The 50 Most Influential Black Films:

The 50 Most Influential Black Films Torriano Berry, Venice T. Berry, 2001 A plentifully illustrated guide to the most popular and socially significant movies made for by and about African Americans from 1900 to today Also includes incisive interviews with Hollywood greats such as Ossie Davis and Ivan Dixon *Historical Dictionary of African American Cinema* S. Torriano Berry, Venice T. Berry, 2015-05-07 As early as 1909 African Americans were utilizing the new medium of cinema to catalogue the world around them using the film camera as a device to capture their lives and their history The daunting subject of race and ethnicity permeated life in America at the turn of the twentieth century and due to the effect of certain early films specific television images and an often biased news media it still plagues us today As new technologies bring the power of the moving image to the masses African Americans will shoot and edit on laptop computers and share their stories with a global audience via the World Wide Web These independently produced visions will add to the diverse cache of African American images being displayed on an ever expanding silver screen This wide range of stories topics views and genres will finally give the world a glimpse of African American life that has long been ignored and has yet to be seen This second edition of *Historical Dictionary of African American Cinema* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1400 cross referenced entries on actors actresses movies producers organizations awards and terminology this book provides a better understanding of the role African Americans played in film history This book is an excellent access point for students researchers and anyone wanting to know more about African American cinema **African Americans in Film** Camille R. Michaels, 2017-07-15 The whitewashing of roles in films and the lack of representation at awards shows such as the Oscars are only two of the career obstacles African American actors and filmmakers have historically faced Although blackface is now taboo racism is still prevalent in Hollywood Readers explore the causes of the systemic oppression that has made it difficult for African Americans to break into the movie business Through full color photographs and primary sources readers will learn how to become more thoughtful viewers of movies and television **The Wiley-Blackwell History of American Film, 4 Volume Set** Cynthia Lucia, Roy Grundmann, Art Simon, 2011-12-12 Comprising over 90 essays and richly illustrated with over 200 images the Wiley Blackwell History of American Film provides a chronological portrait of American film history from its origins to the present day Taken as a whole the essays in this collection represent a comprehensive and nuanced overview of American film history from the intersecting perspectives of industry audiences aesthetics culture politics issues and ideology Unabashedly ambitious deeply historical and unprecedented in its multi faceted examination of film history this collection offers you Over 90 original essays written by an international cast of film scholars Discussions of the industrial and institutional components of film history including multiple modes of production distribution and marketing Investigations into the political social and economic factors that informed industry change and framed the reception of films Engaging close readings and in depth
