The Guide Ourselves Our Planet Our Universe:

Living Humanism: Part 1 Philip Nathan, 2020-09-28 How can we act to best pursue our own well being and happiness To what extent should we as individuals pursue wealth money and possessions if at all Benevolent Extraterrestrial Guides H. Torrevillas, M.D., 2012-10 The author shares many encounters that made him lean towards the studies of intuitive feelings as well as the psychic phenomena that relate to the mystifying world of the unknown He had been in the quandary in his early years regarding the paranormal happenings in his life Rather than ignore them as skeptics do Torrevillas regarded them with more significance in his life Author Did the voice that talked to me when I was 20 years old the possession by a spirit when I was 30 the appearance of Jesus Christ in the cloud when I was 48 and a lot more were done by an extraterrestrial beings The two humanoid angels that saved me when I had undergone open heart surgery The being that grabbed my hair and pulled my leg recently was the same guide that had watched me throughout my life At 75 years of age it was clear that benevolent extraterrestrials had guided me through the years Now I am called to write this book The famous American Sleeping prophet Edgar Cayce said the past present and the future are one In the future we will live and see the beauty of the Universe in this infinite cycle of time space But we are hindered in our quest for truth From Who You will find the answer in this Book *The Science of Oneness* Malcolm Hollick, 2011-03-16 The Science of Oneness weaves modern science together with experiential spiritual and cultural knowledge It presents a scientifically valid vision of reality that is conscious creative loving and purposeful It balances openness to all sources of knowledge with critical evaluation of their reliability Each chapter offers experiential activities thought provoking questions and guided meditations to stimulate intuitive understanding It provides a coherent world view for cultural creatives and the holism movement **Live Your Sunshine** Lesley MacCulloch, 2017-07-11 We are brought up in a world where living in fear is both encouraged and accepted Its normal to feel doubt to feel guilt to feel anger to feel a failure Its normal to lack enjoyment self confidence and fulfilment Its normal to live our lives according to what other people want of us or what we think other people want of us and to feel that in a world where we constantly criticise and compare were simply not good enough But good enough for what And in whose view Its time to turn that thinking around You are good enough You were born with confidence and a healthy self esteem You were born to smile more You were born to feel ease to feel well and to listen to your heart and your intuition And you can reconnect with that you You can live true to yourself and you can feel contentment joy and harmony You can find peace acceptance and inner strength You are perfect human worthy You are special You are you and the world needs you Free the spirit thats still burning deep inside you and shine You are and you can *The Mindful Medium: A Practical Guide to Spirituality* Alison Grey, 2024-03-29 Always clear and always good humoured the aspiring practitioner would be hard pushed to find a better guide to this often confusing area Dr Ian Rubenstein GP and author of Consulting Spirit A doctor s Experience with Practical Mediumship Everyone has a unique journey a life purpose and an inner light which guides them

You simply need to listen The Mindful Medium is an inspiring practical guide for awakening Inside these pages Alison Grey applies her knowledge and understanding of the spirit world to help you understand yourself better to change to a more positive mind set and to develop your own healing and intuitive gifts with easy practical step by step exercises and visualisations Detailing the initial signs she received from guides angels and her loved ones Alison acknowledges how these first steps of her own journey led her to where she is today a successful psychic medium healer spiritual teacher and counselor Her teaching weaves a fascinating and accessible alternative way of thinking encouraging mediums to deepen their own intuitive and psychic skills while helping them to find answers to life s important questions

Animal Voices, Animal Guides Dawn Baumann Brunke,2009-05-21 How to connect with animal guides to expand individual and planetary awareness Reveals techniques for exploring dreams shamanic journeys healing and shapeshifting with animals Presents words of wisdom from cats dogs horses llamas rabbits ravens bears and even insects As companions helpers and spiritual guides animals have always held a special relationship with humans As we access our natural ability to communicate with animals we cannot help but open ourselves more profoundly to life other human beings and our own deep nature the essence of who we really are Animal Voices Animal Guides presents a wide variety of ways in which we can tune in to the universal language of all life and reconnect with the animal kingdom in more conscious meaningful ways Through myths shamanic journeys and dreams we meet our power animals spirit animals and wise animal guides The exercises meditations stories and experiments included are designed to help us tune in to the subtle whispers of nature and expand our awareness We learn what sled dogs have to teach us about teamwork how llamas see themselves as healers of the world and how it would feel to inhabit the skin of a shark Filled with advice from animal communication professionals and actual conversations with animals Animal Voices Animal Guides is an invitation to explore our inner ways of knowing When we learn how to use all our senses to listen to animals we will find out how to listen to our authentic self as well

What is being a Human Being? Ana Bott,2019-10-17 In this book the author addresses classical spirituality related topics with a fresh pair of eyes and digs into new ones offering her unique view You ll embark upon a journey with her to answer questions such as Who is God Is there a spirit How was it created Is it immortal What is Free Will Are there Guides Who are they Is there more than just one universe What is multidimensionality Are there any other planetary systems like ours When did the man woman become a Human Being with a soul What is it to live in duality Is there a missing link How was the Earth populated Is there intelligent life in the Universe This book describes in a simple and straightforward yet deep way the connection that lies between the Soul and the physical body that shape a Human Being The author leads the reader through a world she calls the New Metaphysics arising out of bringing together Spirituality and Science In addition at the end of each part of the book you ll find a section with useful information In Section I there are simple techniques to work with spiritual energies that you can use on yourself or to help others In Section II the author explains her standpoint based on the most influential scientific theories of the 20th

NASA Authorization for Fiscal Year 1972
United States. Congress. Senate. Committee on Aeronautical and Space Sciences,1971 *The Wild Animal Society* Theo Von Cezar,2015-05-28 From the African Savannah to the Great Plains the animals have had enough of Man s greed corruption and immorality Enough is enough Under the leadership of Nietzsche an enlightened lion the animal philosophers of the world have a plan that might just correct the injustices of the past but will all the humans meekly agree to the new order What would happen if the world s animals could think like us and talk like us What if they could read and reason And what if they then decided that they have had enough suffering at our hands Enough of the human propensity for greed and corruption In this fantastical fable we follow Nietzsche the lion as he rallies all the animals of the world into one final bid for saving the world from us
