Meadows, 2013-10-23 *Jazz Research and Pedagogy* is the third edition of an annotated bibliography to books recordings videos and websites in the field of jazz Since the publication of the 2nd edition in 1995 the quantity and quality of books on

jazz research performance and teaching materials have increased Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date several books on research performance and teaching materials were omitted In addition given the proliferation of new books in all jazz areas since 1995 the need for a new comprehensive and annotated reference book on jazz is apparent Multiply indexed this book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade

Sourcebook for Research in Music, Third Edition Allen Scott, 2015-06-01 Since it was first published in 1993 the Sourcebook for Research in Music has become an invaluable resource in musical scholarship The balance between depth of content and brevity of format makes it ideal for use as a textbook for students a reference work for faculty and professional musicians and as an aid for librarians The introductory chapter includes a comprehensive list of bibliographical terms with definitions bibliographic terms in German French and Italian and the plan of the Library of Congress and the Dewey Decimal music classification systems Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items this updated and expanded edition accounts for the rapid growth in new editions of standard works in fields such as ethnomusicology performance practice women in music popular music education business and music technology These enhancements to its already extensive bibliographies ensures that the Sourcebook will continue to be an indispensable reference for years to come

Writing Jazz Sascha Feinstein, 2025-03-01 Writing Jazz presents interviews with fourteen distinguished jazz scholars Whitney Balliett Bob Blumenthal Stanley Crouch Linda Dahl Maxine Gordon Farah Jasmine Griffin John Edward Hasse Willard Jenkins Hettie Jones Robin D G Kelley Laurie Pepper Tom Piazza Ricky Riccardi and A B Spellman This literary jam session explores the many challenges and thrills of writing about jazz in various prose forms including liner notes memoirs biographies and critical guides The distinguished writers interviewed in this collection obviously share a passion for jazz and each has produced a hefty amount of literature that illuminates both the music and its practitioners A well known writer on jazz Sascha Feinstein has explored the relationship of jazz and literature throughout his career making Writing Jazz an essential contribution to the field of jazz related literature

The Muse is Music Meta DuEwa Jones, 2011 This wide ranging ambitiously interdisciplinary study traces jazz's influence on African American poetry from the Harlem Renaissance to contemporary spoken word poetry Examining established poets such as Langston Hughes Ntozake Shange and Nathaniel Mackey as well as a generation of up and coming contemporary writers and performers Meta DuEwa Jones highlights the intersections of race gender and sexuality within the jazz tradition and its representation in poetry Applying prosodic analysis to emphasize the musicality of African American poetic performance she examines the gendered meanings evident in collaborative performances and in the criticism images and sounds circulating within jazz cultures Jones also considers poets who participated in contemporary venues for black writing such as the Dark Room Collective and the Cave Canem Foundation including Harryette Mullen Elizabeth Alexander and Carl Phillips Incorporating a finely honed

discussion of the Black Arts Movement the poetry jazz fusion of the late 1950s and slam and spoken word performance milieus such as Def Poetry Jam she focuses on jazz and hip hop influenced performance artists including Tracie Morris Saul Williams and Jessica Care Moore Through attention to cadence rhythm and structure *The Muse is Music* fills a gap in literary scholarship by attending to issues of gender in jazz and poetry and by analyzing recordings of poets both with and without musical accompaniment Applying the methodology of textual close reading to a critical close listening of American poetry's resonant soundscape Jones's analyses include exploring the formal innovation and queer performance of Langston Hughes's recorded collaboration with jazz musicians delineating the relationship between punctuation and performance in the post soul John Coltrane poem and closely examining jazz improvisation and hip hop stylization An elaborate articulation of the connections between jazz poetry and spoken word and gender *The Muse Is Music* offers valuable criticism of specific texts and performances and a convincing argument about the shape of jazz and African American poetic performance in the contemporary era

Jazz Religion, the Second Line, and Black New Orleans Richard Brent Turner, 2016-10-17 This scholarly study demonstrates that while post Hurricane Katrina New Orleans is changing the vibrant traditions of jazz must continue *Journal of African American History* An examination of the musical religious and political landscape of black New Orleans before and after Hurricane Katrina this revised edition looks at how these factors play out in a new millennium of global apartheid Richard Brent Turner explores the history and contemporary significance of second lines the group of dancers who follow the first procession of church and club members brass bands and grand marshals in black New Orleans's jazz street parades Here music and religion interplay and Turner's study reveals how these identities and traditions from Haiti and West and Central Africa are reinterpreted He also describes how second line participants create their own social space and become proficient in the arts of political disguise resistance and performance
