the past fifty years She highlights the formation of a mainstream LGBT movement as well as the very different trajectories followed by radical LGBT and queer grassroots organizations Placing LGBT activism in the context of shifting liberal and neoliberal policies *Safe Space* is a groundbreaking exploration of the contradictory legacies of the LGBT struggle for safety in the city **Non-Binary Genders** Ben Vincent,2020-07-02 Methodologically innovative in its use of mixed media diary research this timely book offers a focused sociological study of non binary people s identities and experiences in the UK From negotiating a sense of legitimacy when not feeling trans enough to how identities can shift over time it reveals important nuances of diverse gender identities while offering crucial insights into trans related healthcare inequalities The findings of this ground breaking research mark an important contribution to the wider fields of gender studies LGBTQ scholarship and medical policy

Handbook of LGBT-Affirmative Couple and Family Therapy Jerry J. Bigner,Joseph L. Wetchler,2012-05-04 The

editors and contributors of this comprehensive text provide a unique and important contribution to LGBT clinical literature. Spanning 30 chapters, they discuss the diverse and complex issues involved in LGBT couple and family therapy. In almost 15 years, this book provides the first in-depth overview of the best practices for therapists and those in training who wish to work effectively with LGBT clients. Couples and families need to know, and is only the second of its kind in the history of the field. The clinical issues discussed include raising LGBT children, coming out, elderly LGBT issues, sex therapy, ethical and training issues. Because of the breadth of the book, its specificity, and the expertise of the contributing authors and editors, it is the definitive handbook on LGBT couple and family therapy. **Writing Shame** Mitchell Kaye Mitchell, 2019-11-01

Examines the intersection of shame, gender, and writing in contemporary literature. Considers the particular intersection of shame, gender, and writing in literature produced since the 1990s. Views shame as a constitutive factor in the social construction and experience of femininity. Analyses a diverse range of texts from pulp to literary fiction to life writing and autofiction with a self-reflexive focus on the formal disjunctions produced by the writing of shame and on the shame attending the act of writing itself. Offers political readings of neglected genres: lesbian pulp fiction, highly topical texts like Kraus's *I Love Dick* and Knausgaard's *My Struggle*, and established authors such as Mary Gaitskill, A.M. Homes, Rupert Thomson. Through readings of an array of recent texts, literary and popular, fictional and autofictional, realist and experimental, this book maps out a contemporary Western shame culture. It unpicks the complex triangulation of shame, gender, and writing and intervenes forcefully in feminist and queer debates of the last three decades. Starting from the premise that shame cannot be overcome or abandoned and that femininity and shame are utterly and necessarily imbricated, *Writing Shame* examines writing that explores and inhabits this state of shame, considering the dissonant effects of such explorations on and beyond the page.
