The Second Coming of Christ: Study Guide Keith Thomas,2015-05-05 The purpose of

doing this study is to focus on the coming of Christ and to better prepare us for His coming. The early Christians in the first century would often talk of His coming and encourage one another by looking forward to the day when Christ would return. If that was so for centuries ago, how much more should we be anticipating His coming in the days in which we live.
