The Healing Gloria Cassity Stargel, 2000-06 In this book author Gloria Cassity Stargel shares her spiritual journey with the reader Her simple from the heart writing style makes it like reading a letter from a good friend Cancer The word alone brings a flutter of fear dread to the most courageous heart When the disease strikes a loved one the world suddenly seems hostile It s hard to understand how other people can work laugh play hope as if everything were normal Gloria Stargel knows that fear that dread the feeling that the world has gone mad Her husband Joe was diagnosed as having an extremely rare virulent form of cancer The doctors held out a five percent chance they could slow the progress of the disease There was no hope at all for a cure When all hope was gone Gloria gave her husband herself into the hands of a loving god God alone would be the object of her trust the source of her strength from that time on A slow quiet miracle began It grew until it encompassed more than Joe s disease ridden body but touched Gloria as well with wholeness Gloria is an author a freelance writer an assignment writer for Guideposts Magazine
