contingencies presented different challenges all of which had a major impact in fluctuations and shifts in policies toward Israel There was nothing inevitable about military and financial support for Israel It was only by the end of the period that a distinct pattern began to emerge Eventual qualified US support took a long and complicated path developed over many decades on multidimensional levels The book refutes insidious allegations that from Israel s inception Jewish influence and a powerful Israel lobby hijacked US foreign policy to achieve unreserved military and financial support for Israel that undermined the best interests of the US The author illustrates one of the poorly misunderstood aspects on the subject by demonstrating how Israeli governments were more astute and powerful than previous scholars have realized and that they were in fact pulling the strings far more than AIPAC and wealthy Jews He also demonstrates that a contributing factor on the decision to aid Israel understated in previous research lay in Israel exploiting its nuisance value *The Publishers Weekly*, 1990 *Handbook of Canadian Foreign Policy* Patrick James, Nelson Michaud, Marc O'Reilly, 2006-05-04 *Handbook of Canadian Foreign Policy* is the most comprehensive book of its kind offering an updated examination of Canada s international role some 15 years after the dismantling of the Berlin Wall ushered in a new era in world politics Tackling recent developments in Canadian foreign policy the authors of this work spotlight Canadian idiosyncrasies within a global context that are defined by wrenching juxtapositions The specialists who have contributed their expertise to this book provide sophisticated analysis conceptual as well as historical rather than simply impressionistic judgments about contemporary events Highlighting both well known and understudied topics this handbook presents a marriage of the familiar and the underappreciated that enables readers to grasp much of the complexity of current Canadian foreign policy and appreciate the challenges policymakers must meet in the early 21st century **Building a Green Wall** Kimberly Cowell-Meyers, Carolyn Gallaher, 2025-11-18 In the aftermath of Britain s 2016 decision to leave the EU the Irish American ethnic lobby remobilized to defend the Belfast Good Friday Agreement from the threats posed by Brexit Drawing on interviews in Washington Belfast Dublin and London Cowell Meyers and Gallaher explore how the lobby shaped US policy towards Brexit in order to prevent the reimposition of a hard border on the island of Ireland and preserve peace The authors also consider the lobby s approach to other contentious issues including a united Ireland and Troubles related investigations
