The Guy on the Left James Duthie, 2015-10-13 If you're a sports fan you know James Duthie The biggest games the biggest trades the juiciest rumours chances are Duthie is the guy you tuned in to hear talk about them There are other experts and insiders stats guys and analysts but no one else who can talk about sports with the humour the knowledge and the charisma Duthie brings to every event he covers He also makes the best spoof videos The Guy on the Left tells the story of Duthie's career in broadcasting from a nerdy appearance on a game show to chatting with Tiger Woods in the men's room at The Masters It's a behind the scenes look at celebrated moments like Sidney Crosby's famous game winning goal at the Vancouver Olympics but also less celebrated insights like the disclosure that sports broadcasters often aren't wearing pants on air There are stories about goofing around with NHL superstars like Roberto Luongo and Anze Kopitar There are also stories about wandering into the wrong house after walking his dog and surprising his neighbour in her underwear His stories can also be serious Tragedy strikes more than once in the sports world Most notably he had to go to air on the evening of September 11 2001 His reflections on the way sport is part of all of our lives from the athletes and sports figures on the planes to the kids who lost coaches and parents are a powerful reminder of both the importance of sport and how lucky we all are to be part of it Funny thoughtful self deprecating and wry The Guy on the Left is everything fans love about James Duthie

*Blackjacks* Tony Illman,2017-06-01 This book is based on our lives It starts very briefly in the United Kingdom and quickly moves to the Eastern Highland of Rhodesia It moves through our childhood while were living in the eastern border areas Umtali Sabi Tanganda and Chipinga As we pass through our teenage years and become adults it travels with us to Western Australia and then back to Chipinga We share the lives of others as the Rhodesian Bush War escalates in what was a quiet and idyllic country town to one of the most dangerous and deadly districts in Rhodesia Then the books deals with our final move back to Western Australia and our struggle to once again build a life for our children and ourselves To most people this may seem to be an unusual life but to a Rhodesian it would be considered pretty much the same story as many other families Although it is our story there are many stories told by others who have shared our way of life It is about love hate and humor It is about determination and desperation It is about life and death and friendship and community spirit Most of all I hope it is a monument to those who died or were seriously injured physically or mentally black or white It is also a salute to those incredible farmers the Rhodesian armed forces and those who worked in the rural areas during those troubled times For me personally writing this book has been a huge emotional journey
